In accordance with the articles of association, no directors retire by rotation

### **Statement of directors' responsibilities**

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

## **Directors' report for the year ended 31 December 2014 (continued)**

### **Auditors**

The company is incorporated in the Cayman Islands and registered in both the Cayman Islands and the UK. The company is not required to publish audited financial statements. The purpose of these financial statements is to meet the obligations for filing in both the UK and the Cayman Islands. The filing requirements for the Cayman Islands are significantly less in scope than those for the UK. These financial statements have been prepared in accordance with applicable UK accounting standards and UK companies' legislation as applied to overseas companies and under the historical cost convention. References in these financial statements to the Companies Act and other legislation are therefore references to UK legislation. These financial statements comply with the Companies Act 2006 as applied to overseas companies.
