Report of the trustee (incorporating the director's report) for the year ended 30 April 2021

Achievements and performance

Achievements and performance

Hilltown Community Association was set up to represent the interests of community groups in Hilltown and the surrounding rural areas, and to identify and address issues of common concern within the local community. The Community Association runs Carcullion House, a community facility in the village which caters for a range of community groups. Carcullion House is entirely run on a voluntary effort by the Community Association. The committee of the Community Association works in developing more community projects for the area including development of community amenities and resources for the benefit of the local population. Hilltown Community Association organises the turning on of the Christmas Lights for Hilltown and supports other community events.

COVID-19

The year ended 30th April 2021 was a difficult year for everyone whether in business or in their private lives as COVID-19 hit our communities and our economy. Like all sectors of the economy, Community Advice Armagh was faced with a lengthy lockdown as the virus surged through all parts of Northern Ireland. Like many organisations, our office was not prepared for what was to lie ahead in terms of working from home and keeping the association running.

At this fearful and uncertain time for so many businesses and individuals, our services were required more than ever and so we as a team had to learn to adapt to our change of working environment very speedily in order to serve our community as best we could.

In March 2020 with the sudden lockdown of workplaces, our office felt obliged to do the same. With our laptops and mobile phones, we began working from home to keep our services going via telephone and email. We continued to help and support the local community.

Our facility was closed for long periods due to lockdowns. however our volunteers and service providers have worked tirelessly to maintain a high standard throughout these difficult times.

Financial review

There was a continued demand for the use of the Associations facilities and services. Howeverthis was significantly less than 2020 due to the pandemic. The association reacted swiftly to the drop in income by reducing costs and returning a net surplus of £599 for 2021. The Trustees with the support of course leaders and voluntary staff continued to meet the demand for the Associations resources.

Principal funding sources

Resource Centre Income reduced to £8,506 in 2021 compared with £12,832 in 2020. This was due to closure due to lockdowns. The Playgroup continues to be the mainstay of the Association followed by the Parent & Toddler Group and other local groups.

Funds received from Newry, Mourne and Down District Council reduced from £8,588 in 2020 to £3,506 in 2021.

A net surplus of £559 arose in 2021 compared with £288 in 2020.

Expenditure

Expenditure decreased to £11,969 in 2021 compared with £21,132 in 2020.

Caretaker fees reduced to £1,036 compared with £3,540 in 2020.

Classes, courses and events reduced to £3,002 from £6,583 in 2020.

Reserves Policy

The Trustees believe that the charity should hold financial reserves in order to ensure that the charity can continue to operate and meet demand in the event of an unforeseen reduction in funding being available. In setting the reserves target the Trustees have to balance out the demands of delivering much needed services to current clients against the requirements of maintaining adequate reserves to cover future uncertainty.

Principle Funding Sources

The Trustees extend their gratitude to all local community groups using the centre and Newry, Mourne and Down District Council who continue to support the core operating capacity of the charity.

Statement of trustees' responsibilities

The trustees (who are also directors of HILLTOWN COMMUNITY ASSOCIATION LIMITED for the purpose of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and which enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Small company provisions

This report has been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.

Respective responsibilities of trustees and independent examiner

The charity's trustees (who are also the directors of the company for purposes of company law) are responsible for the preparation of the accounts. My examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (i) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep proper accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

(ii) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to financial statements for the year ended 30 April 2021

1. Accounting policies

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and the preceding year.

1.1. Basis of accounting

The financial statements are prepared under the historical cost convention and in accordance with the Statement of Recommended Practice 'Accounting and Reporting by Charities' issued in March 2005 (SORP 2005) and the Companies Act 2006.

1.2. Cashflow

The charity has taken advantage of the exemption in FRS1 from the requirement to produce a cashflow statement because it is a small charity.

1.3. Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included.

Gifts donated for resale are included as incoming resources within activities for generating funds when they are sold.

Grants, including grants for the purchase of fixed assets, are recognised in full in the statement of financial activities in the year in which they are receivable.

1.4. Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes including the charity's shop.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

1.5. Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less accumulated depreciation. Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:
