## Directors' report

The directors present their annual report and financial statements for the Company for the year ended 31 December 2008.

#### **Directors**

The current directors and those in office during the year are as follows:

Aviva Company Secretarial Services Limited T W Harris A J Moss

#### **Principal Activities**

The Company previously carried on the business of an investment holding company but, following the transfer of all its trading subsidiaries to a fellow Aviva group subsidiary in 2002 and the liquidation of its only remaining subsidiary in 2003, it is no longer trading. The directors are considering the future of the Company.

In February 2009, a court case was settled in the Company's favour in relation to disputed tax provisions. This has resulted in the release of tax and interest provisions of £33,834,487 which have been credited to the income statement.

#### Parent undertaking

The Company is a wholly-owned subsidiary of Aviva Overseas Holdings Limited. The ultimate parent undertaking is Aviva plc.

#### Going Concern

The Company's business activities, together with the factors likely to affect its future development, performance and position are set out in this report. In addition the financial statements include notes on its capital structure (see note 5).

The Company and its ultimate holding company, Aviva plc, have considerable financial resources. As a consequence, the directors believe that the Company is well placed to manage its business risks successfully despite the current uncertain economic outlook. After making enquiries, the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

#### **Financial Position and Performance**

The financial position of the Company at 31 December 2008 is shown in the balance sheet on page 6 and the results shown in the income statement on page 7.

The profit for the year is shown on page 7. The profit arose as a result of the release of the tax provision and accrued interest upon the settlement of the court case relating to the tax assessment of the Company by the Australian Tax Office.

#### Dividend

The directors do not recommend the payment of any dividend for the year (2007: £Nil).

## Directors' report (continued)

#### Auditors

Ernst & Young Accountants have expressed their willingness to continue in office as auditors and a resolution will be submitted at the Annual General Meeting to re-appoint them as auditor and to authorise the directors to fix their remuneration.

### Notes to the financial statements (continued)

#### 5. Share Capital (continued)

The Australian and New Zealand convertible redeemable preference shares can be redeemed based upon a proposal from the Board of Directors, which should be approved by the shareholders in General Meeting. The amounts which are then repayable to the holders of those shares have preference over any liabilities due to holders of ordinary shares. The convertible redeemable preference shares can, under certain conditions, be converted into ordinary shares, following approval by the shareholders in General Meeting.

The movement in paid up capital can be summarised as follows:

	2008 £	2007 £
Opening balance Foreign exchange rate movements (see below)	33,871,631 10,715,264	31,071,436 2,800,195
Closing balance	44,586,895	33,871,631

The paid up capital balance has been retranslated at the balance sheet date using the euro/sterling exchange rate at that date of 1.0343 (2007: 1.3615). The adverse movement in the year of £10,715,264 (2007: £2,800,195) has been taken to the translation reserve (see note 7).

#### 6. Legal reserve

In 2001, the Company changed the par value of the shares from 100 Dutch guilders (euro 45.37802) to euro 45. The difference arising is treated as a non-distributable component of shareholders' equity.

#### 7. Translation reserve

	2008 £	2007 £_
Opening balance Foreign exchange movement on paid up capital (See note 6)	(6,750,777) (10,715,264)	(3,950,582) (2,800,195)
Closing balance	(17,466,041)	(6,750,777)

The translation reserve arises on the translation of the share capital from euro to sterling (see note 5) and is a distributable component of shareholders' equity.

#### Management's responsibility

Management of the company is responsible for the preparation and fair presentation of the financial statements and for the preparation of the directors' report, both in accordance with Part 9 of Book 2 of the Netherlands Civil Code. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

#### Auditor's responsibility

Our responsibility is to express an opinion on the financial statements based on our audit. We conducted our audit in accordance with Dutch law. This law requires that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements give a true and fair view of the financial position of Undershaft (No.2) B.V. as at 31 December 2008, and of its result for the year then ended in accordance with Part 9 of Book 2 of the Netherlands Civil Code.
