- (a) the Security will be immediately enforceable, and the Secured Obligations will be immediately due for performance and discharge, without any requirement for notice to, or for demand to be served on, the Assignor; and
- (b) the statutory power of sale together with all other rights, powers, privileges, discretions and immunities conferred on mortgagees by law (in each case as varied by this Deed) will be immediately exercisable and no Secured Party shall have any liability arising out of its exercise of any such rights, powers, privileges, discretions and immunities.

9.2 On or at any time after an Enforcement Date:

- (a) the Purchaser may enforce, in its absolute discretion, all or any part of the Security in any manner that it sees fit. It shall not be necessary for any consent or court order to be obtained, any event to occur, any notification to be made or any condition to be fulfilled under any of Sections 97, 98, 100(1), 100(2), 100(3), 103(2) or 108(1) of the 2009 Act before the Purchaser takes steps to enforce the Security (including by way of appointment of one or more Receivers); and
- (b) the Purchaser may:
 - (i) redeem any prior Security Interest over the Assigned Property; and/or
 - (ii) procure the transfer of any such Security Interest to itself; and/or
 - (iii) settle and pass the accounts of the beneficiary of the prior Security Interest with any accounts so settled and passed being, in the absence of manifest error, conclusive and binding on the Assignor;
- (c) the Assignor will, immediately on demand, pay to the Purchaser all of the Purchaser's costs and expenses (including Tax) in connection with the matters set out at paragraph (b) above and, until such amounts are paid in full, those amounts shall form part of the Secured Obligations.

- 9.3 Sections 92 (and any other restriction on the consolidation of mortgages), 94, 96(1)(c), 99, 101, 105(2), 106(3), 107 and 109 of the 2009 Act shall not apply to this Deed, the Security or any enforcement thereof.

9.4 On and after an Enforcement Date:

- (a) the Assignor shall:
 - (i) take such steps as the Purchaser may require (at the Assignor's cost) to facilitate enforcement of the Security; and
 - (ii) hold any payment received by it in respect of any part of the Assigned Property in trust for the Purchaser; and
- (b) the Purchaser may exercise (without any consent or authority from the Assignor, and irrespective of any direction given by the Assignor) all of the Assignor's rights in respect of the Assigned Property.

10. ENFORCEMENT: MORTGAGEE IN POSSESSION

- 10.1 On or at any time after an Enforcement Date, the Purchaser may (without any requirement for notice to, or for demand to be served on, the Assignor) and without prejudice to any other express or implied right of the Purchaser, take possession of the Assigned Property as mortgagee in possession.
- 10.2 If the Purchaser takes possession as set out in Clause 10.1 above:
- (a) it shall not be liable to account as mortgagee in possession, for any loss in connection with the Assigned Property, for any loss on realisation of the Assigned Property or for any default or omission for which a mortgagee in possession might be liable; and
 - (b) it shall not be obliged to take steps to dispose of the Assigned Property.

11. ENFORCEMENT: RECEIVER APPOINTMENTS

- 11.1 On or at any time after an Enforcement Date, the Purchaser may appoint any person or persons as Receiver or Receivers of the Assigned Property, regardless of whether the Purchaser is mortgagee in possession or not. The appointment of any Receiver over part of the Assigned Property will not preclude the Purchaser from appointing the same or another Receiver over the balance of the Assigned Property.
- 11.2 Any appointment, removal or replacement of any Receiver by the Purchaser must be in writing and may be made by way of agreement or by way of deed.
- 11.3 The above powers of appointment are in addition, and without prejudice, to the Purchaser's powers under the 2009 Act and under other applicable laws, save as those powers may be expressly varied by this Deed.
- 11.4 The remuneration of any Receiver may be fixed by the Purchaser and, in doing so, the Purchaser shall not be bound by any restriction or maximum rate imposed by law (including by Section 108(7) of the 2009 Act).
- 11.5 Any such Receiver shall be the Assignor's agent for all purposes, and the Assignor will be solely responsible for the Receiver's acts, remuneration, contracts, engagements, defaults, losses, omissions and liabilities. All costs, expenses, outgoings and liabilities incurred by any such Receiver shall form part of the Secured Obligations.
- 11.6 No Secured Party shall incur any liability whatsoever to any person as a result of either the appointment by the Purchaser of any Receiver in respect of the Assigned Property, or as a result of any action or inaction on the part of such Receiver.

