Red Sky Capital Solutions LLP**MEMBERS' REPORT****For the year ended 31st March 2023**

The members present their report and the unaudited financial statements for the year ended 31st March 2023.

Principal activity

Red Sky Capital Solutions LLP (the "LLP") continues to act as a financial services provider. It is a MiFID Article 3 exempt firms following the UK implementation of MiFID II and therefore exempt from any audit requirement.

Business review and future developments

The LLP's approach of focussing on a few high-quality clients has enabled it to continue to generate strong profits although there has been some fall off in revenues. The members are not currently actively seeking alternative sources of revenue but will consider opportunities that are of interest. Fixed costs remain under control and are more than covered from appointed representative fees. Once again we would like to thank our clients for their support during the period.

Profits

The profits for the year are £347,964 (2022: £361,717) and will be allocated amongst members in accordance with the members agreement.

Designated Members

The members who were the designated members during the year are shown below:

Partners' drawings and the subscription and repayment of partners' capital

All members are equity members and share in the profits and subscribe the entire capital of Red Sky Capital Solutions LLP.

Members may make drawings to the extent of their share of profits for the year. All payments are made subject to the cash requirements of the business.

The capital contributions of members are classified as equity as they can only be repaid at the discretion of the LLP.

Charitable and political donations

The LLP made no charitable or political contributions during the year or prior year.

Statement of Members' responsibilities

Legislation applicable to the limited liability partnership in the United Kingdom requires the members to prepare financial statements for each financial year which give a true and fair view of the state of affairs and of the profit or loss of the LLP for that period. Under that legislation the members have elected to prepare financial statements in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

MEMBERS' REPORT

For the year ended 31st March 2023

Statement of Members' responsibilities (continued)

In preparing those financial statements, the members are required to:

- select suitable accounting policies and apply them consistently;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements
- made judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to assume the LLP will continue in business

The members are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the LLP and to enable them to ensure that the financial statements comply with the limited liability partnership regulations. They are also responsible for safeguarding the assets of the LLP and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Red Sky Capital Solutions LLP
NOTES ON FINANCIAL STATEMENTS
For the year ending 31st March 2023

1 Accounting policies

Basis of accounting

Red Sky Capital Solutions LLP is a limited liability partnership incorporated in the United Kingdom. The address of the registered office is given in the LLP information on page 1 of these financial statements. The nature of the LLP's operations and principal activities are shown on the members report.

The financial statements have been prepared in accordance with applicable accounting standards including Financial Reporting Standard 102 The Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Statement of Recommended Practice; Accounting by Limited Liability Partnerships published in 2014 and the Companies Act 2006 (as applied to LLPs). The financial statements have been prepared on a going concern basis under the historical cost convention. The financial statements are prepared in sterling which is the functional currency of the LLP and rounded to the nearest £.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

Going Concern

These financial statements have been prepared on a going concern basis.

Turnover

Fees relate to financial services provided to clients. Fees relating to introducer fees are recognised when the client is billed. Appointed representative fees payable by clients are recognised as the services are provided.

Financial instruments

The LLP has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Basic financial assets, which include trade and other debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the LLP after deducting all of its liabilities.

Basic financial liabilities, including trade creditors, bank loans and other creditors, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of the transaction. All exchange differences are taken to the profit and loss account.

Cash flow statement

The LLP has taken advantage of the exemption from the requirement to produce a cash flow statement which is available to companies that are small.

For the year ending 31st March 2023

1 Accounting policies (continued)

Members' interests

Members' interests are treated as equity to the extent they cannot be repaid without the consent of the LLP and as loans to the extent members are entitled to repayment on demand. These loans rank parri passu with other creditors in the event of winding up. The members' agreement provides that capital can only be repaid with the consent of the LLP. As such capital contributions qualify as equity.

In accordance with the LLP SORP automatic allocations of profit to members are treated as an expense in the profit and loss account. During the year the members' agreement was amended such that all profits are now automatically allocated amongst the members.

2 Turnover

Substantially all of the LLP's turnover has been generated from the one business class of financial services. The LLP has no geographical or business segments.

3 Members

The average number of members during the year was 3 (2022: 3)

The member who was allocated the highest profit share during the year received an allocation of £147,986 (2022: £156,684). Profits are allocated amongst the members in recognition of their contribution to the profitability of the LLP as a whole.
