The Chargors and the Collateral Agent agree that this Deed is the subject of the Intercreditor Agreements and that, in the event of any inconsistency between the terms this Deed and the terms of any Intercreditor Agreement, the terms of such Intercreditor Agreement will prevail.

1.6 ABL Intercreditor Agreement; Possession and Control of Term Priority Collateral

- (a) Notwithstanding any other provision of this Deed (but subject to paragraph (e) of this clause 1.6), the Security and any other security granted to the Collateral Agent pursuant to this Deed in any Collateral and the exercise of any right or remedy by the Collateral Agent with respect to any Collateral hereunder are subject to the provisions of the ABL Intercreditor Agreement. In the event of any conflict between the terms of the ABL Intercreditor Agreement and the terms of this Deed, the terms of the ABL Intercreditor Agreement shall govern and control. Notwithstanding any other provision of this Deed, the Collateral Agent acknowledges and agrees that no Chargor shall be required to take or refrain from taking any action at the request of the Collateral Agent with respect to the Collateral if such action or inaction would conflict with the terms of the ABL Intercreditor Agreement.
- (b) Subject to (but without limiting) the foregoing, at any time prior to the Discharge of Term Obligations, any provision of this Deed requiring Chargors to deliver possession of any Term Priority Collateral (as defined in the ABL Intercreditor Agreement) to the Collateral Agent (or its designees), or to cause the Collateral Agent (or its designees) to control any Term Priority Collateral, shall be deemed to have been complied with if and for so long as the Term Administrative Agent (as defined in the ABL Intercreditor Agreement) shall have

such possession or control for the benefit of the Secured Parties and as bailee or sub-agent of the Collateral Agent as provided in the ABL Intercreditor Agreement.

- (c) Furthermore, at all times prior to the Discharge of Term Obligations, the Collateral Agent is authorised by the parties to this Deed and the Secured Parties to effect transfers of any Term Priority Collateral at any time in its possession (and any “control” or similar agreements with respect to Term Priority Collateral) to the Term Administrative Agent.
- (d) Notwithstanding anything to the contrary herein but subject to the ABL Intercreditor Agreement, in the event the Term Loan Documents (as defined in the ABL Intercreditor Agreement) provide for the grant of a security interest or pledge over the assets of any Chargor and such assets do not otherwise constitute Collateral under this Deed or any other Loan Document, such Chargor shall:
 - (i) promptly grant a security interest in or pledge such assets to secure the Secured Obligations;
 - (ii) promptly take any actions necessary to perfect such security interest or pledge to the extent set forth in the Term Loan Documents; and

 - (i) except to the extent expressly set forth in the ABL Intercreditor Agreement, none of the Chargors are a third party beneficiary of the ABL Intercreditor Agreement, no provision thereof inures to the benefit of the Chargors and no Chargor (or any creditor of any Chargor other than any ABL Claimholder or Term Claimholder (each as defined in the ABL Intercreditor Agreement)) has any rights thereunder or may rely on the terms hereof; and
 - (ii) except to the extent expressly set forth in the foregoing provisions of this clause 1.6, none of the Chargors shall be deemed to be a beneficiary of any limitation on the rights, remedies and privileges available to the Collateral Agent and the other Secured Parties under or in respect of this Deed or any other Collateral Document that is based on a reference to the terms and conditions of the ABL Intercreditor Agreement.
- (f) In furtherance of the foregoing, nothing contained in the ABL Intercreditor Agreement (and, subject to this clause 1.6, no reference in this Deed to the ABL Intercreditor Agreement) shall be deemed to modify any of the provisions of this Deed, which, as among the Chargors and the Collateral Agent shall remain in full force and effect in accordance with its terms (and which, in each case, shall be interpreted disregarding any such limitations).

1.7 Foreign Collateral Documents

If there is any conflict or inconsistency between any provision of this Deed and any other Collateral Document which takes (or purports to take) security over any asset of any Chargor which is situated in, or governed by the laws of, any jurisdiction other than England and Wales, the provisions of such other Collateral Document shall prevail.

1.8 Credit Agreement

This Deed is to be read and construed to the fullest extent possible in a manner consistent with the Credit Agreement. Notwithstanding anything in this Deed to the contrary but subject to clauses 1.5 and 1.6, if there is any conflict, inconsistency or variance between any provision of this Deed and the Credit Agreement (including the definitions of Collateral and Guarantee Requirement and Perfection Requirements therein), the terms of the Credit Agreement shall prevail.

