# **GUS Finance Ireland Unlimited Company**

## **Directors' report for the year ended 31 March 2023**

The directors present their report and the audited financial statements for the year ended 31 March 2023. The Company's registered number is 275494. The Company's principal place of business is its United Kingdom establishment office at The Sir John Peace Building, Experian Way, NG2 Business Park, Nottingham, NG80 1ZZ, England.

### **Principal activities and business model**

The Company is a wholly-owned subsidiary of Experian plc and its principal activity is to act as an intermediate holding company for a fellow subsidiary undertaking of Experian plc.

An overview of the Experian Group's business model, strategy and strategic objectives, can be found on pages 22 to 35 of the Experian Annual Report for the year ended 31 March 2023 (the 'Experian Annual Report 2023'), which does not form part of this report.

### **Review of business and future developments**

The Company has continued to perform its principal activity, to act as an intermediate holding company, in line with the expectations of its directors who anticipate that the Company will continue this activity.

### **Going Concern**

The Company's financial statements have been prepared on the going concern basis. In adopting the going concern basis for preparing these financial statements, the directors have considered the business activities, the principal risks and uncertainties and the other matters that could threaten the long-term financial stability of the Company. As the Company is a holding company, its own principal risks and uncertainties are only indirectly related to the risks facing the wider Experian Group.

The directors believe that the Company is well placed to manage its financing and other business risks satisfactorily, and have a reasonable expectation that the Company will have adequate resources to continue in operational existence. The directors therefore consider it appropriate to adopt the going concern basis of accounting in preparing the financial statements.

### **Results and dividends**

The profit for the financial year was US\$15,000 (2022:US\$nil). The directors consider the year-end financial position to be satisfactory. The directors do not propose the payment of a dividend (2022: US\$nil).

### **Principal risks and uncertainties**

The principal operational risks and uncertainties facing the wider Experian Group, together with the main means by which they are managed or mitigated, are set out on pages 78 to 85 of the Experian Annual Report 2023.

As the Company is an intermediate holding company, its own principal risks and uncertainties are only indirectly related to such risks but are more directly related to the treasury, currency and other risks that are identified and discussed in pages 177 and 178 of that annual report. Such risks are managed on a group basis.

### **Key performance indicators**

As the relevant risks of the Company are managed on a group or divisional basis, the directors believe that analysis using key performance indicators for the Company is not necessary or appropriate for an understanding of its development, performance or position. Information on the Experian Group's key performance indicators is given on pages 20 and 21 of the Experian Annual Report 2023.

### **Research and development**

The Company is not currently undertaking any research and development activities.

### **Financial risk management**

The directors monitor the risks and uncertainties facing the Company with reference to exposures to price, credit, liquidity, cash flow, interest rate and foreign exchange risks. They are confident that there are suitable policies in place and that all material risks are appropriately considered.

### **Events occurring after the end of the reporting period**

No events of a material nature have occurred since the year-end.

# **GUS Finance Ireland Unlimited Company**

## **Directors' report for the year ended 31 March 2023 (continued)**

### **Directors and Company Secretary**

The directors holding office during the year and up to the date of signing this report were:

P A Atkinson (resigned 30 June 2022)

A J W Barnes (passed away 27 October 2023)

K J Greenwood

L A Keogh (appointed 21 September 2022)

D T Lilley

M E Pepper

The company secretary at the date of signing this report is D T Lilley.

### **Directors' and secretary's interests**

In accordance with Section 260(f)(i) of the Companies Act 2014, shares representing 1% or less of the ultimate holding company's issued share capital constitute non-disclosable interests.

The directors and secretary had no other interests in the shares of the Company or any other group company at 31 March 2023.

There have been no contracts or arrangements during the period in which a director of the Company was materially interested and which were significant to the Company's business.

### **Accounting records**

The measures taken by the directors to secure compliance with the Company's obligation to keep adequate accounting records are the use of appropriate systems and procedures and employment of competent persons.

### **Insurance and third-party indemnification**

During the year and up to the date of signing of this report the Company, through its parent group, maintained liability insurance and third-party indemnification provisions for its directors and the company secretary.

### **Statement of disclosure of information to auditor**

As at the date this report was signed, so far as each director is aware, there is no relevant audit information of which the auditor is unaware and each director has taken all steps that he or she ought to have taken as a director in order to make himself or herself aware of any relevant audit information and to establish that the auditor is aware of that information.

