## Strategic report for the year ended 31 March 2023

---

The directors present their strategic report together with the audited financial statements for the year ended 31 March 2023. These financial statements are for the year to 31 March 2023 and the prior period from incorporation on 30 June 2021 to 31 March 2022.

Clearway (2021) Bidco Limited (the "Company") is an intermediate holding company of Clearway (Next Wave) Holdings Limited and subsidiaries ("the Group"). This report covers the activities, strategy, performance and operations of the Company.

### Principal activities

The principal activity of the Company is that of an intermediate holding company.

At the year end the Company had ten indirectly owned 100% trading subsidiaries:

1. Clearway Environmental Services (U.K.) Limited, which operates across England and into Wales and Scotland;
2. Property Security and Maintenance Solutions Limited, operating across Scotland and into the North of England;
3. Cerberus Security and Monitoring Services Limited, operates across England and into Wales and Scotland;
4. Debt Squared Group Limited, operates throughout the UK;
5. Sitewatch Fire and Surveillance Limited, operates throughout England and Wales;
6. Protim SAS which operates in France mainly around the Paris region;
7. Bourran Securisation de Logements SAS which operates in France around the Marseille region;
8. Protim Atlantic SAS which operates in France in the Nantes region;
9. Systeo Protection SAS which operates in North East France, based in Amiens;
10. Sideo- Société Privée de Sécurité which operates in South East France, based in Lyon.

During the financial year, on 9 June 2022, the Company's indirect subsidiary Clearway Group Holdings Limited, acquired 100% of the share capital of Sitewatch Fire and Surveillance Limited, a security and fire safety business which also enhances the Group's CCTV and access control capabilities.

### Strategy

The Company's strategy is to support the strategy and activities of the Group by serving as an intermediate holding company.

### Company Review and KPIs

The loss for the year, after taxation, amounted to £10,000, but as the Company is a holding company of the Group The Board considers that the use of KPIs will not add to the understanding or appreciation of the Company's performance or position. The KPIs of the Group are disclosed in the strategic review of Clearway (Next Wave) Holdings Limited.

### The war in Ukraine

The war in Ukraine has impacted on European economies, including the cost of materials and energy. This has not had a material impact on the Company or its subsidiaries at this stage, but the Group has experienced some supply chain issues in some components and equipment for hire.

Due to its strategy as an intermediate holding company the Company has not seen a direct impact from the war in Ukraine. The impact on the Group including the appropriateness of the going concern basis for the preparation of the financial statements can be found within the strategic report of Clearway (Next Wave) Holdings Limited.

## Principal risks and uncertainties

### Economic Risk

#### *(i) European Union exit*

Further to the triggering of Article 50 of the Treaty of the European Union following the UK referendum of 23 June 2016 on membership of the European Union, the UK left the European Union on 31 January 2020 and left the single market and customs union on 31 December 2020. This has not had a material impact on the Company.

#### *(ii) Foreign Exchange rate*

Sterling may fluctuate compared to the euro in the coming year due to continued economic uncertainty.

The Company has limited exposure to the Euro therefore the board does not consider there to be a material risk to the Company.

### Finance risk

#### *(i) Liquidity risk*

The Company can finance its day-to-day operating needs through access to the Groupbank facilities. Company management monitors rolling forecasts of the Company's liquidity reserves (comprised of undrawn borrowing facilities and cash and cash equivalents) based on expected cash flows.

#### *(ii) Capital risk*

The Company's financing arrangements are set out in this strategic report. The Company keeps its funding structure under review to ensure that it has the resources and the capacity to meet its operational requirements and to facilitate the execution of its growth strategy.

In anticipation of further acquisitions, this risk is being managed by negotiating increased borrowing facilities to finance each potential acquisition from various finance providers with which the Group has developed relationships.

#### *(iii) Cost of Debt*

Inflationary pressures are likely to lead to increasing cost of debt as base rates rise. The Group manages this risk by holding a proportion of its debt by fixed interest debt, particularly preference shares.

## **Directors' responsibilities statement for the year ended 31 March 2023**

---

The directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that year. In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the financial statements and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and the Group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## Independent auditor's report

### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CLEARWAY (2021) BIDCO LIMITED

#### Opinion on the financial statements

In our opinion, the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 March 2023 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements of Clearway (2021) Bidco Limited ("the Company") for the year ended 31 March 2023 which comprise the Statement of Comprehensive Income, the Balance Sheet, the Statement of Changes in Equity and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### *Independence*

We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

#### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Directors with respect to going concern are described in the relevant sections of this report.

#### Other information

The Directors are responsible for the other information. The other information comprises the information included in the Directors report and financial statements, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

# Clearway (2021) Bidco Limited

## Independent auditor's report (continued)

---

### Other information (*continued*)

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### Other Companies Act 2006 reporting

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic report and the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic report and the Directors' report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic report or the Directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

### Responsibilities of Directors

As explained more fully in the Statement of Directors Responsibilities, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

## Independent auditor's report (continued)

### Extent to which the audit was capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We obtained an understanding of legal and regulatory framework through our accumulated knowledge and consideration of sector information that is applicable to the Company. We determined that the most significant which are directly relevant to specific assertions in the financial statements and those related to the financial reporting framework (including but not limited to accounting standards in conformity with the requirements of the Companies Act 2006), Health & Safety regulations, relevant environmental regulations and tax legislation.
- We have gained an understanding as to how Clearway (2021) Bidco Limited are complying with those legal and regulatory frameworks through enquiries of management and members of the Board responsible for legal and compliance procedures. We corroborated our enquiries through our review of board minutes.
- The relevant laws and regulations identified, in addition to fraud risks and how and where this may occur were communicated to the audit engagement team who remained alert to any indications of fraud or non compliance with laws and regulation throughout the audit.
- We assessed the susceptibility of the entity's financial statements to material misstatement, including how fraud might occur where it is considered there was a susceptibility of fraud relating to management override of controls and improper revenue recognition. In addressing the risk of fraud through management override of controls, we tested the appropriateness of journal entries and other adjustments; assessed whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

Our audit procedures were designed to respond to risks of material misstatement in the financial statements, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery, misrepresentations or through collusion. There are inherent limitations in the audit procedures performed and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we are to become aware of it.

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

### Use of our report

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Finance Act 2016 included a reduction in the main rate of UK corporation tax from 19% to 17% from 1 April 2021. However, in the UK budget on 11 March 2021, it was announced that the cut in the rate to 17% will now not occur and the UK Corporation Tax Rate will instead remain at 19%. The Finance Act 2021 which was substantively enacted on 24 May 2021 included an increase in the main UK corporation tax rate from 19% to 25% effective from 1 April 2023. As the Company does not have any deferred tax balances, this rate change does not impact the current year or future tax charges.
