INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF STORES INTERNATIONAL LIMITED

We have audited the non-statutory financial statements on pages 4 to 11

This report is made solely to the company's members, as a body, in accordance with our engagement letter dated 11th January 2002 Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed

Respective responsibilities of directors and auditors

As described on page 2, the company's directors have accepted responsibility for the preparation of the non-statutory financial statements in accordance with applicable UK accounting standards and as if applicable United Kingdom law applied to them. Our responsibilities, as independent Auditors, are established in the United Kingdom by the terms of engagement letter dated 11th January 2002, the Auditing Practices Board and by our profession's ethical guidance

Under the terms of engagement we are required to report to you our opinion as to whether the non-statutory financial statements give a true and fair view and are properly prepared, as if they were required to be prepared in accordance with the disclosure requirements of the Companies Act 1985. We also report to you if, in our opinion, we have not received all the information and explanations we require for our audit.

Basis of audit opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the non-statutory financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the non-statutory financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that these non-statutory financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the non-statutory financial statements.

Opinion

In our opinion the non-statutory financial statements give a true and fair view of the state of the company's affairs as at 31 December 2004 and of its profit for the period then ended and have been properly prepared in accordance with the disclosure requirements of the Companies Act 1985, as if the requirements of this Act applied to these non-statutory financial statements