12. ENFORCEMENT: RECEIVER POWERS

- 12.1 If more than one Receiver has been appointed, each may act individually or jointly (subject to the terms of the relevant appointment).
- 12.2 Any Receiver may exercise any or all of its powers in its absolute discretion, and shall not be obliged to take any steps to dispose of the Assigned Property.
- 12.3 No Receiver shall be liable to account as mortgagee in possession for any loss in connection with the Assigned Property or the realisation thereof, or for any default or omission for which a mortgagee in possession might be liable.
- 12.4 Any Receiver shall have all rights, powers, privileges, discretions and immunities conferred on receivers by law (in each case as varied by this Deed) including the powers listed in Section 437 of the Companies Act and shall also have the power to:
- (a) exercise (without being under any obligation to do so and without any liability for so doing) all rights in respect of the Assigned Property over which it has been appointed, whether those rights are originally available (at law, in equity, under this Deed or under another agreement) to the Assignor or any Secured Party;
 - (b) make filings, registrations, notifications and renewals, and apply for and maintain any regulatory approvals and other authorisations of any nature whatsoever;
 - (c) arrange for the provision of any service desirable for the efficient use or management of the Assigned Property over which it has been appointed;
 - (d) lend money or advance credit;
 - (e) borrow or otherwise raise money on a secured or unsecured basis on such terms as it sees fit;
 - (f) enter into and perform its obligations in respect of bonds, guarantees, indemnities, covenants and the like;
 - (g) procure the formation of bodies corporate in connection with the exercise of its powers and its dealings with the Assigned Property;
 - (h) enter into, amend, rescind or repudiate any agreements;
 - (i) take an indemnity from any person against any losses, howsoever arising, in connection with the exercise by it of its powers;
 - (j) comply with any requirement of law or regulation, and with any notices or orders received in respect of the Assigned Property;
 - (k) deal with any accounts, claims (howsoever arising), contracts, demands, questions or disputes (howsoever arising) whatsoever which may arise in connection with the Security or the Assigned Property;
 - (l) enter into any arrangement or compromise in respect of amounts owing to the Assignor, give valid receipts, and otherwise deal with such amounts as it sees fit;

- (m) otherwise deal with the Assigned Property in such manner and on such terms and conditions as it may see fit;
 - (n) use the Assignor's name and seal in the exercise of any of its powers; and
 - (o) delegate any or all of its powers.
- 12.5 Any Receiver may exercise any powers referred to (expressly or by incorporation) in this Clause 12 notwithstanding any insolvency of the Assignor, and any Receiver shall not be liable for any loss arising in connection with the exercise of those powers.
- 12.6 The Purchaser may exercise all rights, powers, privileges, discretions and immunities conferred on receivers by law or by this Deed irrespective of whether or not any Receiver has been appointed.

13. DELEGATION

- 13.1 The Purchaser or any Receiver (each a "Delegating Party") may appoint (on such terms as it sees fit) a Delegate by power of attorney or in any other manner as it sees fit (whether under hand or under seal) to be the delegate of any right, power, privilege, discretion or immunity conferred on the Purchaser or that Receiver by law or by this Deed.
- 13.2 No such delegation will preclude a subsequent delegation.
- 13.3 A delegation may be revoked by the Delegating Party at any time.
- 13.4 The Delegating Party shall not be liable for any loss suffered by any person as a result of any action, inaction, omission, default or misconduct of any Delegate.

14. POWER OF ATTORNEY

- 14.1 The Assignor irrevocably appoints, by way of security, the Purchaser, each Receiver and each Delegate (acting solely, some acting together or all acting together) to be its attorney (with full powers of substitution and delegation) in its name and otherwise on its behalf, and as its act and deed to:
- (a) execute, deliver and perfect any agreement or form, and take any action (including the making of registrations, filings or notifications), which the Assignor is required to execute, deliver, perfect or take pursuant to this Deed whether for the purposes of perfecting the Security, or with effect from the Enforcement Date or any breach by the Assignor of the provisions of this Deed vesting the Assigned Property in any Secured Party, any nominee of any of the foregoing, or any agent; and
 - (b) generally with effect from the Enforcement Date or any breach by the Assignor of the provisions of this Deed use its name in connection with the exercise of any rights under this Deed.
- 14.2 The Assignor agrees that:
- (a) it will be deemed to have ratified and approved anything done by any attorney pursuant to Clause 14.1; and
 - (b) all monies expended by any such attorney in its capacity as such will be deemed to form part of the Secured Obligations.

