Strategic report

The directors present their strategic report for the year ended 31 August 2018.

Review of business and future developments

The consolidated profit and loss account for the year is set out on page 8.

In general, the results for the year were as expected and show the impact of a higher raw material price. The year end financial position was satisfactory. The group continues to grow its Cider Vinegar sales and plans are in place to increase the production capacity in this area. Competition is expected to continue to have a downward impact upon sale prices although overall the outlook for the current year is encouraging.

Financial risk management objectives and policies

The group's operations expose it to a variety of financial risks that include the effects of changes in market prices, credit risk, foreign exchange risk and liquidity risk. The group has in place a risk management programme that seeks to limit the adverse effects on the financial performance of the group by monitoring levels of debt finance and the related finance cost. Given the size of the group, the directors have not delegated the responsibility of monitoring financial risk management to a sub-committee of the board. The policies set by the board of directors are implemented by the group's finance department.

Price risk

The group is exposed to some commodity price risk as a result of its operations. However, costs of managing exposure to commodity price risk exceed any potential benefits. The directors will revisit the appropriateness of this policy should the group's operations change in size or nature. The group has no exposure to equity securities price risk as it holds no listed investments.

Credit risk

The group has implemented policies that require appropriate credit checks on potential customers before sales are made.

Foreign exchange risk

The group is exposed to foreign exchange risk in the normal course of business, principally on sales into the Euro zone. The group's position with regard to its foreign exchange exposure and the use of any financial instruments or hedging mechanisms to deal with this is kept under review by the directors.

Strategic report (cont'd)

Liquidity risk

The group actively monitors the need for long-term and short-term debt finance in a manner that is designed to ensure the group has sufficient available funds for operations and planned expansions.

Dividends

Interim dividends of £87,505 were paid in the year (2017: £87,504) and the directors do not recommend the payment of a final dividend.

Directors

The directors of the company during the year are shown on page 1.

By the order of the board

Winefride Mackle
Company Secretary

10 May 2019

Directors' report

The directors present their report and the audited consolidated accounts for the year ended 31 August 2018.

Statement of directors' responsibilities

The directors are responsible for preparing the Strategic report, Directors' report and the accounts in accordance with applicable law and regulations.

Company law requires the directors to prepare accounts for each financial year. Under that law the directors have elected to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards) and applicable law.

Under company law the directors must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the group and of the profit or loss of the group for that period. In preparing these accounts, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the group and company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the group's transactions and disclose with reasonable accuracy at any time the financial position of the group and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of disclosure of information to auditors

So far as the directors are aware there is no relevant audit information of which the group's auditors are unaware. We have taken all the steps that we ought to have taken as directors in order to make us aware of any relevant audit information and to establish that the group's auditors are aware of that information.

Other matters prescribed by the Companies Act 2006

Other matters required to be reported on within the Directors' report under section 416(4) Companies Act 2006, being details of directors and dividends, have been included within the Strategic report for the year.

Auditors

ASM (D) Ltd has expressed their willingness to continue as auditors for the next financial year.

By the order of the board

Winefride Mackle
Company Secretary

10 May 2019

Independent auditors' report to the members of James Mackle Limited

Opinion

We have audited the accounts of James Mackle Limited for the year ended 31 August 2018 which comprise the Group profit and loss account, the Group statement of comprehensive income, the Group and Parent company balance sheets, the Group and Parent statement of changes in equity, the Group cash flow statement and the related notes including a summary of significant accounting policies.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion the accounts:

- give a true and fair view of the state of the group's and parent company's affairs as at 31 August 2018 and of the group's profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis of opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the accounts section of our report. We are independent of the group in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the accounts is not appropriate; or
- the directors have not disclosed in the accounts any identified material uncertainties that may cast significant doubt about the group's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the accounts are authorised for issue.

