NOTE: Unless there are at least two designated members, all members will be designated members

1. The first part of the report is a general introduction to the subject of the study. It discusses the importance of the study and the objectives of the research. It also mentions the scope of the study and the limitations of the study.

2. The second part of the report is a literature review. It discusses the previous studies on the subject of the study. It also mentions the gaps in the literature and the need for the study.

3. The third part of the report is a description of the research methodology. It discusses the research design, the data collection methods, and the data analysis methods.

4. The fourth part of the report is a presentation of the results of the study. It discusses the findings of the study and the conclusions drawn from the study.

5. The fifth part of the report is a discussion of the implications of the study. It discusses the practical implications of the study and the theoretical implications of the study.

6. The sixth part of the report is a conclusion. It summarizes the findings of the study and the conclusions drawn from the study.

7. The seventh part of the report is a list of references. It lists the sources of information used in the study.

8. The eighth part of the report is an appendix. It contains supplementary material related to the study.

9. The ninth part of the report is a glossary. It defines the terms used in the study.

10. The tenth part of the report is a list of figures and tables. It lists the figures and tables included in the study.
