NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED 25 FEBRUARY 2012

1. ACCOUNTING POLICIES

Basis of preparation of financial statements

The financial statements are prepared on the going concern basis, in accordance with applicable United Kingdom accounting standards, under the historical cost convention and in accordance with the Companies Act 2006. The Company's principal accounting policies have been applied consistently during the period.

In accordance with FRS 2 "Accounting for Subsidiary Undertakings" and Section 400 of the Companies Act 2006, group financial statements have not been prepared because the Company is a wholly owned subsidiary of Tesco PLC, incorporated in England and Wales.

Cash flow statement

The Company is a wholly owned subsidiary of Tesco PLC and is included in the consolidated financial statements of Tesco PLC which are publicly available. Consequently the Company has taken advantage of the exemption from preparing a cash flow statement under the terms of FRS 1 "Cash Flow Statements".

Fixed asset investments

Fixed asset investments in subsidiaries and associates are stated at cost plus incidental expenses less where appropriate provisions for impairment.

Impairment of fixed assets

At each balance sheet date the Company reviews the carrying amounts of the fixed assets to determine whether there is any need for impairment in accordance with FRS 11 "Impairment of Fixed Assets and Goodwill". Any impairment is recognised in the Profit and Loss Account in the period in which it occurs.

Current taxation

The amount included in the Profit and Loss Account is based on the loss on ordinary activities before taxation and is calculated at current local tax rates, taking into account timing differences and the likelihood of realisation of deferred tax assets and liabilities.

Group relief on taxation

The Company will receive or surrender group relief from group companies without payment and consequently there may be no tax charge in the Profit and Loss account.

2. LOSS ON ORDINARY ACTIVITIES BEFORE TAXATION

The Directors received no emoluments for their services to the Company (2011 £nil)

The Company had no employees during the period (2011 none)

3. TAX ON LOSS ON ORDINARY ACTIVITIES

Through The Tesco Violet Limited Partnership, Tesco Violet (1LP) Ltd sold its 49.95% interest in three (2011 eleven) properties during the year. The disposals give rise to potentially chargeable gains. Elections will be made to transfer the chargeable gains arising to another Tesco group company, which will claim rollover relief. The claim will be eligible because the group will reinvest the full proceeds from the sale. Without the elections or rollover, a liability of £4,888,512 (2011 £6,348,813) would result.

Factors that have affected the tax charge

The standard rate of Corporation Tax in the UK was changed from 28% to 26% with effect from 1 April 2011. This gives an overall blended Corporation Tax rate for the Company for the full year of 26.2% (2011 28%).
