NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 30 APRIL 2014

1 ACCOUNTING POLICIES

Basis of preparing the financial statements

The LLP was dormant during the year and is reliant on support from related parties. In the current economic environment there is uncertainty on their ability to continue to provide this support.

The members have prepared the financial statements on a going concern basis and they do not include any adjustment that would take into account the impact if the LLP was unable to continue as a going concern.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008) and the requirements of the Statement of Recommended Practice, Accounting by Limited Liability Partnerships.

Taxation

Taxation payable on the LLP's losses or profits is a personal responsibility of the members during the year. Retention from profits earned up to the balance sheet date is made to fund payment of taxation on member's behalf.

Professional insurance

Provision is made on a case by case basis in respect of the costs of defending claims and where appropriate, the estimated cost of settling claims where such costs are not covered by insurance. Outstanding claims are renewed each year and adjustments to provisions are made as appropriate in the current year.
