**Trustees' report**  
**for the year ended 31 July 2023**

The Trustees present their report and the financial statements for the year ended 31 July 2023.

**Directors**

Officers of the company, known as directors for the purpose of company law and trustees for the purpose of charity law, who served during the year and up to the date of this report are set out on page 1 of the financial statements.

Members of the charitable company guarantee to contribute an amount not exceeding £1 to the assets of the charitable company in the event of winding up.

**Charitable objects**

The principle activity of the charitable company is to provide a community facility in the village of Donemana, accessible to all local groups. In doing so they aim to achieve greater cross community contact, improve community relations and a greater understanding and tolerance of the cultural history of the area of Donemana.

Donemana Cultural Association Limited is a registered charity with the Charity Commission for Northern Ireland since 3 November 2015, under registration number NIC103583.

**Organisational structure**

The day to day management of the charitable company is carried out by the Chairman and Treasurer, supported and overseen by the other trustees.

**Review of activities and achievements**

The Statement of Financial Activities on page 5 of the financial statements sets out the results for the year. The purpose of the funds are outlined in the notes to the financial statements.

The charitable company is currently developing a local history museum and aims to market this once it becomes fully operational. It continues to attract interest from the local community and are currently working on a number of projects to enhance the building for community use.

The considered view of the trustees is that, after making enquiries, they have a reasonable expectation that the charitable company will have adequate resources available to finance its trading and other obligations for the foreseeable future. The trustees are not aware of any events likely to occur in the twelve months following the date of the approval of the financial statements that may impact on the charitable company's ability to continue as a going concern. We believe that it is therefore appropriate for the charitable company's financial statements for the year ended 31 July 2023 to have been prepared on a going concern basis.

**Reserves**

The Statement of Financial Activities on page 5 of the financial statements sets out the results for the year. The purpose of the funds are outlined in the notes to the financial statements.

**Taxation**

The charitable company is accepted as a charity by HM Revenue & Customs under reference XT21191 and therefore is exempt from corporation tax.

**Statement of trustees' responsibilities**

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and regulations.

**Trustees' report**  
**for the year ended 31 July 2023**

Company law and charity law requires the Trustees to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including 'Accounting and Reporting by Charities: Statement of Recommended Practice' (FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'). Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the surplus or deficit of the company for that year. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees have overall responsibility for ensuring that the charity has appropriate system of controls, financial and otherwise. They are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Accountants**

The trustees recommend that McFarland Arnold & Co remain in office until further notice.

**(Company limited by guarantee)**

**Notes to the financial statements**  
**for the year ended 31 July 2023**

**3.4. Resources expended**

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes VAT which the company is ineligible to recover, and is reported as part of the expenditure to which it relates.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

**3.5. Tangible fixed assets and depreciation**

Tangible fixed assets costing more than £500 are capitalised and included at their purchase costs, together with any incidental expenses of acquisition.

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Leasehold properties	-	Straight line over the life of the lease
Fixtures, fittings and equipment	-	20 % reducing balance

No depreciation is charged until the assets are brought into use by the company.

The carrying values of tangible fixed assets are reviewed annually for impairment if events or changes in circumstances indicate the carrying value may not be recoverable.

**3.6. Fund accounting**

Unrestricted funds relate to general funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

**3.7. Taxation**

The company is registered as a charity for tax purposes under reference XT21191.

As a charity, Donemana Cultural Association Limited is exempt from tax on income and gains falling within Section 505 of the Taxes Act 1988 or Section 256 of the Taxation of Chargeable Gains Act 1992 to the extent that these are applied to its charitable objects. No tax charges have therefore arisen for the company for the year ended 31 July 2023.

**3.8 Impairment**

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

When it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that are largely independent of the cash inflows from other assets or groups of assets.

**Donemana Cultural Association Limited**  
**(Company limited by guarantee)**

**Notes to the financial statements**  
**for the year ended 31 July 2023**

**3.9 Financial instruments**

A financial asset or a financial liability is recognised only when the company becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Debt instruments are subsequently measured at amortised cost.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss immediately.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised in profit or loss immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.
