FOR THE YEAR ENDED 31 MARCH 2022**

1. STATUTORY INFORMATION

Fiona Bruce & Co LLP is registered in England and Wales. The LLP's registered number and registered office address can be found on the General Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the requirements of the Statement of Recommended Practice, Accounting by Limited Liability Partnerships. The financial statements have been prepared under the historical cost convention.

Turnover

Turnover is measured at the fair value of legal services provided during the year. Fair value reflects the amount expected to be recoverable from clients and is based on time spent and expenses incurred. Fee income is stated net of Value Added Tax.

Legal services provided to clients during the year which, at the balance sheet date, have not been invoiced to clients, have been recognised as fee income in accordance with Section 23 Revenue of Financial Reporting Standard 102. Fee income recognised in this manner is based on an assessment of the fair value of the services provided by the balance sheet date as a proportion of the total value of the engagement.

Unbilled fee income is included as accounts recoverable on contracts within debtors. Amounts recoverable on contracts are stated at fair value where the right to consideration has been obtained. Provision is made against unbilled amounts on those engagements where the right to receive payments is contingent on factors outside the control of the Partnership. Contingent fee income (over and above any agreed minimum fee which is recognised as above) is recognised in the period when the contingent event occurs.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.
Plant and machinery etc - 25% on reducing balance

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The LLP operates a defined contribution pension scheme. Contributions payable to the LLP's pension scheme are charged to profit or loss in the period to which they relate.