2 Payments of Secured Obligations

Each Chargor covenants with the Collateral Agent and the other Secured Parties that it will on demand pay and discharge the Secured Obligations when due.

- (b) Paragraph 14 of Schedule B1 to the Insolvency Act 1986 will apply to any floating charge created by this Deed.

3.5 Trust

If or to the extent that the mortgaging or charging of any Security Asset is ineffective because of a prohibition on that mortgaging or charging, the relevant Chargor holds it on trust for the Collateral Agent.

3.6 Conversion of floating charge

The Collateral Agent may convert all or part of the floating charge created by a Chargor under clause 3.4 (*Floating charge*) into a fixed charge by giving notice to that effect to the relevant Chargor and specifying the identity of the assets concerned. This may be done on one or more occasion, but only (a) following the occurrence of an Event of Default which is continuing or (b) if the Collateral Agent reasonably considers that its security over the assets concerned is in jeopardy and that it is necessary to do so to protect or preserve its security.

3.7 Excluded Assets

There shall be excluded from the charges created by clause 3.3 (*Fixed charge*) any asset of the Chargor constituting Excluded Assets, provided that if and when any asset shall cease to be an Excluded Asset, such property shall be deemed at all times from and after the date thereof to constitute a Security Asset pursuant to this Deed (unless and to the extent such property thereafter constitutes an Excluded Asset).

4 Set-off

4.1 Set-off of matured Secured Obligations

- (a) A Secured Party may set off any matured Secured Obligations due from a Chargor (to the extent beneficially owned by Secured Party) against any matured obligation owed by that Secured Party to that Chargor, regardless of the place of payment, booking branch or currency of either obligation.
- (b) If the obligations are in different currencies, the Secured Party may convert either obligation at a market rate of exchange in its usual course of trading for the purpose of the set-off.

4.2 Rights additional

These Rights are in addition to the Security conferred on the Collateral Agent and the Secured Parties under this Deed.

5 Restrictions

Except as otherwise permitted under the Loan Documents:

- (a) each Chargor will ensure that the restrictions contained in this clause 5 are complied with unless the Collateral Agent agrees to the contrary;
- (b) no Security will exist over, or in relation to, any Security Asset other than Permitted Liens; and

- (a) If any Chargor acquires any Material Real Estate Asset in England and Wales after the date of this Deed it will, subject to and within the time periods required by the Collateral and Guarantee Requirement and section 5.12(b) (*Covenant to Guarantee Obligations and Provide Security*) of the Credit Agreement:
 - (i) notify the Collateral Agent;
 - (ii) if requested by the Collateral Agent and at the cost of that Chargor, execute and deliver to the Collateral Agent a first charge by way of legal mortgage over that Material Real Estate Asset in favour of the Collateral Agent in any form which the Collateral Agent may reasonably require; and
 - (iii) if required by the Collateral Agent and if the title to that Material Real Estate Asset is registered at the Land Registry or required to be registered, give the Land Registry written notice of such charge.
- (b) Each Chargor agrees to the entry of the following restriction in the proprietorship register of the title to any Material Real Estate Asset in England and Wales which now or in the future is the subject of a charge by way of legal mortgage in favour of the Collateral Agent and which is, or is required to be, registered at the Land Registry:

“No disposition of the registered estate by the proprietor of the registered estate is to be registered without a written consent signed by the proprietor for the time being of the Charge dated [*date of this Deed*] in favour of [•] of [*address for service*] referred to in the Charges Register.”
- (c) Each Chargor will procure the entry of a note of the obligation to make further advances under the terms of the Credit Agreement on the Charges Register of any registered land

forming part of a Material Real Estate Asset over which it has created a charge by way of legal mortgage in favour of the Collateral Agent.

- (d) Each Chargor will deposit with the Collateral Agent all deeds and documents of title and all leases, licences and other ancillary documents received by it or on its behalf in relation to its Material Real Estate Assets.

6.3 Intellectual Property

If requested by the Collateral Agent, each Chargor will promptly at its own expense execute any document and do all assurances, acts and things as the Collateral Agent may require to ensure that the Security created by this Deed are recorded in each register in each jurisdiction in which any Intellectual Property is registered or to be registered, in each case to the extent required by the Collateral and Guarantee Requirement.

