## Members' Report

For the year ended 31 March 2021

---

The members present their annual report and financial statements for the year ended 31 March 2021,

### Principal activities

The principal activity of the limited liability partnership was that of trading in property.

### Members' drawings, contributions and repayments

The members' drawing policy allows each member to draw a proportion of their profit share, subject to the cash requirements of the business.

A member's capital requirement is linked to their share of profit and the financing requirement of the limited liability partnership. There is no opportunity for appreciation of the capital subscribed. Just as incoming members introduce their capital at "par", so the retiring members are repaid their capital at "par".

### Designated members

The designated members who held office during the year and up to the date of signature of the financial statements were as follows:

Mrs T. L. Baldwin

G. Holmes White (Properties) Limited

On behalf of the members

## Notes to the Financial Statements

For the year ended 31 March 2021

### 1 Accounting policies

#### Limited liability partnership information

Trees Property LLP is a limited liability partnership incorporated in England and Wales. The registered office is 4 Victoria Square, St Albans, Hertfordshire, AL1 3TF.

The limited liability partnerships' principal activities are disclosed in the Members' Report.

#### 1.1 Accounting convention

These financial statements have been prepared in accordance with the Statement of Recommended Practice "Accounting by Limited Liability Partnerships" issued in January 2017, together with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006.

The financial statements are prepared in sterling, which is the functional currency of the limited liability partnership. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

#### 1.2 Going concern

At the time of approving the financial statements, the members have a reasonable expectation that the limited liability partnership has adequate resources to continue in operational existence for the foreseeable future. Thus the members continue to adopt the going concern basis of accounting in preparing the financial statements.

#### 1.3 Turnover

Turnover represents amounts receivable for consultancy services and the gross proceeds from property sales during the year. Turnover from property sales is recognised at the date of exchange of contract unless conditions are placed upon the contract until completion.

#### 1.4 Members' participating interests

Members' participation rights are the rights of a member against the LLP that arise under the members' agreement (for example, in respect of amounts subscribed or otherwise contributed remuneration and profits).

Members' participation rights in the earnings or assets of the LLP are analysed between those that are, from the LLP's perspective, either a financial liability or equity, in accordance with section 22 of FRS 102. A member's participation rights including amounts subscribed or otherwise contributed by members, for example members' capital, are classed as liabilities unless the LLP has an unconditional right to refuse payment to members, in which case they are classified as equity.

All amounts due to members that are classified as liabilities are presented within 'Loans and other debts due to members' and, where such an amount relates to current year profits, they are recognised within 'Members' remuneration charged as an expense' in arriving at the relevant year's result. Undivided amounts that are classified as equity are shown within 'Members' other interests'. Amounts recoverable from members are presented as debtors and shown as amounts due from members within members' interests.

Once an unavoidable obligation has been created in favour of members through allocation of profits or other means, any undrawn profits remaining at the reporting date are shown as 'Loans and other debts due to members' to the extent they exceed debts due from a specific member.

### 1 Accounting policies (Continued)

#### 1.5 Stocks

Stock comprises properties held for re-sale.

Stock are stated at the lower of cost, which includes the cost of improvements, and net realisable value.

Net realisable value is based on estimated selling price less further costs expected to be incurred on disposal.

#### 1.6 Financial instruments

The entity only has basic financial instruments measured at amortised cost, with no financial instruments classified as other, or basic financial instruments measured at fair value.