15. APPLICATION OF PROCEEDS

15.1 Any amounts received by the Purchaser on or after an Enforcement Date will be applied in the following order (and if any amounts are received by any Receiver or Delegate on or after an Enforcement Date in respect of the Security, they shall be promptly transferred to the Purchaser for application in the following order):

- (a) first: in or towards payment of, or making provision for:
 - (i) the costs, charges and expenses of the Purchaser and of any Receiver in connection with this Deed; and
 - (ii) the remuneration of any Receiver in respect of the Security;
- (b) second: in or towards financing the performance or discharge of the Secured Obligations in such order as the Purchaser may determine; and
- (c) third: any surplus shall be paid to the Assignor or any other person entitled thereto.

15.2 The order of payments set out at Clause 15.1 above is subject to any claims having priority, as a matter of law, to the Security.

16. PROTECTION OF THIRD PARTIES

16.1 No person dealing with the Secured Parties (or any of them) shall be obliged to enquire:

- (a) whether the Secured Obligations are outstanding or whether they have become due;
- (b) whether any right or power exercised by the relevant Secured Party/Parties has arisen, accrued or become exercisable, or whether it has been properly exercised;
- (c) how monies received by the relevant Secured Party/Parties are to be applied; or
- (d) the legality, validity or enforceability of any act of the relevant Secured Party/Parties.

16.2 A receipt of the relevant Secured Party/Parties shall be an absolute and conclusive discharge to a purchaser from the relevant Secured Party/Parties.

17. AVOIDANCE OF PAYMENTS

17.1 If any amount paid to the Purchaser in respect of the Secured Obligations is capable of being avoided, reduced, adjusted, clawed-back or otherwise set aside on the insolvency of the payer or otherwise, that amount will not be considered as having been irrevocably paid for the purposes of this Deed and the Assignor's liability to the Purchaser in respect of that amount shall continue.

17.2 If any release, discharge, re-assignment or settlement is agreed to by or on behalf of the Purchaser in respect of the Secured Obligations and any such avoidance, reduction, adjustment, claw-back or otherwise occurs, that release, discharge, re-assignment or settlement will be deemed not to have taken place, and the Security will be deemed to have remained in place at all times without any prejudice to the rights of the Secured Parties.

18. PAYMENTS

18.1 All payments made by the Assignor under this Deed shall:

- (a) be made to the Purchaser to its account at such office or bank as it may notify to the Assignor for this purpose;
- (b) be made for value on the due date therefor, at such times and in such funds as the Purchaser shall specify;
- (c) be paid free and clear and without deduction for or on account of any set-off or counterclaim, or any and all present and future taxes, levies, imposts, charges, fees, deductions or withholdings;
- (d) if subject to any deduction or withholding, be increased so that the net amount received by the Purchaser shall equal the amount which, but for such deduction or withholding, would have been received by the Purchaser under this Deed; and
- (e) if due on a day which is not a Business Day, be due for payment on the next following Business Day in the same calendar month if there is one and, if there is not, on the immediately preceding Business Day.

18.2 The Assignor shall pay to the Purchaser the full amount of the Secured Obligations in each currency in which the Secured Obligations are for the time being denominated. If the Assignor does not pay an amount due in that currency, the Purchaser may:

- (a) accept payment of all or part of that amount in any other currency; and/or
- (b) require the Assignor, in substitution for the liability of the Assignor to pay such amount in the currency in which it is for the time being denominated, to pay an amount in euro which is equivalent to the amount in such currency remaining unpaid.

