### **DIRECTORS' REPORT FOR THE PERIOD ENDED 31 DECEMBER 2023**

---

#### **INTRODUCTION**

The directors present their annual report and the audited financial statements of SMT GP Limited (the "Company"). The Company was incorporated on 13 July 2022, and these financial statements are for the period from incorporation to 31 December 2023.

#### **BUSINESS REVIEW**

The principal activity of the Company during the period was to act as the general partner of South Molton LP.

The Company is in a net liabilities position of £10,900. It has net current liabilities of £11,000 for the period ended 31 December 2023.

#### **GOING CONCERN**

As noted above, the entity is in a net current liability and net liability position as at 31 December 2023.

The intermediate holding company, Grosvenor Limited, has provided the directors of the Company with a letter of support. This confirms that Grosvenor Limited intends to support the Company for a minimum of 12 months from the date of signing the financial statements, provided that the Company remains a subsidiary of Grosvenor Limited. Grosvenor Limited intends to enable it to meet its liabilities as they fall due.

A Group level assessment of the Group's cash flow forecast for the period ending 31 December 2025.

The Company, as part of the wider Grosvenor Group is continuing to monitor the ongoing volatility in the macroeconomic climate. This uncertainty is contributed to by volatility in the financial markets, particularly related to interest rates, the cost of living crisis, and the residual effects of the conflict in Ukraine and the global pandemic. Through continual monitoring, the Group ensures that as a whole it can withstand significant economic shock.

The Directors have considered the going concern assumption for the Group in light of these developments and considered the possible impact, for example on income and availability of funding, on the Group's cash flow forecasts for the period ending 31 December 2025. On the basis of the Company's continued forecast liquidity and ongoing support for the Company, the Directors have a reasonable expectation that the Company has adequate resources for a minimum of 12 months from the date of signing the accounts. As such the Directors consider it appropriate to prepare the accounts on a going concern basis.

#### **RESULTS AND DIVIDENDS**

The loss for the period, after taxation, amounted to £8,415.

The directors have not recommended payment of a dividend in the period.

#### **DIRECTORS**

The directors who served during the period were:

A M Bright (appointed 19 December 2022)  
R Dickie (appointed 19 December 2022)  
T Imamura (appointed 22 September 2022)  
R Kemlo (appointed 22 September 2022)  
C J Jukes (appointed 13 July 2022, resigned 19 December 2022)  
P M Townley (appointed 13 July 2022, resigned 19 December 2022)

**DIRECTORS' REPORT (CONTINUED)  
FOR THE PERIOD ENDED 31 DECEMBER 2023**

---

**FUTURE DEVELOPMENTS**

No significant changes in the Company's strategy or operations are planned.

**PROVISION OF INFORMATION TO AUDITOR**

Each of the persons who are directors at the time when this Directors' Report is approved has confirmed that:

- so far as the director is aware, there is no relevant audit information of which the Company's auditors are unaware; and
- the director has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions s418 of the Companies Act 2006.

**POST BALANCE SHEET EVENTS**

There have been no significant events affecting the Company since the period ended 31 December 2023.

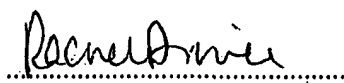

**AUDITOR**

The Auditor, Deloitte LLP, has indicated its willingness to be reappointed for another term and is deemed to be reappointed accordingly.

**SMALL COMPANIES NOTE**

In preparing this report, the directors have taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006. The directors have taken the small companies exemption contained in section 414b of the Companies Act 2006 from the requirement to prepare a directors report.

This report was approved by the board and signed on its behalf.

**DIRECTORS' RESPONSIBILITIES STATEMENT  
FOR THE PERIOD ENDED 31 DECEMBER 2023**

---

The directors are responsible for preparing the Directors' Report and the audited financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 'Reduced Disclosure Framework'. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SMT GP LIMITED**

---

#### **REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS**

##### **OPINION**

In our opinion the financial statements of SMT GP Limited (the 'Company'):

- give a true and fair view of the state of the Company's affairs as at 31 December 2023 and of its loss for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 101 "Reduced Disclosure Framework"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements which comprise:

- the income statement;
- the balance sheet;
- the statement of changes in equity; and
- the related notes 1 to 11.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 101 "Reduced Disclosure Framework" (United Kingdom Generally Accepted Accounting Practice).