### **Auditor**

In accordance with Section 383 of the Companies Act 2014, the auditor will be deemed to be reappointed and KPMG, Chartered Accountants will therefore continue in office.

By order of the Board

## GUS Finance Ireland Unlimited Company

### Statement of directors' responsibilities in respect of the directors' report and the financial statements

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with FRS 101 *Reduced Disclosure Framework*. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the Company and of its profit or loss for that year. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the assets, liabilities, financial position and profit or loss of the Company and enable them to ensure that the financial statements comply with the Companies Act 2014. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities. The directors are also responsible for preparing a directors' report that complies with the requirements of the Companies Act 2014.

## **Independent auditor's report to the members of GUS Finance Ireland Unlimited Company**

### **Report on the audit of the financial statements**

#### **Opinion**

We have audited the financial statements of GUS Finance Ireland Unlimited Company ('the Company') for the year ended March 31, 2023 set out on pages 7 to 14, which comprise the Profit and Loss Account, the Statement of Comprehensive Income, the Balance Sheet, the Statement of Changes in Equity and related notes, including the summary of significant accounting policies set out in note 3. The financial reporting framework that has been applied in their preparation is Irish Law and FRS 101 Reduced Disclosure Framework issued in the United Kingdom by the Financial Reporting Council.

In our opinion:

- the financial statements give a true and fair view of the assets, liabilities and financial position of the Company as at March 31, 2023 and of its profit for the year then ended;
- the financial statements have been properly prepared in accordance with FRS 101 *Reduced Disclosure Framework*; and
- the financial statements have been properly prepared in accordance with the requirements of the Companies Act 2014.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue. Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

#### **Other information**

The directors are responsible for the other information presented in the Annual Report together with the financial statements. The other information comprises the information included in the directors' report. The financial statements and our auditor's report thereon do not comprise part of the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except as explicitly stated below, any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work we have not identified material misstatements in the other information.

Based solely on our work on the other information undertaken during the course of the audit, we report that:

- we have not identified material misstatements in the directors' report;
- in our opinion, the information given in the directors' report is consistent with the financial statements; and
- in our opinion, the directors' report has been prepared in accordance with the Companies Act 2014.

## **Independent auditor's report to the members of GUS Finance Ireland Unlimited Company (continued)**

**Our opinions on other matters prescribed by the Companies Act 2014 are unmodified**

We have obtained all the information and explanations which we consider necessary for the purposes of our audit.

In our opinion the accounting records of the Company were sufficient to permit the financial statements to be readily and properly audited and the financial statements are in agreement with the accounting records.

### **Matters on which we are required to report by exception**

The Companies Act 2014 requires us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions required by Sections 305 to 312 of the Act are not made. We have nothing to report in this regard.

### **Respective responsibilities and restrictions on use**

#### **Responsibilities of directors for the financial statements**

As explained more fully in the directors' responsibilities statement set out on page 4, the directors are responsible for: the preparation of the financial statements including being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A fuller description of our responsibilities is provided on IAASA's website at <https://iaasa.ie/publications/description-of-the-auditors-responsibilities-for-the-audit-of-the-financial-statements/>.

#### **The purpose of our audit work and to whom we owe our responsibilities**

Our report is made solely to the Company's members, as a body, in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

# GUS Finance Ireland Unlimited Company

## Notes to the financial statements for the year ended 31 March 2023

### 1. Corporate information

The Company is a private unlimited company incorporated in Ireland and domiciled in England and Wales. Its United Kingdom establishment office is at The Sir John Peace Building, Experian Way, NG2 Business Park, Nottingham, NG80 1ZZ, England, and its England and Wales registered number is FC024285.

Its registered office is at 2 Cumberland Place, Fenian Street, Dublin 2, D02 HY05, Ireland, and its registered number is 275494.

The Company's principal activity is to act as an intermediate holding company for a fellow subsidiary undertaking of Experian plc.

### 2. Basis of preparation

These entity financial statements have been prepared on the going concern basis and in accordance with Financial Reporting Standard ('FRS') 101 'Reduced disclosure framework' ('FRS 101') and the Companies Act 2014. The entity financial statements have been prepared under the historical cost convention.