Independent auditors' report to the members of James Mackle Limited (cont'd)

Other information

The other information comprises the information included in the Directors' report and accounts, other than the accounts and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the accounts does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. In connection with our audit of the accounts, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the accounts or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of our audit, the information given in the Strategic report and the Directors' report for the financial year for which the accounts are prepared is consistent with the accounts and has been prepared in accordance with the applicable legal requirements.

In the light of the knowledge and understanding of the group and its environment obtained in the course of the audit we have not identified any material misstatements in the Strategic report and the Directors' report.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept; or returns adequate for our audit have not been received from branches not visited by us; or
- the accounts are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement set out on page 4, the directors are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error.

Independent auditors' report to the members of James Mackle Limited (cont'd)

Responsibilities of directors (cont'd)

In preparing the accounts, the directors are responsible for assessing the group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the group or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the accounts

Our objectives are to obtain reasonable assurance about whether the accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounts.

A further description of our responsibilities for the audit of the accounts is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

This report is made solely to the parent company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the parent company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the parent company and the parent company's members as a body, for our audit work, for this report, or for the opinions we have formed.

The notes on pages 13 to 25 form part of these accounts.

Notes to the accounts

1. Principal accounting policies

Statement of compliance

The group's accounts have been prepared in compliance with FRS 102 as it applies to the accounts of the group for the year ended 31 August 2018.

General information and basis of preparation

James Mackle Limited is a company incorporated in Northern Ireland under the United Kingdom Companies Act. The address of the registered office is given on page 1. The principal activities of the group are that of processing and marketing fruit.

The accounts have been prepared in accordance with applicable accounting standards. A summary of the more important policies, which have been applied consistently, is set out below. The accounts are prepared in sterling which is the functional currency of the group. The accounts are rounded to the nearest £1.

Tangible fixed assets

Fixed assets are stated at their purchase cost, together with any incidental costs of acquisition, less accumulated depreciation.

Depreciation is calculated so as to write off the costs of tangible fixed assets, less their estimated residual values, on a straight line basis over the expected useful economic lives of the assets concerned. The principal annual rates used for this purpose are:

	%
Freehold buildings	2-6
Plant and machinery	10
Motor vehicles	20
Fixtures and fittings	10

The cost of freehold land is not depreciated.

Stocks

Stocks are stated at the lower of cost and net realisable value. Cost is calculated on a first in, first out basis. Net realisable value is based on normal selling price less further costs expected to be incurred to completion and disposal.

Notes to the accounts (cont'd)

1. Principal accounting policies (cont'd)

Impairment of non-financial assets

The company assesses at each reporting date whether an asset may be impaired. If any such indication exists the company estimates the recoverable amount of the asset. If it is not possible to estimate the recoverable amount of the individual asset, the company estimates the recoverable amount of the cash generating unit to which the asset belongs. The recoverable amount of an asset or cash generating unit is the higher of its fair value less costs to sell and its value in use. If the recoverable amount is less than its carrying amount, the carrying amount of the asset is impaired and it is reduced to its recoverable amount through an impairment in the profit and loss account.

An impairment loss recognised for all assets is reversed in a subsequent period if and only if the reasons for the impairment loss have ceased to apply.

Short-term debtors and creditors

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the profit and loss account in other operating expenses.

Leases

Where assets have been acquired under finance leases, the obligations to the lessor are shown as part of borrowings and the rights in the corresponding assets are treated in the same way as owned fixed assets. Leases are regarded as finance leases where their terms transfer to the lessee substantially all the benefits and burdens of ownership other than the right to legal title.

Assets acquired under hire purchase contracts are capitalised based on the purchase price of the assets. Depreciation is provided on the same basis as for owned assets. The interest element of the hire purchase payment is charged to the profit and loss account over the period of the contract.

The capital value of hire purchase assets are included in the balance sheet as a liability, reduced by the capital element of the hire purchase payments.

Rentals under operating leases are charged on a straight-line basis over the lease term, even if the payments are not made on such a basis. Benefits received and receivable as an incentive to sign an operating lease are similarly spread on a straight-line basis over the lease term.

