1. **STATUTORY INFORMATION**

H.W. Rigging LTD is a private company, limited by shares, registered in Northern Ireland. The company's registered number and registered office address can be found on the Company Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

2. **ACCOUNTING POLICIES**

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Significant judgements and estimates

In preparing these financial statements the director has made the following judgements:

Consider the recoverability of trade debtors and work in progress and the need for impairment provisions. These considerations are undertaken regularly by the director, and especially at the year end date. Factors taken into account include historical experience, current market conditions and knowledge of the sector. Amounts identified as irrecoverable will be provided against in the relevant period.

Consider the depreciation rates on an annual basis to ensure there is sufficient evidence to support these and that the estimates remains reasonable.

Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery etc - 20% on reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Financial instruments

All financial statements of the company are considered to meet the definition of basic financial instruments.

-Short term debtors and creditors

Debtors and creditors with no stated interest rate and are receivable or payable on demand are recognised at transaction price, and subject to annual impairment reviews. Any losses arising on impairment are recognised in the profit and loss account.

-Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the statement of financial position date.

2. **ACCOUNTING POLICIES - continued**

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed by the statement of financial position date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

Holiday pay accrual

A liability is recognised to the extent of any unused holiday pay entitlement which has accrued at the balance sheet date and is available to carry forward to future periods. This is measured at the un-discounted salary cost of the future holiday entitlement so accrued at the balance sheet date.
