HARWOOD FILM PARTNERSHIP LLP NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED 5TH APRIL 2018

1 GENERAL INFORMATION

The LLP is registered in England. The address of the registered office is c/o Turcan Connell, 12 Stanhope Gate, London, W1K 1AW.

2 STATEMENT OF COMPLIANCE

These financial statements have been prepared in compliance with Section 1A of FRS 102, "The Financial and Reporting Standard applicable in the UK and Republic of Ireland", and the requirements of the Statement of Recommended Practice "Accounting by Limited Liability Partnerships" issued in January 2017 (SORP 2017).

3 ACCOUNTING POLICIES

Basis of preparation

The financial statements have been prepared under the historical cost convention. The financial statements are prepared in sterling, which is the functional currency of the entity.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires members to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on expectations of future events that are believed to be reasonable under the circumstances

Members' participation rights

Members' capital is classified as a financial liability in the balance sheet.

Finance Leases

The LLP acts as a lessor. Under these leases, the LLP retains legal title to the assets but passes substantially all of the risks and rewards of ownership to the lessee, in return for a rental stream. The capital element of all future rental payments is recorded in the balance sheet as a debtor at the amount of net investment in the lease less provision for any items such as bad and doubtful rentals receivable. Rentals received are apportioned between finance income, which is credited to the profit and loss account, and the capital element, which reduces the debtor.

Taxation

Taxation on all partnership profits is solely the personal liability of the individual members. Consequently neither taxation nor related deferred taxation arising in the partnership has been accounted for in these financial statements.

4 REVENUE RECOGNITION

Turnover represents the finance income element of the rental stream allocated annually to give a constant periodic rate of return on the LLP's net cash investment in the lease in each financial year.

5 PARTICULARS OF MEMBERS

The average number of members during the period was 30, plus 2 Designated Members. The largest profit share attributable to a member for the period was £42,998.
