NOTES TO THE FINANCIAL STATEMENTS (Unaudited)

1. Principal accounting policies

(a) Basis of presentation

The financial statements have been prepared in accordance with UK Generally Accepted Accounting Practice and the Companies Act 2006 The financial statements have been prepared under the historical cost convention

The principal accounting policies, set out below have been applied consistently throughout the current and preceding year

The financial statements have been prepared in US Dollars which is the functional currency of the Group, and any reference to \$ in these financial statements refers to US Dollars

As permitted by FRS 1, 'Cash Flow Statements', the Group has not prepared a cash flow statement. The Group's results are consolidated in the financial statements of its ultimate parent company. Citigroup Inc., which are made available to the public annually

Under the subsidiary undertakings exemption of FRS 8, 'Related Party Disclosures', the Group is not required to disclose all transactions with other group companies and investees of the Group qualifying as related parties

(b) Basis of consolidation

The consolidated financial statements include the financial statements of the Company and its subsidiary undertakings to 31 December 2013 unless otherwise stated. The acquisition method of accounting has been adopted. Under this method the results of subsidiary undertakings acquired or disposed in the year are included in the consolidated profit and loss account from the date of acquisition or up to the date of disposal.

No profit and loss account is presented for the Company, as permitted by Section 408 of the Companies Act 2006

(c) Financial instruments

Loans and receivables

Loans and accounts receivables are initially recognised at fair value including direct and incremental transaction costs and subsequently measured at amortised cost using the effective interest rate method. Liabilities are measured at amortised cost using the effective interest rate method.

Determination of fair value

Where the classification of a financial instrument requires it to be stated at fair value, this is determined by reference to the quoted market value in an active market

(d) Fixed asset investments

Fixed asset investments, including subsidiary undertakings and associates, are stated in the Company's balance sheet at cost less any write down for diminution in value regarded as permanent

(e) Taxation

Corporation tax is provided on taxable profits/losses at the current tax rate

Full provision is made for deferred tax assets and liabilities arising from timing differences between the recognition of gains and losses in the financial statements and their treatment for tax purposes on an undiscounted basis Deferred tax assets are recognised to the extent that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing difference can be deducted

9. Financial instruments and risks

The Group holds financial instruments for operational purposes. The financial instruments held for trading are held as part of portfolios which are maintained and monitored by instrument or risk type.

The Group's approach to risk management is described below

Operational risk

The operational risks of the Group are subject to periodic reviews by Citi Internal Audit and Risk and control self-assessment reviews conducted by management

Credit risk

The Group is exposed to credit risk to the extent that counterparties to financial instruments fail to discharge their obligations and the Group incurs a financial loss. The Group monitors and limits its exposure to credit risk through the application of Citi policies and procedures in relation to credit.

Market Risk

The tables on the following page show the earlier of contractual re-pricing and maturity terms for each category of financial asset and liability. Positions may not be reflective of those in subsequent periods. In addition, significant variation in interest rate sensitivity may exist within the re-pricing periods presented and among the currencies in which the Group has interest rate positions.