6.4 Collection Accounts

Each Chargor will, not later than the applicable Cash Management Requirement Date, or in respect of any Collection Account opened after such date, within 60 days following the opening of such Collection Account (or such longer period as the Collateral Agent may reasonably agree), either:

- (a) serve notice on the bank at which each Collection Account is opened substantially in the form set out in Part I of Schedule 6 (*Forms of Notice to Banks and Acknowledgement*) and procure that the relevant bank returns the acknowledgement substantially in the form set out in Part II of Schedule 6 (*Forms of Notice to Banks and Acknowledgement*) or such other form acceptable to the Collateral Agent in its absolute discretion; or

- (a) serve notice on the bank at which each Operating Account (other than any Excluded Account) is opened, substantially in the form set out in Part I of Schedule 6 (*Forms of Notice to Banks and Acknowledgement*) and procure that the relevant bank returns the acknowledgement substantially in the form set out in Part II of Schedule 6 (*Forms of Notice to Banks and Acknowledgement*) or such other form acceptable to the Collateral Agent in its absolute discretion; or

- (b) amend the articles of association of the Subsidiary concerned in the manner reasonably required by the Collateral Agent (and procure that the Subsidiary concerned takes, or omits to take, all such other steps as the Collateral Agent may require) in order to enable it to enforce its Security without restriction; and
- (c) if reasonably required to do so by the Collateral Agent, when the Security created pursuant to this Deed has become enforceable, procure that the Collateral Agent or its nominee becomes registered as the legal owner of the UK Shares concerned.

6.7 Subsequent Security

If a Secured Party receives notice (actual or otherwise) of any subsequent Security over or affecting all or any of the Security Assets, it will be treated as if it had immediately opened a new account in the name of each Chargor, and all payments received by the relevant Secured Party from that Chargor will be treated as if they had been credited to the new account and will not reduce the amount then due from that Chargor to that Secured Party.

7 Representations

 - (v) make a material change to the use of any of its Material Real Estate Assets.
- (b) Each Chargor will promptly notify the Collateral Agent if:
 - (i) it receives any notice under section 146 of the Act; or

8.2 Intellectual Property

- (a) Except as otherwise permitted under the Loan Documents, each Chargor will use commercially reasonable efforts to cooperate with the Collateral Agent to preserve the existence, accuracy, completeness, operation and availability of its Intellectual Property (and maintain its Rights in connection therewith) in the form and manner used by the relevant Chargor to conduct their business.

- (b) Upon the occurrence and during the continuance of an Event of Default, each Chargor shall, upon request of the Collateral Agent, use its commercially reasonable efforts to obtain all requisite consents or approvals by the licensor of each license of Intellectual Property under which such Chargor is a licensee, in each case, that is included in the Security Assets, to effect the assignment of all such Chargor's right, title and interest thereunder to the Collateral Agent or its designee.

8.3 Investments

- (a) After the occurrence of an Event of Default which is continuing and, other than in the case of an Event of Default under section 7.01(f) (*Involuntary Bankruptcy; Appointment of Receiver, Etc.*) or 7.01(g) (*Voluntary Bankruptcy; Appointment of Receiver, Etc.*) of the Credit Agreement, upon the Collateral Agent's request each Chargor will:
 - (i) promptly pay over to the Collateral Agent all distributions relating to its Investments. Until such time each Chargor will pay all such distributions into a Charged Account; and

- (b) Each Chargor will comply with all conditions and obligations assumed by it in respect of any of its Investments where failure to so comply would in the reasonable opinion of the Collateral Agent adversely affect the interests of the Secured Parties under the Loan Documents.

8.4 General

Each Chargor shall, at its own expense, take any and all commercially reasonable actions necessary to defend title to the Security Assets against all persons, except with respect to the Security Assets that such Chargor determines in its good faith business judgment is no longer necessary or beneficial to the conduct of such Chargor's business as now conducted and as proposed to be conducted, and to defend the Security created by this Deed in the Security Assets and the priority thereof against any Lien that is not a Permitted Lien, subject to the rights of such Chargor under Article 8 (*The Agents*) of the Credit Agreement and section 9.21 (*Release of Loan Parties*) of the Credit Agreement and corresponding provisions of the Collateral Documents to obtain a release of the Liens created under the Collateral Documents.

