Statement of members' responsibilities

The members are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Limited Liability Partnership law requires the members to prepare financial statements for each financial year. Under that law the members have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the Limited Liability Partnership and of the profit or loss for that year. In preparing those financial statements, the members are required to

- a) Select suitable accounting policies and then apply them consistently,
- b) Make judgements and estimates that are reasonable and prudent, and
- c) Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the limited liability partnership will continue in business.

The members are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the partnership and to enable them to ensure that the financial statements comply with the requirements of the Companies Act 2006 as applicable under the Limited Liability Partnerships Act 2008. They are also responsible for safeguarding the assets of the partnership and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The members are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.