18.3 For the purpose of, or pending discharge of, any of the Secured Obligations, the Purchaser may convert any monies received, recovered or realised by it, or by any Receiver or Delegate under this Deed (including the proceeds of any previous conversion under this Deed) from the currencies in which they are denominated into such other currencies as the Purchaser may think fit and the provisions of Clause 18.4 below shall apply.

18.4 The equivalent, on any date, in one currency (the “**first currency**”) of an amount denominated in another currency (the “**second currency**”) shall be an amount in the first currency equal to the amount which the Purchaser would have received if it had, on such day (or if such day is not a Business Day, on the next Business Day) purchased an amount in the first currency with the amount denominated in the second currency at the Purchaser’s spot rate of exchange or (if the Purchaser does not have an available spot rate of exchange) any other publicly available spot rate of exchange selected by the Purchaser (acting reasonably) less all costs, charges and expenses incurred by, or on behalf of, the Purchaser in connection with that purchase.

18.5 If any sum due from the Assignor to the Purchaser under this Deed (a “**Sum**”), or any order, judgment or award given or made in relation to a Sum, has to be converted from one currency (again, the “**first currency**”) in which that Sum is payable into another currency (again, the “**second currency**”) for the purpose of making or filing a claim or proof against the Assignor or obtaining or enforcing an order, judgment or award in

relation to any litigation or arbitration proceedings, the Assignor shall, as an independent obligation and within three Business Days of demand, indemnify the Purchaser against any cost, loss or liability arising out of or as a result of the conversion including any discrepancy between:

- (a) the rate of exchange used to convert that Sum from the first currency into the second currency; and
- (b) the rate(s) of exchange available to the Purchaser at the time of its receipt of that Sum,

and the Assignor waives any right it may have in any jurisdiction to pay any amount under this Deed in a currency or currency unit other than that in which it is expressed to be payable.

- 18.6 The Assignor shall hold on trust for the Purchaser and shall immediately pay or transfer to the Purchaser, or in accordance with the directions of the Purchaser, any payment, distribution or benefit of security received by it in contravention of the provisions of this Deed.

19. SET-OFF

- 19.1 The Assignor hereby agrees that the Purchaser may at any time without notice notwithstanding any settlement of account or other matter whatsoever:

- (a) set-off any matured obligation due from the Assignor under this Deed (to the extent beneficially owned by the Purchaser) against any matured obligation owed by the Purchaser to the Assignor regardless of the place of payment, booking, branch or currency of either obligation; and/or
- (b) combine or consolidate all or any of the Assignor's then existing accounts wherever located (including accounts in the name of the Purchaser or of the Assignor jointly with others) whether such accounts are current, deposit, loan or of any other nature whatsoever, whether they are subject to notice or not and whether they are denominated in euro or in any other currency; and/or
- (c) set-off or transfer any sum standing to the credit of any one or more such accounts in or towards the satisfaction of any monies owing or obligations or liabilities to the Purchaser, whether such liabilities be present, future, actual or contingent, primary or collateral, several or joint or matured or not.

- 19.2 Where such combination, set-off or transfer requires the conversion of one currency into another, such conversion shall be calculated at the then prevailing spot rate of exchange of the Purchaser (as conclusively determined by it) for purchasing the currency required with the other currency.

20. MISCELLANEOUS PROVISIONS

20.1 Continuing Security

The Security is a continuing security and will extend to the ultimate balance of the Secured Obligations, regardless of any intermediate settlement of the Secured Obligations.

20.2 Additional Security

The Security is in addition to, and shall not merge with or otherwise prejudice or affect any contractual or other right or remedy or any other guarantee or security for the Secured Obligations which are now or may hereafter be held by the Secured Parties whether from the Assignor or otherwise.

20.3 No Liability

No Secured Party or any person acting on its or their behalf shall incur any liability as a result of a Secured Party exercising its rights under this Deed, any neglect or default in respect of the Assigned Property, taking possession of the Assigned Property or realising the Security.

20.4 Financial Assistance

This Deed does not render any liability a secured liability to the extent that to do so would result in this Deed or part thereof constituting unlawful financial assistance under Section 82 of the Companies Act or any analogous provision under the laws of any Relevant Jurisdiction.

