Members' report

For the year ended 31 March 2016

The members present their report together with the audited financial statements of SilverStreet Capital LLP ('the LLP') for the year ended 31 March 2016.

Principal activities

The principal activity of the LLP is the provision of investment advisory and management services.

Designated Members

Designated members during the year and up to the date of this report were:

G Vaughan-Smith ('the Managing Member')

N Vaughan-Smith (appointed as designated member on 24 July 2015)

SilverStreet Capital Management Limited ('the Corporate Member') (resigned as designated member on 20 August 2015).

Policy for members' profits, bonuses drawings, subscriptions and repayment of members' capital

Policies for members' profits, drawings, bonuses and transfers from equity to debt, subscriptions and repayment of members' capital are governed by the Limited Liability Partnership Agreement originally dated 27 March 2007, which was updated and amended on 16 March 2015 and 21 July 2015. In summary, the Managing Member determines the capital contribution to be made by each member which shall be repayable only on winding up. The Managing Member has discretion to determine the level of each member's drawings, except that the Managing Member is entitled to withdraw such amounts as required to discharge expenses which have not otherwise been reimbursed.

During the year ended 31 March 2016, a member withdrew £207,973 of capital, which was replaced by another member. In the year ended 31 March 2015, a member withdrew £30,000 of capital, which was replaced by another member.

Members' responsibilities statement

The members are responsible for preparing the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

Company law, as applied to LLPs, requires the members to prepare financial statements for each financial year. Under that law the members have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under company law, as applied to LLPs, the members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the LLP and of the profit or loss of the LLP for that period. In preparing these financial statements, the members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the LLP will continue in business.

Members' report (continued)

For the year ended 31 March 2016

Members' responsibilities statement (continued)

The members are responsible for keeping adequate accounting records that are sufficient to show and explain the LLP's transactions and disclose with reasonable accuracy at any time the financial position of the LLP and enable them to ensure that the financial statements comply with the Limited Liability Partnerships (Accounts and Audit) (Application of the Companies Act 2006) Regulations 2008. They are also responsible for safeguarding the assets of the LLP and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the members on 25 July 2016 and signed on their behalf by:

Independent auditor's report to the members of SilverStreet Capital LLP
For the year ended 31 March 2016

We have audited the financial statements of SilverStreet Capital LLP for the year ended 31 March 2016, set out on pages 5 to 16. The financial reporting framework that has been applied in their preparation is applicable law and the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

This report is made solely to the LLP's members in accordance with the Companies Act 2006, as applied by Part 12 of The Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008. Our audit work has been undertaken so that we might state to the LLP's members those matters we are required to state to them in an Auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the LLP and the LLP's members for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of Members and Auditor

As explained more fully in the Members' responsibilities statement, the members are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Financial Reporting Council's Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at www.frc.org.uk/auditscopeukprivate.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the LLP's affairs as at 31 March 2016 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, as applied to limited liability partnerships by The Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008.

Independent auditor's report to the members of SilverStreet Capital LLP

For the year ended 31 March 2016

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006, as applied to limited liability partnerships, requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Notes to the financial statements

For the year ended 31 March 2016

1. LLP information

SilverStreet Capital LLP is a limited liability partnership incorporated in England & Wales. The registered office is 20-22 Bedford Row, London, WC1R 4JS. The registered number is OC325502.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland ('FRS102') and the Companies Act 2006 and the requirements of the Statement of Recommended Practice "Accounting by Limited Liability Partnerships".

Information on the impact of first-time adoption of FRS 102 is given in note 22.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the entity's accounting policies (see note 3).

The following principal accounting policies have been applied:

2.2 Revenue

Revenue comprises investment advisory, management and service fees.

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the LLP and the revenue can be reliably measured. Revenue is measured as the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes. The following criteria must also be met before revenue is recognised:

Rendering of services

Revenue from a contract to provide services is recognised in the period in which the services are provided in accordance with the stage of completion of the contract when all of the following conditions are satisfied:

- the amount of revenue can be measured reliably;
- it is probable that the LLP will receive the consideration due under the contract;
- the stage of completion of the contract at the end of the reporting period can be measured reliably, and;
- the costs incurred and the costs to complete the contract can be measured reliably.

2.3 Tangible fixed assets

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

The LLP adds to the carrying amount of an item of fixed assets the cost of replacing part of such an item when that cost is incurred, if the replacement part is expected to provide incremental future benefits to the LLP. The carrying amount of the replaced part is derecognised. Repairs and maintenance are charged to profit or loss during the period in which they are incurred.

Notes to the financial statements

For the year ended 31 March 2016

2. Accounting policies (continued)

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following bases:

Fixtures and fittings	- 4 years
Computer equipment	- 3 years

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised within 'other operating income' in the Statement of comprehensive income.

2.4 Operating leases: Lessee

Rentals paid under operating leases are charged to the profit or loss on a straight line basis over the period of the lease.

2.5 Debtors

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

2.6 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

In the Statement of cash flows, cash and cash equivalents are shown net of bank overdrafts that are repayable on demand and form an integral part of the entity's cash management.

2.7 Financial instruments

The LLP only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other accounts receivable and payable, loans other third parties and loans to related parties.

Debt instruments that are payable or receivable within one year, typically trade creditors or debtors, are measured, initially and subsequently, at the undiscounted amount of the cash or other consideration, expected to be paid or received. However if the arrangements of a short-term instrument constitute a financing transaction, like the payment of a trade debt deferred beyond normal business terms or financed at a rate of interest that is not a market rate or in case of an out-right short-term loan not at market rate, the financial asset or liability is measured, initially, at the present value of the future cash flow discounted at a market rate of interest for a similar debt instrument and subsequently at amortised cost.

Financial assets that are measured at cost or amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the statement of comprehensive income. The impairment loss is measured as the excess of an asset's carrying amount over its recoverable amount, which is an approximation of the amount that the LLP would receive for the asset if it were to be sold at the reporting date.

2.8 Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

Notes to the financial statements

For the year ended 31 March 2016

2. Accounting policies (continued)

2.9 Foreign currency translation

Functional and presentational currency

The LLP's functional and presentational currency is GBP.

Transactions and balances

Foreign currency transactions are translated into the functional currency using the spot exchange rates at the dates of the transactions.

At each period end foreign currency monetary items are translated using the closing rate. Non-monetary items measured at historical cost are translated using the exchange rate at the date of the transaction and non-monetary items measured at fair value are measured using the exchange rate when fair value was determined.

Foreign exchange gains and losses resulting from the settlement of transactions and from the translation at period-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the Income statement except when deferred in other comprehensive income as qualifying cash flow hedges.

Foreign exchange gains and losses that relate to borrowings and cash and cash equivalents are presented in the Income statement within 'finance income or costs'. All other foreign exchange gains and losses are presented in the Income statement within 'other operating income'.

2.10 Finance costs

Finance costs are charged to the Income statement over the term of the debt using the effective interest method so that the amount charged is at a constant rate on the carrying amount.

2.11 Interest income

Interest income is recognised in profit or loss using the effective interest method.

3. Judgements in applying accounting policies and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the reporting date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates. There are no judgements or estimates which are considered to have a significant effect on amounts recognised in the financial statements.

4. Analysis of revenue

An analysis of revenue by class of business is as follows:

	2016 £	2015 £
Investment advisory fees	1,908,317	1,351,780
	<u>1,908,317</u>	<u>1,351,780</u>
