REPORT OF THE MEMBERS

Period from 10th February 2006 to 5th April 2007

Principal Activities

The Partnership was formed in order to develop commercial film opportunities through a combination of sale and leaseback transactions and film development projects

Review of the Year

The Partnership was formed on 10th February 2006

The Designated Members serving during the period were Fleet Film Partners 1 Limited (appointed 10 February 2006) and Fleet Film Partners 2 Limited (appointed 10th February 2006)

During the period to 5th April 2007, 3 films, costing some £48 million were acquired and leased back to their producers. Details of these films are as set out in note 6 to the financial statements

Future Developments

The Partnership will continue to consider opportunities to acquire film rights and other lease opportunities. Due to the phasing out of the film reliefs that supported sale and leaseback and the introduction of the new regime under which film production companies will be entitled to claim tax credits, there will be fewer opportunities available. Lower budget films that commenced principal photography prior to 1st April 2006 and were completed before 1st January 2007, will qualify if acquired by 30th September 2007. Higher budget films will continue to qualify even though incomplete at 1st January 2007, provided that they are acquired by 31st March 2008.

STATEMENT OF MEMBERS' RESPONSIBILITIES

Under the Members' Agreement, the Partnership is obliged to produce financial statements on an annual basis. The Designated Members organise the preparation of financial statements which give a true and fair view of the state of affairs of the Partnership as at the end of the financial period and of the profit or loss of the Partnership for that period.

In so doing, the Designated Members are required to

- select suitable accounting policies and apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the accounts on the going concern basis, unless that is deemed to be inappropriate.

The Designated Members are responsible for ensuring that proper accounting records are kept which disclose with reasonable accuracy at any time the financial position of the Partnership, and enable the Members to ensure that the financial statements comply with the Members' Agreement. They are also responsible for the system of internal control, for safeguarding the assets of the Partnership and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Policy regarding Members' Drawings and Capital

Designated Members are not entitled to drawings. In accordance with the Members' Agreement, no ordinary member shall be entitled to make any drawings on account of profits to which they are entitled, unless unanimously agreed by the Ordinary Members, or unless permitted under that Agreement. There were no transfers of Members' capital to debt during the period. Members' capital is subscribed in accordance with the current Members' agreement, and retained by the Partnership until such time as the Members agree to repay that capital. The operating cash requirements of the Partnership shall be met out of the Members' initial contributions, no Member shall be required to make any further funding available after his admission as a Member.