20.5 Financial Collateral

If any Assigned Property constitutes "financial collateral" or this Deed and any Secured Obligations constitute a "security financial collateral arrangement" (in each case as defined in the European Communities (Financial Collateral Arrangements) Regulations 2010 (the "Financial Collateral Regulations")), the Purchaser may, on or after an Enforcement Date, appropriate all or any part of that financial collateral towards satisfaction of the Secured Obligations.

For that purpose, the Parties agree that:

- (a) the value of the appropriated financial collateral will be its market value determined by the Purchaser by reference to a public index, independent valuation or other method chosen by the Purchaser; and
- (b) the foregoing will constitute a commercially reasonable valuation method for the purposes of the Financial Collateral Regulations.

20.6 Confirmation

The Assignor confirms that this Deed and the Security extend to any amendment to the Put and Call Agreement, the GND Warehouse Agreement and the Met Warehouse Agreement, however fundamental, and irrespective of whether such amendment imposes more onerous obligations on the Assignor.

20.7 Subsequent Security Interests and new accounts

If any subsequent Security Interest or any analogous expropriation, attachment, sequestration, distress, execution or process affects the Assigned Property, the Purchaser may open a new account or accounts for the Assignor in its books or with any other person.

If the Purchaser does not do so, such account opening shall, unless express written notice is given by the Purchaser to the Assignor, be deemed to have taken place at the time when the Purchaser received, or was deemed to have received, notice of such Security Interest or process.

From the time that such account(s) is/are opened or deemed to have been opened, all payments made to the Purchaser will be credited, or will be deemed to be credited, to such new account(s) and will not operate to reduce any or all of the Secured Obligations.

20.8 Obligations not affected

The Assignor's obligations under this Deed will not be affected by any act, omission, matter or thing which, but for this Clause 20.8, would reduce, release, prejudice or diminish any of those obligations, in whole or in part (whether or not known to the Purchaser), including (in respect of the Assignor or any other person):

- (a) the grant of any time, waiver, consent, indulgence or concession;
- (b) the entry into, or the granting of any release in respect, of any composition or similar arrangement;
- (c) the entry into, amendment or release of any security or guarantee;
- (d) the enforcement, compromise, refusal to enforce or failure to enforce of any right, security or guarantee;
- (e) the failure to observe a formality or other requirement;
- (f) the failure to realise the full value of any security or guarantee;
- (g) a lack of capacity, power or authority;
- (h) an insolvency;
- (i) a change in constitution or membership;
- (j) the amendment (however fundamental) of any agreement;
- (k) any illegality, invalidity or unenforceability of any of the Secured Obligations or of any liability of another person;
- (l) the issue, confirmation, amendment, renewal or termination of any negotiable instrument;
- (m) any merger or amalgamation, howsoever effected;
- (n) any judgment being obtained; or
- (o) any act, event or omission which, but for this Clause 20.8, would or might operate to impair, discharge or otherwise affect the Assignor's obligations under this Deed and the Secured Obligations.

20.9 Obligations remain enforceable

The Assignor's obligations under this Deed will remain enforceable notwithstanding:

- (a) any restructuring of the Purchaser or any other Secured Party (including by way of an acquisition, change of control, change in legal status, change in constitution, merger, scheme of arrangement or division); or
- (b) the exercise of any stabilisation, recovery or resolution power in respect of the Purchaser or any other Secured Party.

20.10 Dealing with amounts received etc.

During the Security Period, the Purchaser may:

- (a) refrain from applying any monies received by, or enforcing any security or rights held by, the Purchaser or on its behalf in connection with the Secured Obligations, or apply those monies and enforce such security or rights as it sees fit and the Assignor shall not be entitled to have those monies transferred to it; and
- (b) hold, in an interest-bearing suspense account, any monies received from the Assignor or from another person in respect of the Secured Obligations.

20.11 Waivers

The Assignor waives:

- (a) any present or future right of set-off that it may have in respect of the Secured Obligations or the Assigned Property; and
- (b) any right to interpose any defence based on any statute of limitations, claim of laches, claim of set-off or other counterclaim whatsoever.

20.12 Purchaser's discretion

Any right, remedy, power, authority or similar which may be exercised by the Purchaser or any Receiver or Delegate under this Deed may be exercised in its absolute and unfettered discretion without any obligation to provide a reason.

