## Notes to the company balance sheet

#### 1. General notes

#### 1 1. Activities

The Company was incorporated on 5 December 1984 and its main activities are to establish, to participate in, to manage and to finance other companies

#### 12. Registered office

SABMiller Europe B V has its registered office at Church Street West Woking, Surrey GU21 6HS in the United Kingdom

#### 1.3. Group structure

 $SABMiller\ Europe\ B\ V\ is\ a\ wholly-owned\ subsidiary\ of\ SABMiller\ Holdings\ Europe\ Ltd\ ,\ United\ Kingdom\ The\ ultimate\ shareholder\ is\ SABMiller\ plc\ ,\ United\ Kingdom\$ 

#### 14 Consolidation

Consolidation of group companies has not taken place as SABMiller Europe B V is exempt from this obligation pursuant to Article 408, Title 9, Book 2 of the Dutch Civil Code Accordingly, the consolidated financial statements of SABMiller plc for the year ended 31 March 2015, which will include the financial data of the company and its subsidiaries, will be filed with the Chamber of Commerce in Rotterdam, The Netherlands

#### 1.5 Estimates

In applying the accounting policies and guidelines for preparing the financial statements, the Management Board of SABMiller Europe B V makes a range of estimates and judgments that might be essential for the amounts disclosed in the financial statements. If necessary for the purposes of providing the view required under Section 362(1), Book 2 of the Dutch Civil Code, the nature of these estimates and judgments, including the related assumptions, is disclosed in the notes to the financial statement items in question

#### 2. General policies

#### 2.1 General

The financial statements were prepared in accordance with the statutory provisions of Part 9, Book 2 of the Dutch Civil Code and the Guidelines for Annual Reporting in The Netherlands for small legal entities as issued by the Dutch Accounting Standards Board The financial statements are denominated in US dollars

In general, assets and habilities are stated at the amounts at which they were acquired or incurred, or fair value If not specifically stated otherwise, they are recognised at the amounts at which they were acquired or incurred

#### 2.2. Comparative figures

The accounting policies have been consistently applied to all the years presented

#### 2 3. Foreign currencies

#### 2 3 1 Functional currency

Items in the financial statements of group companies are stated with due observance of the currency of the primary economic environment in which the respective group company operates (the functional currency) The financial statements are denominated in US dollars, i.e. the functional and reporting currency of SABMiller Europe B V

#### 2 3 2 Transactions, assets and liabilities

Amounts receivable, cash at bank, amounts payable and other liabilities denominated in foreign currencies are translated at exchange rates prevailing at the balance sheet date. Any resulting exchange differences are taken to the income statement. Transactions in the year under review, which are denominated in foreign currencies, are accounted for in the financial statements at the rates of settlement.

#### 3. Accounting policies for the balance sheet

#### 3.1. Financial assets

#### 311 Participations

Participations are carried at cost less a provision for permanent impairment, if any Valuation at net asset value is not presented as the company's management is of the opinion that, in the light of the aforementioned application of Article 408, Title 9, Book 2 of the Dutch Civil Code, disclosure of such information would not enhance the insight into the company's financial position and results already provided by these accounts together with the consolidated accounts of SABMiller plc

#### 3 1 2 Receivables from group companies

Receivables disclosed under financial assets are recognized initially at fair value of the amount owed, which normally consists of its face value, net of any provisions considered necessary. These receivables are subsequently measured at amortised cost

#### 3.2. Impairment of non-current assets

On each balance sheet date, the Company tests whether there are any indications of assets being subject to impairment. If any such indications are present, the recoverable amount of the asset is determined. If this proves to be impossible, the recoverable amount of the cash-generating unit to which the asset belongs is identified. An asset is subject to impairment if its carrying amount is higher than its recoverable amount, the recoverable amount is the higher of net realisable value and value in use

Net realisable value is determined based on the active market. An impairment is directly recognised as an expense in the income statement, unless the asset is carried at fair value, in which case the impairment loss qualifies as a revaluation decrease.

If it is established that a previously recognised impairment no longer applies or has declined, then the increased carrying amount of the assets in question is not set higher than the carrying amount that would have been determined had no asset impairment been recognised

#### 3.3. Receivables

Receivables are recognised initially at fair value including transaction costs, if material and subsequently measured at amortised cost. When a receivable is uncollectible, it is written off against the allowance account for receivables.

#### 3.4 Current habilities

Short-term borrowings are initially recognised at fair value, net of transaction costs incurred. Short-term borrowings are subsequently stated at amortised cost, being the amount received taking account of any premium or discount, less transaction costs.

#### 4. Accounting policies for the income statement

#### 4.1. Result

Profit is determined as the balance of the realisable value of the services rendered and the costs and other charges for the year. Results on transactions are recognised in the year in which they are realised, losses are taken as soon as they are foreseeable.

#### 4.2 Income tax credit / (expense)

Profit tax is calculated on the profit/(loss) before taxation in the income statement, taking into account any losses carried forward from previous financial years (insofar as these are not included in deferred tax assets), tax-exempt items and non-deductible expenses. Account is also taken of changes in deferred tax assets and deferred tax habilities owing to changes in the applicable tax rates.

SABMiller Europe B V is not liable for Dutch corporate income tax. The corporate income tax calculation is based on the United Kingdom tax legislation
