BC BBU Limited

Directors' Report

Period from 5 July 2021 to 31 December 2022

The directors present their report and the financial statements of the company for the period ended 31 December 2022.

Principal activities

The principal activity of the company during the period was that of property development.

Incorporation

The company was incorporated on 05 July 2021 and commenced activities on the same day.

Directors

The directors who served the company during the period were as follows:

Clive Lewis	(Appointed 5 July 2021)
Joseph Lewis	(Appointed 5 July 2021)
Michael Rosehill	(Appointed 5 July 2021)

Dividends

During the period, the company realised an operating loss of £108,533 from total turnover of £nil. The company declared total dividends of £nil in the period.

Directors' responsibilities statement

The directors are responsible for preparing the directors' report and financial statements in accordance with applicable law and regulations.

The Companies Act 2006 (the "Act") requires the directors to prepare financial statements for each financial period. Under the Act the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under the Act the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

BC BBU Limited

Directors' Report *(continued)*

Period from 5 July 2021 to 31 December 2022

Auditor

Each of the persons who is a director at the date of approval of this report confirms that:

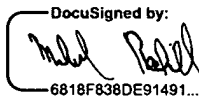

- so far as they are aware, there is no relevant audit information of which the company's auditor is unaware; and
- they have taken all steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

BDO LLP were appointed as auditors of the company during the period. Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and BDO LLP will therefore continue in office.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

This report was approved by the board of directors on 22 March 2023 and signed on behalf of the board by:

Director

BC BBU Limited

Independent Auditor's Report to the Members of BC BBU Limited

Period from 5 July 2021 to 31 December 2022

Opinion on the financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2022 and of its loss for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements of BC BBU Limited ("the Company") for the period from 5 July 2021 to 31 December 2022 which comprise the statement of comprehensive income, the statement of financial position, the statement of changes in equity and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Directors with respect to going concern are described in the relevant sections of this report.

BC BBU Limited

Independent Auditor's Report to the Members of BC BBU Limited *(continued)*

Period from 5 July 2021 to 31 December 2022

Other information

The Directors are responsible for the other information. The other information comprises the information included in the Directors' report and financial statements, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Other Companies Act 2006 reporting

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' report for the financial period for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' report has been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Directors were not entitled to take advantage of the small companies' exemptions in preparing the Directors' report and from the requirement to prepare a Strategic report.

Responsibilities of Directors

As explained more fully in the Directors' responsibilities statement, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

BC BBU Limited

Independent Auditor's Report to the Members of BC BBU Limited *(continued)*

Period from 5 July 2021 to 31 December 2022

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Extent to which the audit was capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

- We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our sector experience through discussion with the Directors and other management (as required by auditing standards).
- We had regard to laws and regulations in areas that directly affect the financial statements including financial reporting (including related company legislation) and taxation legislation. We considered that extent of compliance with those laws and regulations as part of our procedures on the related financial statement items.
- With the exception of any known or possible non-compliance, and as required by auditing standards, our work in respect of these was limited to enquiry of the Directors.
- We communicated identified laws and regulations throughout our team and remained alert to any indications of non-compliance throughout the audit.
- We addressed the risk of fraud through management override of controls, by testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

Our audit procedures were designed to respond to risks of material misstatement in the financial statements, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery, misrepresentations or through collusion. There are inherent limitations in the audit procedures performed and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we are to become aware of it.

BC BBU Limited

Independent Auditor's Report to the Members of BC BBU Limited *(continued)*

Period from 5 July 2021 to 31 December 2022

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

BC BBU Limited

Notes to the Financial Statements

Period from 5 July 2021 to 31 December 2022

1. General information

The company is a private company limited by shares, registered in England and Wales. The address of the registered office is Seymour Mews House, 26-37 Seymour Mews, London, W1H 6BN, UK.

2. Statement of compliance

These financial statements have been prepared in compliance with Section 1A of FRS 102 "The Financial Reporting Standard applicable in the UK and the Republic of Ireland" (FRS 102).

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain assets and liabilities measured at fair value through profit or loss.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

In making their assessment of the ability of the Company to continue as a going concern, the Directors have considered the global economic climate, energy crisis, the war in Ukraine and the residual impact of Covid-19. Financial forecasts have been produced for the ultimate parent undertaking, LFH International Limited, on a consolidated group basis for a period in excess of 12 months from the date of these financial statements. Based on these forecasts the consolidated group has adequate resources to continue in operational existence for a period in excess of 12 months from the date of approval of these financial statements. The Directors of LFH International Limited concluded that the consolidated group and each individual subsidiary is also a going concern.

The Directors have considered the Company's own financial position and prospects, and also the ultimate parent company's position and assurances, and accordingly have concluded that it is appropriate for the Company to prepare its own financial statements on a going concern basis.

