HARWOOD FILM PARTNERSHIP LLP
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED 5 APRIL 2008

1. ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007) and the requirements of the Statement of Recommended Practice "Accounting for Limited Liability Partnerships" issued March 2006 (SORP 2006).

Finance Leases

The LLP acts as a lessor. Under these leases, the LLP retains legal title to the assets but passes substantially all of the risks and rewards of ownership to the lessee, in return for a rental stream.

The capital element of all future rental payments is recorded in the balance sheet as a debtor at the amount of net investment in the lease less provision for any items such as bad and doubtful rentals receivable.

Rentals received are apportioned between finance income, which is credited to the profit and loss account, and the capital element, which reduces the debtor.

Taxation

Taxation on all partnership profits is solely the personal liability of the individual members. Consequently neither taxation nor related deferred taxation arising in the partnership has been accounted for in these financial statements.

2. TURNOVER

Turnover represents finance income element of the rental stream, excluding VAT, allocated annually to give a constant periodic rate of return on the LLP's net cash investment in the lease in each financial year.

3. PARTICULARS OF MEMBERS

The average number of members during the period was 30, plus 2 designated members. No members received remuneration. The largest profit share attributable to a member for the period was £95,519.

4. OPERATING PROFIT/(LOSS)

Operating profit/(loss) is stated after charging:

	2008 £	2007 restated £
Auditor's fees	-	-
Costs relating to the audit of the financial statements are borne by Scotts Film Management Limited, as per the film management services agreement.

HARWOOD FILM PARTNERSHIP LLP
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED 5 APRIL 2008

9. CONTINGENT LIABILITIES

The performance, observance and discharge by the LLP of each of its obligations, under distribution agreements is secured via a charge over the Distribution Rights in the productions acquired and exploited by the LLP.

The LLP has entered into deeds of assignment and charges over assets with the Bank of Ireland. The deeds relate to security for loans obtained by individual members to fund their capital subscription to the LLP. These loans plus interest are being repaid from the members' drawings from the LLP. The value of these loans is equal to the total of members' interests at note 11.

The designated members consider it unlikely that the LLP's charges over the distribution rights would ever require to be assigned to the Bank of Ireland.

10. ULTIMATE CONTROLLING PARTY

In the opinion of the designated members, there is no ultimate controlling party.