9 Enforcement

The Security created by a Chargor under this Deed will become enforceable on the occurrence of an Event of Default which is continuing or if a Chargor so requests.

9.2 Powers on enforcement

At any time after the Security created by a Chargor under this Deed has become enforceable, but subject to the ABL Intercreditor Agreement, the Collateral Agent may (without prejudice to any other of its rights and remedies and without notice to any Chargor) do all or any of the following:

- (a) serve notice on any bank at which a Charged Account is open, terminating the Chargor's right to operate such Charged Account;
- (b) exercise all the Rights given to mortgagees or a receiver by the Act, as varied and extended by this Deed, without the restrictions contained in sections 103 or 109(1) of the Act;

- (c) exercise the power of leasing, letting, entering into agreements for leases or lettings or accepting or agreeing to accept surrenders of leases in relation to any Security Asset, but without the restrictions imposed by sections 99 and 100 of the Act;
- (d) to the extent that any Security Asset constitutes Financial Collateral, appropriate it and transfer the title in and to it to the Collateral Agent insofar as not already transferred, subject to paragraphs (1) and (2) of Regulation 18;

- (g) taking any other action it may decide in any jurisdiction other than England.

9.3 Disposal of the Security Assets

In exercising the powers referred to in clause 9.2 (*Powers on enforcement*), the Collateral Agent or any Receiver may, subject to the ABL Intercreditor Agreement, sell or dispose of all or any of the Security Assets at the times, in the manner and order, on the terms and conditions and for the consideration determined by it.

9.4 Application of proceeds

All money received by the Collateral Agent or a Receiver under or in connection with this Deed (whether during, or before, enforcement of any Security) will be applied in the following order of priority, subject to the ABL Intercreditor Agreement and any other Acceptable Intercreditor Agreement then in effect:

- (a) **first**, in or towards payment of all amounts payable to the Security Parties, any Receiver or their Officers under clause 13 (*Expenses, Liability and Indemnity*) and all remuneration due to any Receiver under or in connection with this Deed;
- (b) **secondly**, in or towards payment of the Secured Obligations in such order as is required by the Credit Agreement (and, if any of the Secured Obligations are not then payable, by payment into a suspense account until they become payable); and
- (c) **thirdly**, in payment of any surplus to the Chargor or other person entitled to it.

10 Appointment and Powers of Receiver

10.1 Appointment

A Receiver must be appointed by an instrument in writing, and otherwise in accordance with the Insolvency Legislation. The appointment of a Receiver may be made subject to such limitations as are specified by the Collateral Agent in the appointment. If more than one person is appointed as a Receiver, each person will have power to act independently of any other, except to the extent that the Collateral Agent may specify to the contrary in the appointment. Subject to the Insolvency Legislation, the Collateral Agent may remove or replace any Receiver.

10.2 Powers

A Receiver will have the powers given to him by the Insolvency Legislation, the powers given to a mortgagee or a receiver by Act, but without the restrictions contained in section 103 of the Act and the power to do, or omit to do, on behalf of a Chargor, anything which that Chargor itself could have done, or omitted to do, if its assets were not the subject of Security and that Chargor were not in insolvency proceedings. Except to the extent provided by law, none of the powers described in this clause 10 will be affected by an Insolvency Event in relation to a Chargor.

10.3 Status and remuneration

- (a) A Receiver will be the agent of the relevant Chargor, which will be solely responsible for his acts and defaults and for the payment of his remuneration.
- (b) The Collateral Agent may from time to time determine the remuneration of any Receiver.

10.4 Third parties

A person dealing with the Collateral Agent or with a Receiver is entitled to assume, unless it has actual knowledge to the contrary, that:

- (a) those persons have the power to do those things which they are purporting to do; and
- (b) they are exercising their powers properly.

11 Preservation of Security

11.1 Waiver of defences

Neither the Security created by this Deed nor the obligations of any Chargor under this Deed will be affected by an act, omission, matter or thing which, but for this clause 11.1, would reduce, release or prejudice that Security or any of those obligations under this Deed (whether or not known to it or the Collateral Agent or any other Secured Party) including:

- (a) any time, waiver or consent granted to, or composition with, any Loan Party or other person;
- (b) the release of any other Loan Party or any other person under the terms of any composition or arrangement with any creditor of any Loan Party or any other person;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Loan Party or any other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any Loan Party or any other person;
- (e) any amendment (however fundamental) or replacement of a Loan Document or any other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Loan Document or any other document or security; or
- (g) any insolvency or similar proceedings.

