Ballyblaugh Limited**Notes to the Financial Statements****Year ended 30 September 2020**

1. General information

The company is a private company limited by shares, registered in Northern Ireland. The address of the registered office is 75 Warrenpoint Road, Rostrevor, Newry, Co Down, BT34 3ED.

The principal activity of the company during the year was the development of building projects and the buying and selling of own real estate.

2. Statement of compliance

These financial statements have been prepared in compliance with Section 1A of FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

3. Accounting policies**Basis of preparation**

The financial statements have been prepared on the going concern basis and in accordance with the historical cost convention modified to include certain items at fair value. The financial reporting framework that has been applied in their preparation is the Companies Act 2006 (the Act) and FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland issued by the Financial Reporting Council. The company qualifies as a small company for the period, as defined by section 382 of the Act, in respect of the financial year, and has applied the rules of the 'Small Companies Regime' in accordance with section 381 of the Act and Section 1A of FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

In preparing the financial statements the directors have considered the potential impact of the Covid-19 pandemic on the economy and possible implications for the company. The company made a loss of £1,568 for the year ended 30 September 2020 (2019: £1,876) and the Statement of Financial Position reflects a net liability position of £7,598 (2019: £6,030). At the balance sheet date, the company owed the directors £146,148 and a related party £301,876. The directors and related party will not seek repayment of this amount in the next financial year. On this basis the directors consider it appropriate to prepare the financial statements on a going concern basis.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

In preparing these financial statements the directors have had to make judgements on the assessment of the company's ability to continue as a going concern.

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

3. Accounting policies *(continued)*

Other financial assets

Other financial assets comprise other debtors. Other financial assets are initially measured at the undiscounted amount of cash receivable and are subsequently measured at amortised cost less impairment, where there is objective evidence of an impairment.

Other financial liabilities

Other financial liabilities include trade creditors, amounts owed to related parties and other creditors. Other financial liabilities are measured at invoice price, unless payment is deferred beyond normal business terms or is financed at a rate of interest that is not a market rate. In this case the arrangement constitutes a financing transaction, and the financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Ordinary share capital

The ordinary share capital of the company is presented as equity.

4. Employee numbers

The average number of persons employed by the company during the year amounted to Nil (2019: Nil).