20.13 General Indemnities

- (a) The Assignor shall keep each of the Purchaser, any Receiver and any Delegate indemnified against any loss suffered or incurred as a result of:
 - (i) any failure or delay on the part of the Assignor in paying an amount due under this Deed (including the Secured Obligations);
 - (ii) any failure (actual or alleged) of the Assignor to comply with any part of this Deed;
 - (iii) the Purchaser holding the Security;
 - (iv) the Purchaser, any Receiver or any Delegate taking any steps in relation to the enforcement, preservation, perfection or protection of the Security.
- (b) The Assignor acknowledges that the Purchaser takes the benefit of each and every indemnity or agreement to indemnify under this Deed for itself and on trust for each and every other Secured Party.

20.14 Costs and Expenses

- (a) The Assignor shall promptly on demand pay the Purchaser the amount of all costs and expenses (including legal and other professional fees) together with any applicable VAT incurred by the Secured Parties in connection with the negotiation, preparation, printing, execution and perfection of this Deed.

- (b) If the Assignor requests an amendment, waiver or consent under this Deed, the Assignor shall, within three Business Days of demand, reimburse the Purchaser for the amount of all costs and expenses (including legal and professional fees) together with any applicable VAT incurred by the Secured Parties in responding to, evaluating, negotiating or complying with that request.
- (c) The Assignor shall, within three Business Days of demand, pay to the Purchaser the amount of all costs and expenses (including legal fees) incurred by it in connection with the enforcement of, or the preservation of any rights under, this Deed and any proceedings instituted by or against the Secured Parties as a consequence of taking or holding the Security or enforcing these rights.
- (d) The Assignor shall pay all stamp, registration and other taxes to which this Deed or any judgment in connection with this Deed is or at any time may be subject and hereby indemnifies the Purchaser against any losses arising from any failure or delay in paying such taxes.
- (e) Any amounts not paid when due under this Clause shall form part of the Secured Obligations.

20.15 Amendments and waivers

This Deed may be amended or waived only with the consent of all Parties and any such amendment or waiver will be binding on all Parties.

20.16 Day count convention

Any interest accruing under this Deed will accrue from day to day and be calculated on the basis of the actual number of days elapsed and a year of 360 days or, in any case where the practice in the relevant interbank market differs, in accordance with that market practice.

20.17 Certificates and determinations

Any certification or determination by the Purchaser of a rate or amount under this Deed is, in the absence of manifest error, conclusive evidence of the matters to which it relates.

20.18 Accounts

In any litigation or arbitration proceedings arising out of or in connection with this Deed, the entries made in the accounts maintained by the Purchaser are prima facie evidence of the matters to which they relate.

20.19 Partial invalidity

If, at any time, any provision of this Deed is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions, nor the legality, validity or enforceability of such provision under the law of any other jurisdiction, will in any way be affected or impaired.

20.20 Remedies and waivers

No failure to exercise, nor any delay in exercising, on the part of the Purchaser, any right or remedy under this Deed shall operate as a waiver of any such right or remedy or constitute an election to affirm this Deed. No election to affirm this Deed on the part

of the Purchaser shall be effective unless it is in writing. No single or partial exercise of any right or remedy shall prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided in this Deed are cumulative and not exclusive of any rights or remedies provided by law.

21. RELEASE OF SECURITY

Subject to the other provisions of this Deed, following the date on which all of the Secured Obligations have been unconditionally and irrevocably paid, performed and discharged in full, the Purchaser will, at the Assignor's request and cost, release, discharge and re-assign the Security to the Assignor.

23. ASSIGNMENT AND DISCLOSURE

23.1 The Assignor may not assign, transfer or otherwise dispose of, or create a Security Interest over, all or any of its rights, title, interest, benefits or obligations under this Deed.

 - (ii) any Security Interest granted to any holders (or any trustee or representative of any holders) of obligations owed, or securities issued, by the Purchaser as security for those obligations or securities,

in each case in any manner that it sees fit and without the consent of the Assignor.

The Assignor undertakes to assist and to procure that any member of its group of companies assists the Purchaser in effecting any such transaction, including by the
