### Notes to the financial statements

### 1.CONTINGENT LIABILITIES

The performance, observance and discharge by the LLP of each of its oligations, under distribution agreements are secured via a charge over the Distribution Rights in the productions acquired and exploited by the LLP.

The LLP has entered into deeds of assignment and charges over assets with Bank of Ireland. The deeds relate to security for loans obtained by individual members to fund their capital subscription to the LLP. These loans plus interest are being repaid from the members' drawings from the LLP.

The Designated Members consider it unlikely that the LLP's charges over the distribution rights would ever require to be assigned to Bank of Ireland.