11.2 Immediate recourse

Each Chargor waives any right it may have of first requiring the Collateral Agent to proceed against or enforce any other rights or security or claim payment from any person before enforcing the security constituted by this Deed. This waiver applies irrespective of any law or any provision of a Loan Document to the contrary.

11.3 Appropriations

Until the expiry of the Security Period, the Collateral Agent may:

- (a) refrain from applying or enforcing any other monies, security or rights held or received by the Collateral Agent in respect of the Secured Obligations, or apply and enforce the same in such manner and order as it sees fit (whether against the Secured Obligations or otherwise) and no Chargor will be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any monies received from any Chargor or on account of any Chargor's liability in respect of the Secured Obligations.

11.4 Deferral of Chargors' rights

Until the expiry of the Security Period, and unless the Collateral Agent otherwise directs, no Chargor will exercise any rights which it may have by reason of performance by it of its obligations under the Loan Documents:

- (a) to be indemnified by any other Chargor or any other Loan Party;
- (b) to claim any contribution from any other guarantor of any Chargor's or Loan Party's obligations under the Loan Documents; and/or
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any of the Collateral Agent's rights under the Loan Documents or of any other guarantee or security taken pursuant to, or in connection with, the Loan Documents by the Collateral Agent.

12 Duration of Security; Release of Security

- (a) The obligations of each Chargor under this Deed and the Security created by this Deed will continue until the Termination Date, regardless of any intermediate payment or discharge in whole or in part.
- (b) If any payment by a Chargor or any other security provider or any release given by the Collateral Agent (whether in respect of the Secured Obligations or any security for them or otherwise) is avoided or reduced as a result of an Insolvency Event or any similar event:
 - (i) the liability of such Chargor under this Deed will continue as if the payment, release, avoidance or reduction had not occurred; and
 - (ii) the Collateral Agent will be entitled to recover the value or amount of that security or payment from such Chargor, as if the payment, release, avoidance or reduction had not occurred.
- (c) Section 93 of the Act will not apply to this Deed.
- (d) Notwithstanding any other provision of this Deed:
 - (i) the Security Assets shall be released from time to time from the Security created by this Deed in accordance with article 8 (*The Agents*) of the Credit Agreement and section 9.21 (*Release of Loan Parties*) of the Credit Agreement; and
 - (ii) in connection with any release pursuant to paragraph (d)(i) above, the Collateral Agent shall promptly execute and deliver to the relevant Chargor, at the Company's expense, all documents that such Chargor shall reasonably request to evidence such termination or release; provided that upon the request of the Collateral Agent, the Company shall deliver a certificate of a Responsible Officer certifying that the relevant transaction has been consummated in compliance with the terms of the Credit Agreement. Any execution and delivery of any document pursuant to this clause shall be without recourse to or warranty by the Collateral Agent (other than as to the Collateral Agent's authority to execute and deliver such documents).

13 Expenses, Liability and Indemnity

- (a) Each Chargor will, on demand, pay all legal and other costs and expenses (including any stamp duty, registration or other similar taxes) incurred by a Secured Party or by any Receiver in connection with this Deed in accordance with section 9.03(a) (*Expenses; Indemnity*) of the Credit Agreement. This includes any costs and expenses relating to the enforcement or preservation of the Security Assets or any of their respective Rights under this Deed and any amendment, waiver, consent or release required in connection with this Deed.
- (b) Neither the Secured Parties nor a Receiver nor any of their Officers will be in any way liable or responsible to a Chargor for any loss or liability of any kind arising from any act or omission by it of any kind (whether as mortgagee in possession or otherwise) in relation to the Security Assets or this Deed, except to the extent caused by its own gross negligence or wilful misconduct.
- (c) Subject to and in accordance with section 9.03(a) (*Expenses; Indemnity*) of the Credit Agreement, each Chargor will, on demand, indemnify each of the Secured Parties, a Receiver and their respective Officers in respect of all costs, expenses, losses or liabilities of any kind which it incurs or suffers in connection with:
 - (i) anything done or omitted in the exercise of the powers conferred on it by this Deed, unless it was caused by its gross negligence or wilful misconduct;
 - (ii) a claim of any kind (whether relating to the environment or otherwise) made against it which would not have arisen if the Security created by this Deed had not been granted and which was not caused by its gross negligence or wilful misconduct; or
 - (iii) any breach by the Chargor of the Loan Documents.
- (d) The Secured Parties, any Receiver and their respective Officers will be entitled to be indemnified out of the Security Assets in respect of the actions, proceedings, demands, claims, costs, expenses and liabilities referred to in clause 13 (*Expenses, Indemnity and Liability*) subject to and in accordance with section 9.03(a) (*Expenses; Indemnity*) of the Credit Agreement.