The Company is exempt by virtue of Section 300 of the Companies Act 2014 from the requirement to prepare group financial statements. These financial statements present information about the Company as an individual undertaking and not about its group.

#### *Going concern*

In adopting the going concern basis for preparing these financial statements, the directors have considered the business activities, the principal risks and uncertainties and the other matters that could threaten the long-term financial stability of the Company. The directors believe that the Company is well placed to manage its financing and other business risks satisfactorily and have a reasonable expectation that the Company will have adequate resources, including the ongoing availability of funds under the Group's cash pooling arrangements, to continue in operational existence for at least 12 months from the date of signing these financial statements. The directors therefore consider it appropriate to adopt the going concern basis of accounting in preparing the Company financial statements.

#### *Financial Reporting Standard ('FRS') 101 'Reduced disclosure framework' ('FRS 101')*

The directors opted to prepare these financial statements in accordance with FRS 101. The Company intends to continue to use this accounting framework until further notice.

FRS 101 allows certain exemptions from the requirements of International Financial Reporting Standards ('IFRS') to avoid the duplication of information provided in the Group financial statements and to provide more concise financial reporting in entity financial statements. The following exemptions have therefore been applied in the preparation of these financial statements:

- IFRS 7 'Financial Instruments: Disclosures'.
- Paragraphs 91 to 99 of IFRS 13 'Fair Value Measurement', so exempting the Company from disclosing valuation techniques and inputs used for the measurement of assets and liabilities.
- The following paragraphs of IAS 1 'Presentation of Financial Statements':
  - paragraphs 10(d) and 111, so exempting the Company from providing a cash flow statement and information;
  - paragraph 16, so exempting the Company from providing a statement of compliance with all IFRS;
  - paragraph 38A, so exempting the requirement for a minimum of two of each primary statement and the related notes;
  - paragraphs 38B to D, so exempting the Company from the requirement to provide additional comparative information; and
  - paragraphs 134 to 136, so exempting the Company from presenting capital management disclosures.

# **GUS Finance Ireland Unlimited Company**

## **Notes to the financial statements for the year ended 31 March 2023 (continued)**

### **2. Basis of preparation (continued)**

#### ***Financial Reporting Standard ('FRS') 101 'Reduced disclosure framework' ('FRS 101') (continued)***

- Paragraph 38 of IAS 1 'Presentation of Financial Statements', so exempting the Company from disclosing comparative information required by:
  - paragraph 79(a)(iv) of IAS 1 – shares outstanding at the beginning and at the end of the period;
- IAS 7 'Statement of Cash Flows'.
- Paragraphs 30 and 31 of IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors', so exempting the Company from disclosing information where it has not applied a new IFRS which has been issued but is not yet effective.
- Paragraph 17 of IAS 24 'Related Party Disclosures', so exempting the Company from providing key management compensation.
- The requirements in IAS 24 'Related Party Disclosures' to disclose related party transactions with wholly-owned members of the Group.

#### ***Estimates and judgments***

The use of critical accounting estimates and management judgment is required in applying the accounting policies. Areas involving a higher degree of judgment or complexity, or where assumptions and estimates are significant to the Company financial statements, are disclosed in note 4.

### **3. Significant accounting policies**

The principal accounting policies are set out below and they have been applied consistently to both financial years presented, unless otherwise stated.

There are no new standards, amendments to existing standards or interpretations that are effective for the year ended 31 March 2023 that have had a material impact on the Company's financial statements. Content from accounting standards, amendments and interpretations is excluded where there is no policy choice under FRS 101.

#### **Reporting currency**

The financial statements are presented in US dollars, the Company's functional currency.

#### **Foreign currency translation**

Transactions in foreign currencies are recorded at the rates prevailing at the transaction date. Monetary assets and liabilities denominated in foreign currencies are retranslated at the rates prevailing at the balance sheet date. All differences are taken to the profit and loss account in the year in which they arise.

#### **Investments – shares in group undertakings**

Investments in group undertakings are stated at cost less any provisions for impairment. The Company follows IAS 36 'Impairment of Assets' and investments in group undertakings are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable.

#### **Debtors and creditors**

Debtors are initially recognised at fair value and subsequently measured at this value less loss allowances. Where the time value of money is material, they are then carried at amortised cost using the effective interest method, less loss allowances. A loss allowance is established under the lifetime expected credit loss approach when there is objective evidence that the Company will not be able to collect all amounts due according to their original terms. Creditors are initially recognised at fair value. Where the time value of money is material, they are then carried at amortised cost using the effective interest method.

