MEMBERS' REPORT YEAR ENDED 5 APRIL 2018

The members present the Annual Report on the affairs of Blyth Films LLP ("the Partnership"), together with the financial statements and auditor's report, for the year ended 5 April 2018.

Principal activities

The Partnership commenced its trade in the 2005/06 tax year, at which time the members contributed capital for the purposes of acquiring from, and leasing back to producers (under 15 year finance leases), films certified as "British" in accordance with the Films Act 1985, in exchange for guaranteed rental payments (the "Original Leasing Transactions").

In the 2011/12 tax year, the members contributed additional capital to the Partnership in order to acquire a further film ("X-Men: First Class") for leasing (under an operating lease arrangement) with a view to generating further profits. Rental payments from the operating lease are not guaranteed and are dependent on the commercial performance of the further film acquired (the "Further Leasing Transaction").

The Original Leasing Transactions will reach the end of their lease period during the year ending 5 April 2022. Accordingly the Partnership will continue to own rights in the film, "X-Men: First Class", and will monitor the performance of the film and collect any cashflows which may fall due from their exploitation.

Further details regarding the finance leases and operating leases can be found in Note 1 to the financial statements, whilst the films previously acquired are outlined in Note 6 to the financial statements.

Going concern

The Partnership is in a net assets position and under the terms of its Original Leasing Transactions the Partnership has guaranteed rental payments for the next 4 years. The Partnership will monitor the performance of its Fufther Leasing Transaction and collect future cashflows which may fall due from its exploitation.

The members believe that the Partnership will be able to meet its obligations as they arise and they have a reasonable expectation that the Partnership will continue in operational existence for the foreseeable future.

Further details regarding the adoption of the going concern basis can be found in Note 1 to the financial statements.

Policy regarding members' drawings and capital

The Designated Members serving during the year were Fleet Film Partners 1 Limited and Fleet Film Partners 2 Limited ("the Designated Members").

The Designated Members are not entitled to drawings in relation to the Original Film investments. In accordance with the Amended and Restated Members' Agreement, no ordinary member shall be entitled to make drawings on account of profits to which they are entitled, unless unanimously agreed by the ordinary members, or unless permitted under that Agreement.

The Designated Members are entitled to drawings in relation to New Film investments and all Reinvestment Films. In accordance with the Amended and Restated Members' Agreement, Designated Members and the ordinary members shall be entitled to make drawings on account of profits to which they are entitled jointly in the Partnership Proportions under that Agreement.

There were no transfers of members' capital to debt during the year. The operating cash requirements of the Partnership shall ordinarily be met out of the members' initial and additional contributions. No member shall be required to make further funding available after their admission as a member.

MEMBERS' REPORT (CONTINUED) YEAR ENDED 5 APRIL 2018

Statement of members' responsibilities

Under the Members' Agreement, the Partnership is obliged to produce financial statements on an annual basis. The Designated Members are responsible for preparing the annual report and financial statements in accordance with applicable law and regulations.

Legislation applicable to limited liability partnerships ("LLPs") requires the members to prepare financial statements for each financial year. Under that law the members have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under Partnership law, as applied to LLPs, the members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Partnership and of the profit or loss of the Partnership for that year. In preparing these financial statements, the members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis, unless it is inappropriate to presume that the Partnership will continue in business.

The members are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Partnership and enable them to ensure that the financial statements comply with the Companies Act 2006, as applicable to LLPs. They are also responsible for safeguarding the assets of the Partnership and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The operator of the Partnership is Ingenious Media !nvestments Limited ("the Operator").

In so far as the Designated Members are aware:

- there is no relevant audit information of which the Partnership's auditor is unaware; and
- each Designated Member has taken all steps (such as making enquiries of other members and the auditor and any other steps required by the Designated Members' duty to exercise due care, skill and diligence) that they should have taken to make themselves aware of any relevant audit information and to establish that the Partnership's auditor is aware of that information.

These responsibilities are exercised by the Designated Members on behalf of the Partnership.

Auditor

Shipleys LLP are deemed to be re-appointed under s487(2) of the Companies Act 2006 as applicable to LLPs.

MEMBERS' REPORT (CONTINUED) YEAR ENDED 5 APRIL 2018

Small companies exemptions

This report has been prepared in accordance with the provisions applicable to entities entitled to the small companies exemption. This is in accordance with Part 15 of the Companies Act 2006, as applicable to LLPs. The Partnership has taken advantage of the exemption for the requirement to disclose an enhanced business review and to prepare a strategic report in accordance with section 414B of the Companies Act 2006.

The report was approved by the Designated Members and signed on their behalf by:

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BLYTH FILMS LLP

Opinion

We have audited the financial statements of Blyth Films LLP (the "Partnership") for the year ended 5 April 2018 which comprise the Profit and Loss Account, the Balance Sheet and Notes to the Financial Statements, including a summary of accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the United Kingdom and Republic Ireland (United Kingdom Generally Accepted Accounting Practice)'.

