## NOTES

1. This form is also to be used to notify changes in a limited partnership which is a partnership scheme (within the meaning given by section 235A(5) of the Financial Services and Markets Act 2000) for which an authorisation order has been made under 261D of that Act ("an authorised partnership"). The requirement to notify changes in partnerships under section 9 of the Limited Partnerships Act 1907 has been modified for authorised partnerships by regulation 16(6) of the Collective Investment in Transferable Securities (Contractual Scheme) Regulations 2013.
2. Changes brought about by death, transfer of interests, increase in the number of partners or change of name of any partner must be notified here. In the case of an authorised partnership, any change in the general partner or in the name of the general partner must be notified here (no change in the limited partners or in the name of a limited partner is required to be notified).
3. If there is, or was, no definite term, then state under 'previous term' the conditions under which the partnership was constituted and under 'new term' the conditions under which it is now constituted. In the case of an authorised partnership, notify here the making or revocation of the authorisation order by the Financial Conduct Authority (include the authorisation number).
4. Any variation in the sum contributed by any limited partner must be stated in section f. A statement of any increase in the amount of the partnership capital, whether arising from increase of contributions or the introduction of fresh partners, must also be stated in section h. In the case of an authorised partnership, no change in the sum contributed by a limited partner is required to be notified.
5. Each change must be entered in the proper section (a., b., c., d., e., f., g, or h., as the case may be). Provision is made in this form for notifying all the changes required by the Act to be notified, but it will frequently happen that only one change has to be notified. In any such case, the word 'Nil' should be inserted in the other sections.
6. The statement must be signed at the end by the firm, and must be sent by post or delivered to the registrar for registration within seven days of the changes taking place.
