# Notes to the Financial Statements for the Year Ended 31 March 2021

#### 1. STATUTORY INFORMATION

Clive Owen LLP is registered in England and Wales. The LLP's registered number and registered office address can be found on the General Information page.

#### 2. ACCOUNTING POLICIES

#### Basis of preparing the financial statements

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the requirements of the Statement of Recommended Practice, Accounting by Limited Liability Partnerships. The financial statements have been prepared under the historical cost convention.

There were no material departures from the standards.

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year, and also have been consistently applied within the same accounts.

#### Revenue recognition

Turnover represents revenue earned under contracts to provide professional services. Revenue is recognised as earned when, and to the extent that, the firm obtains the right to consideration in exchange for its performance under these contracts. It is measured at the fair value of the right to consideration, which represents amounts chargeable to clients, including expenses but excluding value added tax.

Revenue is generally recognised as contract activity progresses so that for incomplete contracts it reflects the partial performance of the contractual obligations. For such contracts the amount of revenue reflects the accrual of the right to consideration by reference to the value of work performed. Revenue not billed to clients is included as accrued income in debtors with any payments on account in excess of the relevant amount of revenue being included in accruals and deferred income in creditors.

Fee income that is contingent on events outside the control of the firm is recognised when the contingent event occurs.

#### Goodwill

Goodwill, being the amount paid in connection with the acquisition of a business in 2019, is being amortised evenly over its estimated useful life of five years.

#### Intangible assets

Intangible assets are initially measured at cost. After initial recognition, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

#### Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Short leasehold - 10% on cost
Office equipment - 20% - 25%
Motor vehicles - 25% on cost

#### Financial instruments

Basic financial instruments are recorded at amortised with changes recognised in the Profit and Loss Account.

#### Hire purchase and leasing commitments

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.

### Notes to the Financial Statements - continued for the Year Ended 31 March 2021

#### 2. **ACCOUNTING POLICIES - continued**

# Pension costs and other post-retirement benefits

The LLP operates a defined contribution pension scheme. Contributions payable to the LLP's pension scheme are charged to profit or loss in the period to which they relate.

### Fixed asset investment

Fixed asset investments are stated at cost less any permanent diminution in value.

#### 3. **EMPLOYEE INFORMATION**

The average number of employees during the year was 94 (2020 - 86).