This report is made solely to the Partnership's members, as a body, in accordance with Chapter 3 of Part 16:of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Partnership's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Partnership and the Partnership's members as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the Partnership's affairs as at 5 April 2018 and of its profit for the year then ended:
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, as applicable to limited liability partnerships.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Partnership in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the FRC's Ethical Standard, the provisions available for small entities (see note 1 to the financial statements) and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of members

As explained more fully in the members' responsibilities statement (see page 2), the members are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the members are responsible for assessing the Partnership's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the members either intend to liquidate the Partnership or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website. This description forms part of our auditor's report.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BLYTH FILMS LLP (CONTINUED)

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you

- the members' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the members have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Partnership's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Opinions on other matters prescribed by the Companies Act 2006, as modified by the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the members' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the members' report has been prepared in accordance with applicable legal requirements.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The members are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Partnership and its environment obtained in the course of the audit, we have not identified material misstatements in the members' report.

We have nothing to report in respect of the following matters where the Companies Act 2006 as applicable to limited liability partnerships requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit; or
- the members were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the members' report and from the requirement to prepare a strategic report.

NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED 5 APRIL 2018

1. ACCOUNTING POLICIES

The principal accounting policies are summarised below. They have been applied consistently throughout the current and preceding year.

General information and basis of preparation of financial instruments

The Partnership was incorporated in England and Wales as a limited liability partnership under the Limited Liability Partnerships Act 2000. Its place of business and registered office address is 15 Golden Square, London, W1F 9JG. The nature of the Partnership's operations and principal activity are set out in the Members' Report on page 1.

The functional currency of the Partnership is considered to be pound sterling which is the currency of the primary economic environment in which the Partnership operates.

The financial statements have been prepared under the historical cost convention in accordance with Financial Reporting Standard 102 Section 1A ('FRS 102 Section 1A'), the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

The preparation of financial statements in compliance with FRS 102 Section 1A requires the use of certain critical accounting estimates (see note 2 to the financial statements). It also requires management to exercise judgement in applying the Partnership's accounting policies.

The financial statements do not include a cash flow statement because the Partnership is a qualifying entity under FRS 102 Section 1A for taking advantage of the exemption from preparing such a statement.

Turnover

Turnover, excluding VAT, is recognised on the following basis:

(i) Finance lease income

The recognition of finance lease income is calculated to reflect a constant periodic rate of return on the net cash investment in the lease.

(ii) Operating lease income

Operating lease income is determined by the commercial success of the film and recognised when received.

(iii) Participation in film net revenues

The Partnership's participation in film net revenues in excess of net investment in film finance leases, development and production expenditure, is recognised in turnover when notified by the relevant collection agent.

The members do not consider any one part of the worldwide market to be significantly different from any other.

Film finance leases

In accordance with SSAP 21 'Accounting for leases and hire purchase contracts', the amount due from the lessee under finance leases is recorded in the balance sheet of the Partnership as a debtor at the amount of the net investment in the lease, less provision for any items such as bad and doubtful rentals receivable.

Rentals received in advance

When lease rentals are received in advance of the period to which they relate, the amounts are recorded as rentals received in advance and included as creditors due within one year.

Film operating leases

Assets leased under operating leases have been recorded as fixed assets and depreciated on a straight-line basis at 20% p.a. Rental income is recognised when received.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) YEAR ENDED 5 APRIL 2018

1. ACCOUNTING POLICIES (CONTINUED)

Going concern

Under the terms of its sale and leaseback agreements the Partnership has guaranteed rental payments for the next 4 years. The Partnership is in a net assets position. Accordingly, the members believe that the Partnership will be able to maintain positive cash flows for the foreseeable future. As a result the going concern basis of accounting has been adopted.

Taxation

No current or deferred taxation is provided in the financial statements as the liability for taxation falls on the individual members.

2. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the Partnership's accounting policies, which are described in Note 1, the members are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Critical accounting judgements in applying the accounting policies

The following are the critical judgements that the members have made in the process of applying the Partnership's accounting policies and that have the most significant effect on the amounts recognised in the financial statements:

Impairment of investments

Assets, other than those measured at fair value, are assessed for indicators of impairment at each balance sheet date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss as described below.

Financial assets

For financial assets carried at cost less impairment, the impairment loss is the difference between the asset's carrying amount and the best estimate of the amount that would be received for the asset if it were to be sold at the reporting date.

Where indicators exist for a decrease in impairment loss, and the decrease can be related objectively to an event occurring after the impairment was recognised, the prior impairment loss is tested to determine reversal. An impairment loss is reversed on an individual impaired financial asset to the extent that the revised recoverable value does not lead to a revised carrying amount higher than the carrying value had no impairment been recognised.

Income

For films acquired under operating leases the Partnership is entitled to receive rental payments which accrue to it and which are subject always to the performance of that film. Although the members periodically estimate the amount of rental income that would be received for the asset this revenue is recognised only when it is probable that the income will be received, which is normally when the event has occurred.

3. TURNOVER

Turnover represents finance lease income calculated to reflect a consistent periodic rate of return on the net cash investment in the lease plus any participation in net film revenues receivable in excess of the net investment made. Operating lease turnover is derived from operating lease charges on a cash received basis.