Government grants

Grants that relate to specific capital expenditure are treated as deferred income which is then credited to the profit and loss account over the related asset's useful life. Revenue grants are credited to the profit and loss account in the same year as the related expenditure is incurred.

Notes to the accounts (cont'd)

1. Principal accounting policies (cont'd)

Revenue recognition

Revenue is recognised to the extent that the company obtains the right to consideration in exchange for its performance. Revenue is measured at the fair value of the consideration received, excluding discounts, rebates, VAT and other sales taxes or duty. The following criteria must also be met before revenue is recognised:

Sale of goods

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on despatch of goods, the amount of revenue can be measured reliably, it is probable that the economic benefits associated with the transaction will flow to the entity and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Investment income

Income from deposits is included in the profit and loss account on an accruals basis.

Taxation

The charge for taxation is based on the profit for the year as adjusted for disallowable items and for timing differences to the extent that they are unlikely to result in an actual tax liability in the foreseeable future. Timing differences arise from the recognition for tax purposes of certain items of income and expenses in a different accounting period from that in which they are recognised in the accounts. The tax effect of timing differences, as reduced by the tax benefit of any accumulated losses, is treated as a deferred tax liability.

Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rate of exchange prevailing at the accounting date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to the profit and loss account.

Pension scheme arrangements

The company operates a defined contribution scheme for certain employees and a separate scheme for the directors. The assets of the scheme are held separately from those of the company in an independently administered fund, and contributions are charged to profit and loss account in the period to which they relate.

Short term employee benefits

Short term employee benefits are recognised as an expense in the period in which they are incurred.

Notes to the accounts (cont'd)

1. Principal accounting policies (cont'd)

Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and in hand and short term deposits with an original maturity date of three months or less. For the purpose of the cash flow statement, cash and cash equivalents consist of cash and cash equivalents as defined above.

Parent company profit/ (loss) account

The company is exempt from publishing its profit and loss account.

2. Critical accounting judgements and key sources of estimation uncertainty

In the application of the company's accounting policies, which are described in note 1, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Critical judgements in applying the company's accounting policies

During the current and preceding financial years the directors believe they have not made any critical judgements in the process of applying the company's accounting policies that have a significant effect on the amounts recognised in the accounts.

Key sources of estimation uncertainty

During the current and preceding financial years the directors believe there are not any key sources of estimation uncertainty that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

3. Going concern

The group made a loss of £76,010 during the year ended 31 August 2018, and at that date, the group's assets exceeded its liabilities by £6,621,234.

The directors, after making enquiries, have a reasonable expectation that the group has adequate resources to continue in operational existence for the foreseeable future. Accordingly they continue to adopt the going concern basis in the preparation of the accounts.

Notes to the accounts (cont'd)

4. Turnover

No analysis of turnover by activity or geographical area has been provided as, in the opinion of the directors, such disclosure would be seriously prejudicial to the interests of the group.

5. Operating profit/(loss)

	2018 £	2017 £
Operating profit/(loss) is stated after charging/(crediting):		
Depreciation		
- owned assets	377,185	326,458
- under hire purchase contracts	23,368	44,770
Amortisation of government grants	(230)	(230)

	<u>(13,845)</u>	<u>75,743</u>

11. Factors affecting the tax charge for the year

The tax assessed for the period is higher than the standard rate of corporation tax in the United Kingdom 19% (2017: 19.58%). The difference is explained as follows:

	2018	2017
	£	£
Profit/(loss) on ordinary activities before tax	(89,855)	363,297
Profit/(loss) on ordinary activities by the standard rate of UK corporation tax of 19 % (2017: 19.58%)	(17,073)	71,134
Effects of:		
expenses not deductible for tax purposes	245	192
depreciation in excess of capital allowances	9,947	7,428
losses carried forward or utilised	6,881	(32,459)
	<u>-</u>	<u>46,295</u>

Notes to the accounts (cont'd)
