1 Accounting policies

Basis of preparation

The financial statements have been prepared under the historical cost convention, in accordance with applicable United Kingdom Accounting Standards (UK Generally Accepted Accounting Practice) and the Statement of Recommended Practice, Accounting by Limited Liability Partnerships (issued March 2010).

These financial statements have been prepared on a going concern basis and have been drawn up for the Partnership for the year ended 31 March 2015.

The principle accounting policies of Partnership remain unchanged from the previous year and are set out below.

Turnover

Transaction fees are earned and invoiced when a transaction has been completed. All other fees are earned on an accruals basis by spreading the income evenly over the year to which it relates. Turnover is stated excluding Value Added Tax.