14 Power of Attorney

- (a) Each Chargor, by way of security, irrevocably appoints each of the Collateral Agent and any Receiver severally to be its attorney in the relevant Chargor's name, on its behalf and in such manner as the attorney may in its or his absolute discretion think fit following the occurrence of an Event of Default which is continuing or following the failure by the relevant Chargor to comply within 20 Business Days of receiving a request from the Collateral Agent in accordance with the terms of this Deed to do anything:
 - (i) which the Chargor is obliged to do under the Loan Documents; or
 - (ii) which the attorney may require to exercise any of the Rights conferred on it by the this Deed or by law.
- (b) Each Chargor agrees, on the request of the Collateral Agent or any Receiver, to ratify and confirm all such action taken.

15 Remedies

- (a) The Rights created by this Deed are in addition to any other Rights of the Secured Parties against the Chargors or any other security provider under any other documentation, the

general law or otherwise. They will not merge with or limit those other Rights, and are not limited by them.

- (b) No failure by a Secured Party to exercise any Right under this Deed will operate as a waiver of that Right. Nor will a single or partial exercise of a Right by a Secured Party preclude its further exercise.
- (c) If, at any time, any provision of this Deed is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of that provision in any other respect or under the law of any other jurisdiction will be affected or impaired in any way.

16 Notices

Any communications to be made under or in connection with this Deed will be made in accordance with section 9.01 (*Notices*) of the Credit Agreement.

17 Payments

17.1 Currency indemnity

No payment by any Chargor (whether under a court order or otherwise) will discharge the obligations of such Chargor unless and until the Secured Party has received payment in full in the currency in which the obligation is denominated. If, on conversion into that currency, the amount of the payment falls short of the amount of the obligation concerned, the Secured Party will have a separate cause of action against that Chargor for the shortfall.

17.2 Certificates and determinations

Any certification or determination by the Collateral Agent of an amount payable by a Chargor under this Deed is, in the absence of manifest error, conclusive evidence of that amount.

18 Miscellaneous

18.1 Accession of Affiliates

- (a) To the extent that any Affiliate of the Company is required by the terms of the Loan Documents to provide Security over its assets under English law, it may do so by executing a Deed of Accession and such Affiliate will on the date which such Deed of Accession is executed by it become a party to this Deed in the capacity of a Chargor and this Deed will be read and construed for all purposes as if such company had been an original party to this Deed as a Chargor (but for the avoidance of doubt the security created by such company will be created on the date of the Deed of Accession).
- (b) Each Chargor (other than the Company) by its execution of this Deed or any Deed of Accession, irrevocably appoints the Company to execute on its behalf any Deed of Accession without further reference to or the consent of such Chargor and such Chargor will be bound by any such Deed of Accession as if it had itself executed such Deed of Accession.

18.2 Operating Accounts

At any time before the Security created by this Deed has become enforceable, in the absence of any directions from the Collateral Agent to the contrary, any amount permitted by the terms of the Loan Documents to be paid into an Operating Account will on payment into such account stand released from the fixed charge created by clause 3.3 (*Fixed charge*) and will stand subject to the

floating charge created by clause 3.4(a) (*Floating charge*), provided that such release will in no respect prejudice the continuance of any fixed charge created by clause 3.3 (*Fixed charge*) in respect of any other amount.

19 Governing Law and Jurisdiction

19.1 Governing Law

This Deed and any non-contractual obligations arising out of or in connection with it are governed by English law.

19.2 Jurisdiction

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute regarding the existence, validity or termination of this Deed) (a **Dispute**).
- (b) The parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.
- (c) This clause 19.2 (*Jurisdiction*) is for the benefit of the Secured Parties only. As a result, no Secured Party will be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, a Secured Party may take concurrent proceedings in any number of jurisdictions.

This Deed has been executed as a deed, and it has been delivered on the date stated at the beginning of this Deed.