Cash and cash equivalents

Cash and cash equivalents are basic financial assets and include cash in hand and deposits held at call with banks.

Interest payable

Interest payable and similar charges include interest due on group undertakings and interest on borrowings. Interest payable is recognised in profit or loss as it accrues using the effective interest rate method.

BC BBU Limited

Notes to the Financial Statements *(continued)*

Period from 5 July 2021 to 31 December 2022

3. Accounting policies *(continued)*

Taxation

Taxation comprises the aggregate amount of current and deferred tax recognised in the reporting period and is charged or credited to the income statement, unless it relates to items recognised in other comprehensive income or directly in equity. In such cases, the related tax is recognised in other comprehensive income or directly in equity, respectively.

Current tax is recognised on taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to be paid or recovered using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

Deferred tax is recognised in respect of all timing differences at the reporting date. Deferred tax assets are only recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the reporting date that are expected to apply to the reversal of the timing difference.

Stocks

Stock represents property acquired for development together with work in progress on those properties. These assets are included at the lower of cost and net realisable value. Cost for this purpose comprises the land and buildings and development expenditure. Annual reviews are carried out to identify any impairment in the value of the stock and provisions made for any irrecoverable amounts.

Finance leases and hire purchase contracts

Assets held under finance leases and hire purchase contracts are recognised in the statement of financial position as assets and liabilities at the lower of the fair value of the assets and the present value of the minimum lease payments, which is determined at the inception of the lease term. Any initial direct costs of the lease are added to the amount recognised as an asset.

Lease payments are apportioned between the finance charges and reduction of the outstanding lease liability using the effective interest method. Finance charges are allocated to each period so as to produce a constant rate of interest on the remaining balance of the liability.

Basic financial instruments

The company has elected to apply the provisions of Section 11 of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the company's balance sheet when the company becomes party to the contractual provision of the instrument.

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price less attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses in the case of trade debtors.

Basic financial liabilities, which include trade and other payables and bank loans, are initially measured at transaction price plus attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method.

BC BBU Limited

Notes to the Financial Statements *(continued)*

Period from 5 July 2021 to 31 December 2022

3. Accounting policies *(continued)*

Judgements and key sources of estimation uncertainty

In the application of the company's accounting policies, the Directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

Key sources of estimation uncertainty relate to:

NRV of stock

Inventory property is stated at the lower of cost and net realisable value (NRV). NRV for completed inventory property is assessed by reference to market conditions and prices existing at the reporting date and is based on comparable transactions for properties in the same geographical market serving the same real estate segment.

NRV in respect of inventory property under construction is assessed with reference to market prices at the reporting date for similar completed property, less estimated costs to complete construction and an estimate of the time value of money to the date of completion.

4. Country of incorporation

BC BBU Limited is incorporated in England, United Kingdom.

5. Directors & employees

The average number of employees during the year was nil (2021: nil).

Obligations under finance leases and hire purchase contracts	<u>179,597</u>

10. Finance leases and hire purchase contracts

The total future minimum lease payments under finance leases and hire purchase contracts are as follows:

	31 Dec 22
	£
Not later than 1 year	9,075
Later than 1 year and not later than 5 years	36,300
Later than 5 years	<u>1,172,944</u>
	<u>1,218,319</u>

11. Called up share capital

Issued, called up and fully paid

	31 Dec 22	
	No.	£
Ordinary shares of £1 each	<u>2</u>	<u>2</u>

The company was incorporated on 05 July 2021. One £1 ordinary share was issued at a price of £1 per share at incorporation.

On 23 December 2022, a rights issue was accepted by shareholders. One £1 ordinary share was issued at a price of £750,000 per share, raising a total of £750,000. The issue increased the share premium account by £749,999.

12. Reserves

Share premium account - This reserve records the amount above the nominal value received for shares issued, less transaction costs.

Profit and loss account - This reserve records retained earnings and accumulated losses.

BC BBU Limited

Notes to the Financial Statements *(continued)*

Period from 5 July 2021 to 31 December 2022

13. Related party transactions

The company has taken advantage of the exemption conferred by FRS 102 not to disclose transactions with wholly owned group companies.

14. Ultimate parent company

The company's ultimate parent undertaking is LFH International Limited which is registered in Jersey. The company's ultimate UK parent undertaking is L51N Limited which is registered in England. The company's immediate parent undertaking is Blue Coast Capital Properties Limited which is registered in England.

Blue Coast Capital Properties Limited is the smallest, and L51N Limited is the largest, group of which the company is a member and for which publicly available group accounts are prepared. The registered office address of Blue Coast Capital Properties Limited and L51N Limited is Seymour Mews House, 26-37 Seymour Mews, London W1H 6BN.
