**MEMBERS' REPORT
FOR THE YEAR ENDED 5 APRIL 2014**

The members present their annual report together with the unaudited financial statements of Future Screen Partners 2005 No. 1 LLP ("the LLP") for the year ended 5 April 2014.

PRINCIPAL ACTIVITIES

The principal activity of the LLP in the year under review was that of acquiring and leasing films for exploitation. The LLP is currently leasing the films 'Harvester', 'Razor's Edge' and 'Wickie the Viking'.

DESIGNATED MEMBERS

The following designated members have held office since 6 April 2013:

Future Films (Partnership Services) Limited
Future Films (Management Services) Limited

Each Designated Member has contributed £50, Future Films (Partnership Services) Limited has since contributed an additional £8,698,017. Their entitlement to income and profits is specified in the Partnership Deed.

RESULTS FOR THE YEAR AND ALLOCATION TO MEMBERS

The profit for the year before members' remuneration and profit shares was £325,432 (2013: £319,238)

MEMBERS' CAPITAL AND INTERESTS

The Designated Members have decided that distributions to members be deemed repayments of members capital.

Members had previously taken drawings on account of anticipated future profits, such drawings giving rise to amounts due from Members where the value of the drawings exceeded the value of the profits allocated to them. During the 2011 financial year, the Designated Members determined to repay such capital as was necessary to eliminate the amounts due from Members on the basis that this capital is no longer required for the business of the LLP.

The capital requirements of the partnership are determined by the Partnership Agreement, Each Member is required to subscribe a proportion of this capital. The amount of capital subscribed by each Member is usually linked to the earnings allocated to that Member. No interest is paid on capital. On leaving the partnership, a member's capital is repayable as set out in the Partnership Agreement.

During the period up to 5 April 2014 no members' interests were transferred from capital to debt.

**MEMBERS' REPORT (continued)
FOR THE YEAR ENDED 5 APRIL 2014**

MEMBERS RESPONSIBILITY STATEMENT

The members are responsible for preparing the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Under that law the members have elected to prepare the financial statements in accordance with the United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law, as applied to LLPs, the members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the LLP and of the profit or loss of the LLP for that period. In preparing these financial statements, the members are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and accounting estimates that are reasonable and prudent;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the LLP will continue in business.

**BALANCE SHEET
FOR THE YEAR ENDED 5 APRIL 2014**

The financial statements have been prepared in accordance with the special provisions relating to LLPs subject to the small LLPs regime within Part 15 of the Companies Act 2006 as applied by The Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008 and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The financial statements were approved and authorised for issue by the members and were signed on their behalf by:

Future Films (Partnership Services) Limited

5.1.15

The notes on pages 7 to 10 form part of these financial statements.

1. ACCOUNTING POLICIES**1.1 Basis of preparation of financial statements**

The financial statements have been prepared under the historical cost convention and in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Principles), in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008) and the Limited Liability Partnership Statement Of Recommended Practice ("SORP"), March 2006, which have been applied consistently (except as otherwise stated).

1.2 Turnover

Turnover represents income received by way of finance lease charges and operating lease rentals. Turnover is recognised in the period once the right to the income is earned.

1.3 Tangible fixed assets and depreciation

Tangible fixed assets comprise the cost of acquiring master negatives and the rights of these films by the partnership, excluding those that are subsequently leased out on finance lease arrangements.

Amortisation is provided on a systematic basis to match the costs against the rental income that will be earned during the anticipated economic life of the film asset.

1.4 Taxation

The taxation payable on the partnership profits is the personal liability of the members during the period and consequently neither taxation nor related deferred taxation are accounted for in the financial statements. Amounts retained for tax are treated in the same way as other profits of the partnership and are included in "Members' interests" or in "Loans and other debts due to members" depending on whether or not division of profit has occurred.

1.5 Recognition of capital

The financial statements have been prepared in accordance with the requirements of FRS 25 as applied to LLPs by the applicable SORP. Since the profits of the LLP are automatically distributed, FRS 25 requires members' capital to be disclosed as a liability, rather than equity. It is for this reason only that the members' capital has been presented as a liability.

1.6 Amounts recoverable on contracts

Once a film has been leased to a producer, under the terms of the finance lease, the value attributable to the finance lease is included in the balance sheet as an amount recoverable on contract. The amount of that attributable value is the net present value of the minimum lease payments under the contract. Each year the net present value is recomputed and the reduction in value of the lease is set off against the rental income and treated as a recovery of the leasing debt. This computation is carried out on a consistent basis year on year.

1.7 Capital Contribution

Where capital contributions by partners are unpaid at the balance sheet date, but a binding commitment to contribute that capital has been given by the partner, the capital contribution is recognised as such, and the amount unpaid is shown as a debtor.

1.8 Members' current accounts

All cash transactions between the LLP and its Members are included in the Members' current account to the extent that they are not matched by allocation of profits and losses unless the transactions are contributions or repayments of capital, in which case they are included in the Members' capital accounts.