#### **Tax**

Current tax is calculated on the basis of the tax laws enacted or substantively enacted at the balance sheet date in the UK.

Deferred tax is provided in respect of temporary differences that have originated but not reversed at the balance sheet date and is determined using the tax rates that are expected to apply when the temporary differences reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognised only to the extent that they are expected to be recoverable.

## **GUS Finance Ireland Unlimited Company**

### **Notes to the financial statements for the year ended 31 March 2023 (continued)**

#### **4. Critical accounting estimates, assumptions and judgments**

##### **(i) Critical accounting estimates and assumptions**

In preparing the financial statements, management is required to make estimates and assumptions that affect the reported amount of income, costs and charges, assets and liabilities and the disclosure of contingent liabilities. The resulting accounting estimates, which are based on management's best judgment at the date of the financial statements, will, by definition, seldom equal the related actual results.

The only estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year relate to the carrying value of the Company's investments in group undertakings. This is tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable and is stated at cost less any provisions for impairment.

##### **(ii) Critical judgments**

In applying the Company's accounting policies, management may make judgments that have a significant effect on the amounts recognised in the Company financial statements. These judgments may include the classification of transactions between the Company profit and loss account and the Company balance sheet. There are no such judgments in the case of these financial statements.

#### **5. Interest receivable and similar income**

	2023 US\$'000	2022 US\$'000
Interest receivable on amounts owed by group undertakings	19	-

#### **6. Profit before tax**

No directors received any remuneration in respect of their services to the Company, either from the Company or from other group undertakings during the year ended 31 March 2023 (2022: US\$nil). The directors do not attribute a material amount of time to this Company and are remunerated elsewhere in the Group.

The Company had no employees during the current or prior year and accordingly no employee costs are included in these financial statements (2022: US\$nil).

The Company's auditor received remuneration of US\$3,000 for the audit of the Company's financial statements for the year ended 31 March 2023 (2022: US\$3,000) which was paid by Experian Finance plc, a fellow subsidiary undertaking of Experian plc, and was not recharged.

<b>Tax charge on profit</b>	<b>4</b>	<b>-</b>

##### (b) Factors affecting the tax charge for the year

Although incorporated in Ireland, the company is taxable in the UK. The tax charge for the year is at a rate equal to (2022: equal to) the main rate of UK corporation tax of 19% (2022: 19%).

	2023 US\$'000	2022 US\$'000
Profit before tax	19	-
Profit before tax multiplied by the main rate of UK corporation tax	4	-
<b>Tax charge for the year</b>	<b>4</b>	<b>-</b>

In the foreseeable future, the Company's tax balances will continue to be influenced by the nature of its income and expenditure and arrangements with group undertakings for the surrender of UK taxable losses against UK taxable profits. Equally the Company's tax balances could be affected by changes in UK tax law.

The main rate of UK corporation tax increased from 19% to 25% on 1 April 2023. This will have a consequential effect on the Company's future tax charge.

The Company has no recognised or unrecognised deferred tax (2022: US\$nil).

#### 8. Investment – shares in group undertaking

	2023 US\$'000	2022 US\$'000
Cost and Net book amount:		
At 1 April and 31 March	9,625	9,625

The net book value of the investment at 31 March 2023 is supported by the underlying assets or cash flows of the subsidiary undertaking.

The Company's investment in a group undertaking at 31 March 2023 comprises the whole of the issued preference share capital of GUS 1998 Unlimited (8,376,961 shares of €1.269738 each).

GUS 1998 Unlimited is incorporated in England and Wales and its registered office is The Sir John Peace Building, Experian Way, NG2 Business Park, Nottingham, NG80 1ZZ, United Kingdom. The whole of that company's issued ordinary share capital at 31 March 2023 (2 ordinary shares of £1 each) was held by Experian Finance plc.

#### 9. Debtors – amounts falling due within one year

	2023 US\$'000	2022 US\$'000
Amounts owed by group undertakings	745	726

Amounts owed by group undertakings are unsecured with no fixed date for repayment and are interest bearing at rates between 0.6% and 4.7% during the year (2022: 0.0% - 0.1%).

## GUS Finance Ireland Unlimited Company
