### Alternative name ♦

If at the date of restoration the LLP could not be registered under its former name without contravening the Limited Liability Partnerships Act 2000 (name not to be the same as another in the Registrar's index of company names), it must be restored to the Register under another name specified. This name is subject to the provisions the Limited Liability Partnerships Act 2000 (sensitive words and expressions; change of name: registration and issue a new certificate of incorporation; change of name: effect) as if the application to register were notice of change of name.

Please enter an alternative name if the former name is unavailable. Please check the LLP names' index to see if the alternative name is available at [www.companieshouse.gov.uk](http://www.companieshouse.gov.uk)

Alternative name

#### ♦ Alternative name

If the alternative name cannot be registered, the Registrar shall restore the LLP as if its LLP number was also its name. The LLP then has 14 days after the date of restoration to change its name by notice of change using form LL NM01. The LLP must give notice to the Registrar of the change.

It is an offence under the Limited Liability Partnerships Act 2000 as applied by the Limited Liability Partnerships (Application of the Companies Act 2006) Regulations 2009 if the LLP name is not changed within 14 days of the LLP being restored with LLP number as its name.
