19 January 2018

Dear Sir/Madam

**General Insurance Brokers Limited – in Members' Voluntary Liquidation (the 'Company')**

**Registered Number – NI027964**

**Joint Liquidators – John Milsom and Mark Orton**

I refer to my appointment as Liquidator of the above company on 15 August 2017 and advise that I am now in a position to conclude the Liquidation and convene the final meeting of members of the Company in accordance with Article 80 of the Insolvency (Northern Ireland) Order 1989. Please find below details showing the manner in which the Liquidation has been conducted.

**Receipts and payments**

Declaration of  
solvency

£	ASSET REALISATIONS	£	£
150,000	Inter-company debt	<u>NIL</u>	
	DISTRIBUTIONS		
	Ordinary shareholders	<u>NIL</u>	
<u>150,000</u>			<u>NIL</u>
			<u>NIL</u>

The declaration of solvency, sworn by the directors prior to the commencement of the liquidation, showed a debt due from Towergate Insurance Limited ("TIL"). The debt has been distributed in specie by assignment to Towergate Risk Solutions Limited, the sole shareholder of the Company (see "Distributions" below).

The Company had no known creditors. A notice to creditors to prove their claims in the liquidation was advertised in the London Gazette newspaper on 25 August 2017. No creditors were forthcoming as a result of this advertisement.

### **Tax**

The Company's tax advisors advised that the Company had dormant corporation tax status. Following their appointment, the Joint Liquidators sought and received confirmation from HM Revenue and Customs ("HMRC") that the Company had no outstanding corporation tax returns or liabilities, that it would not raise enquiries into any pre or post liquidation periods and that it had no objection to the Liquidators proceeding to finalise the liquidation.

A similar assurance was sought and received from HMRC in respect of PAYE and VAT matters.

### **Distributions**

On 19 January 2018 the Joint Liquidators declared a first and final distribution of the assets of the Company to Towergate Risk Solutions Limited, as the sole beneficial shareholder of the Company.

The distribution was a distribution in specie of the debt of £150,000 due to the Company by Towergate Insurance Limited.

### **Joint Liquidators' remuneration and expenses**

A written resolution was passed on 15 August 2017 that the remuneration of the Joint Liquidators be fixed at their normal charging rates according to the time properly spent by them and members of their staff in attending to matters arising in the winding up of the Company.

In the event, the Liquidators' remuneration has been paid by a third party and accordingly no detailed analysis is included in this report.

### **Final Meeting**

I included a notice of the final meeting of members in my letter dated 19 January 2018, which has been convened for 23 February 2018 at 10.15 am. The meeting is convened pursuant to Article 80 of the Insolvency (Northern Ireland) Order 1989 and its purpose

is to receive an account showing the manner in which the winding up has been conducted and the property of the company disposed of, and of hearing any explanation which may be given by the Liquidator.

The account to be laid before the meeting is the same as in this letter and attachments. There is no necessity to attend the meeting in person unless you so wish; nor is it necessary for you to complete the proxy form. If you do propose to attend the meeting on 23 February 2018, please contact Maria French on 020 7694 1757 in order that the appropriate arrangements can be made.

The Liquidator will file a return with Companies Registry within 7 days of the final meeting. The company will be dissolved three months thereafter.

Should you have any queries, please do not hesitate to contact Maria French of my office at the above number.

Yours faithfully

For General Insurance Brokers Limited – in Members' Voluntary Liquidation