##### **BASIS FOR OPINION**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report.

We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's (the 'FRC's') Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### **CONCLUSIONS RELATING TO GOING CONCERN**

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

### **INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SMT GP LIMITED**

---

#### **OTHER INFORMATION**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### **RESPONSIBILITIES OF DIRECTORS**

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

#### **AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

#### **EXTENT TO WHICH THE AUDIT WAS CONSIDERED CAPABLE OF DETECTING IRREGULARITIES, INCLUDING FRAUD**

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

---

## **SMT GP LIMITED**

---

### **INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SMT GP LIMITED**

---

We considered the nature of the company's industry and its control environment, and reviewed the company's documentation of their policies and procedures relating to fraud and compliance with laws and regulations. We also enquired of management and the directors about their own identification and assessment of the risks of irregularities, including those that are specific to the company's business sector.

We obtained an understanding of the legal and regulatory frameworks that the company operates in, and identified the key laws and regulations that:

- had a direct effect on the determination of material amounts and disclosures in the financial statements. These included the UK Companies Act and tax legislation; and
- do not have a direct effect on the financial statements but compliance with which may be fundamental to the group's ability to operate or to avoid a material penalty.

We discussed among the audit engagement team including relevant internal specialists such as tax, IT, and industry specialists regarding the opportunities and incentives that may exist within the organisation for fraud and how and where fraud might occur in the financial statements.

In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override. In addressing the risk of fraud through management override of controls, we tested the appropriateness of journal entries and other adjustments; assessed whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluated the business rationale of any significant transactions that are unusual or outside the normal course of business.

In addition to the above, our procedures to respond to the risks identified included the following:

- reviewing financial statement disclosures by testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- enquiring of management and external legal counsel concerning actual and potential litigation and claims, and instances of non-compliance with laws and regulations; and
- reading minutes of meetings of those charged with governance and reviewing internal audit reports.

#### **REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS**

##### **OPINIONS ON OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial period for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the directors' report.

##### **MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION**

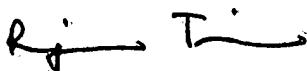

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.
- the directors were not entitled to take advantage of the small companies' exemption in preparing the directors' report.

We have nothing to report in respect of these matters.

##### **USE OF OUR REPORT**

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### **NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 DECEMBER 2023**

---

#### **1. GENERAL INFORMATION**

SMT GP Limited (the 'Company') is a private company limited by shares incorporated in the United Kingdom under the Companies Act 2006 and is registered in England and Wales. The address of the Company's registered office is 70 Grosvenor Street, London, W1K 3JP.

The principal activity of the Company during the period act as the general partner of South Molton LP. The financial statements are for the long period of accounts from 13 July 2022 to 31 December 2023.

The financial statements have been presented in Pound Sterling as this is the currency of the primary economic environment in which the Company operates and is rounded to the nearest thousand pounds.

#### **2. ACCOUNTING POLICIES**

##### **2.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS**

The Company meets the definition of a qualifying entity under FRS 100 'Application of Financial Reporting Requirements' issued by the FRC. Accordingly, these financial statements were prepared in accordance with Finance Reporting Standard 101 'Reduced Disclosure Framework and the Companies Act 2006.

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 101 'Reduced Disclosure Framework' and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the Company's accounting policies (see note 3).

The following principal accounting policies have been applied;

## **2. ACCOUNTING POLICIES (CONTINUED)**

### **2.3 GOING CONCERN**

As noted above, the entity is in a net current liability and net liability position as at 31 December 2023.

The intermediate holding company, Grosvenor Limited, has provided the directors of the Company with a letter of support. This confirms that Grosvenor Limited intends to support the Company for a minimum of 12 months from the date of signing the financial statements, provided that the Company remains a subsidiary of Grosvenor Limited. Grosvenor Limited intends to enable it to meet its liabilities as they fall due.

A Group level assessment of the Group's cash flow forecast for the period ending 31 December 2025.

The Company, as part of the wider Grosvenor Group is continuing to monitor the ongoing volatility in the macroeconomic climate. This uncertainty is contributed to by volatility in the financial markets, particularly related to interest rates, the cost of living crisis, and the residual effects of the conflict in Ukraine and the global pandemic. Through continual monitoring, the Group ensures that as a whole it can withstand significant economic shock.

The Directors have considered the going concern assumption for the Group in light of these developments and considered the possible impact, for example on income and availability of funding, on the Group's cash flow forecasts for the period ending 31 December 2025. On the basis of the Company's continued forecast liquidity and ongoing support for the Company, the Directors have a reasonable expectation that the Company has adequate resources for a minimum of 12 months from the date of signing the accounts. As such the Directors consider it appropriate to prepare the accounts on a going concern basis.

### **2.4 TAXATION**

Tax is recognised in profit or loss except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the balance sheet date in the countries where the Company operates and generates income.

### **2.5 VALUATION OF INVESTMENTS**

Investments held as fixed assets, including subsidiaries, Joint Ventures and Associates are stated at cost less provision for impairment.

### **NEW STANDARDS, AMENDMENTS, IFRIC INTERPRETATIONS AND NEW RELEVANT**

### **2.6 DISCLOSURE REQUIREMENTS**

There are no amendments to accounting standards, or IFRIC interpretations that are effective for the period ended 31 December 2023 that have a material impact on the Company's financial statements.

### **NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 DECEMBER 2023**

---

## **2. ACCOUNTING POLICIES (CONTINUED)**

### **2.7 DEBTORS**

Trade receivables, loans, contract assets and other receivables are measured at amortised cost using the effective interest method, less any impairment. Interest income is recognised by applying the effective interest rate, except for short-term receivables when the recognition of interest would be immaterial.

Financial assets are assessed for indicators of impairment at each balance sheet date.

The Company assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables, the Company applied the simplified approach permitted by IFRS 9, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

### **2.8 CREDITORS**

Creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers.

Creditors are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

### **2.9 FINANCIAL INSTRUMENTS**

The Company recognises financial instruments when it becomes a party to the contractual arrangements of the instrument. Financial instruments are de-recognised when they are discharged or when the contractual terms expire. The Company's accounting policies in respect of financial instruments transactions are explained below:

#### **Financial assets**

The Company classifies all of its financial assets as loans and receivables.

#### **Loans and receivables**

Loans and receivables are non derivative financial assets with fixed or determinable payments that are not quoted in an active market. They arise principally through the provision of goods and services to customers (e.g. trade debtors), but also incorporate other types of contractual monetary asset. They are initially recognised at fair value plus transaction costs that are directly attributable to their acquisition or issue, and are subsequently carried at amortised cost using the effective interest rate method, less provision for impairment.

The Company assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade debtors, lease receivables and contract assets, the Company applies the simplified approach, permitted by IFRS 9, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Impairment provisions will be measured using the expected credit loss model which requires the Company to account for expected credit losses and changes in those expected credit losses at each reporting date to reflect changes in credit risk since initial recognition of the financial assets. It is no longer necessary for a credit event to have occurred before credit losses are recognised. The

**2.9 FINANCIAL INSTRUMENTS (continued)**

Company has elected to measure loss allowances for trade debtors and contract assets at an amount equal to lifetime expected credit losses under the simplified approach as these items do not have significant financing component.

**Financial liabilities**

The Company classifies all of its financial liabilities as liabilities at amortised cost.

**At amortised cost**

Financial liabilities at amortised cost including bank borrowings are initially recognised at fair value net of any transaction costs directly attributable to the issue of the instrument. Such interest bearing liabilities are subsequently measured at amortised cost using the effective interest rate method, which ensures that any interest expense over the period to repayment is at a constant rate on the balance of the liability carried into the Balance Sheet.

#### **3. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY**

In the application of the Company's accounting policies, which are described in note 2, the directors are required to make judgements (other than those involving estimations) that have a significant impact on the amounts recognised and to make estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may be different from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

##### **3.1 Critical accounting judgements in applying the Company's accounting policies**

In the opinion of the director, there have not been any significant judgements made.

##### **3.2 Key sources of estimation uncertainty**

The key assumptions concerning the future, and other key sources of estimation uncertainty at the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are discussed below:

###### **(i) Amounts owed by joint ventures and associated undertakings**

Amounts owed by joint ventures and associated undertakings are measured at amortised cost using the effective interest method, less any impairment. The Company assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost. This assessment is derived using various assumptions about the future profitability of the associated undertaking including estimates of sales values, programme timings and costs. Due to the size of loans receivable small changes to these estimates used can have a significant impact on any impairment and therefore a significant impact on the results and financial position of the Company.
