CRITCHLEYS LLP

Members' Report

The members present their annual report and group financial statements for the year ended 31 May 2021.

PRINCIPAL ACTIVITIES

The group's principal activities are: accountants, auditors, taxation advisors, corporate finance, payroll and HR advisors, business recovery specialists and management accounting.

BUSINESS REVIEW AND FUTURE DEVELOPMENTS

The Members are pleased with the outcome for the year which was again impacted by the Covid pandemic, all staff moved to home working and clients have continued to be serviced without interruption.

The financial outcome fell slightly from £7.8m to £6.9m, there were reductions in income in a number of service lines impacted by the pandemic. Group profit after minority interests fell from £1,563,000 to £1,533,000, and average profits per member were £192,000, compared to £195,000 in 2020.

The LLP has started to repay the VAT deferred from 2020 and is repaying all other loans in accordance with their terms.

Our joint venture corporate finance business Kinetix Critchleys Corporate Finance LLP had another successful year with income of £634,000.

The Members remain focused on our future strategy for growth and will continue to build on our strengths, which include

- commitment to putting our clients at the heart of what we do
- providing a highly personalised service.
- developing our people
- investing in technology

PRINCIPAL RISKS AND UNCERTAINTIES FACING THE GROUP

The business is exposed to a number of risks as is any such firm, principal managed risks include:

- Continued Covid 19 risks to us and our clients
- Retention of quality staff and offering a positive and rewarding work environment
- Retention of clients by providing high quality, personalised services delivered by real experts
- Quality control of work by the use of robust procedures and processes that incorporate the best use of IT

Our risk management focus will continue to lead us to invest in three key areas, namely developing our people, ensuring that we deliver our services in a more integrated way across the Critchleys group and continuing to invest in technology.

We will also ensure that risks are mitigated by planning, management control and insurance cover. We are delighted to have appointed a Regulatory and Compliance Director to oversee our continuing high standards.

Members' Report (continued)

KEY PERFORMANCE INDICATORS

The key performance indicators for the profit and loss account are fees, gross profit percentage and net profit, for balance sheet they are working capital compared to income.

CRITCHLEYS LLP

Members' Report (continued)

DESIGNATED MEMBERS

The designated members of the LLP during the year together with subsequent changes are listed on page 1

STATEMENT OF MEMBERS RESPONSIBILITIES

The members are responsible for preparing the annual report and financial statements in accordance with applicable law and regulations.

Company law (as applied by The Limited Liability Partnerships (Accounts and Audit) (Application of the Companies Act 2006) Regulations 2008) requires the members to prepare financial statements for each financial year. Under that law the members have elected to prepare the financial statements in accordance with FRS102. Under company law (as applied by The Limited Liability Partnerships (Accounts and Audit) (Application of the Companies Act 2006) Regulations 2008) the members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the LLP and the group and of the group profit for the year. In preparing those financial statements, the members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the LLP will continue in business

The members are responsible for keeping adequate accounting records that are sufficient to show and explain the LLP's transactions and disclose with reasonable accuracy at any time the financial position of the LLP and to enable them to ensure that the financial statements comply with the Companies Act 2006 (as applied by The Limited Liability Partnerships (Accounts and Audit) (Application of the Companies Act 2006) Regulations 2008). They are also responsible for safeguarding the assets of the LLP and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The members' responsibilities above are discharged by the Designated Members.

On behalf of the members

R Kirtland (On behalf of Robert Kirtland Ltd)

Chairman

26/11/2021

CRITCHLEYS LLP

Accounting Policies for the year ended 31 May 2021

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards and the Statement of Recommended Practice; Accounting for Limited Liability Partnerships as published in 2017.

The group's principal accounting policies are set out below and have been applied consistently:

(a) BASIS OF PREPARATION

The consolidated financial statements comprise the accounts of Critchleys LLP and its subsidiary undertakings, Critchleys HR and Payroll LLP, Critchleys Audit LLP, landtax LLP and its associated undertaking Kinetix Critchleys Corporate Finance LLP drawn up to 31 May each year.

No profit and loss account is presented for Critchleys LLP as permitted by Section 408 of Companies Act 2006. The LLP's profit for the year was £1,002,000 (2020: £1,067,000)

(b) REVENUE RECOGNITION

Fee income represents revenue earned under a wide variety of contracts to provide professional services. Revenue is recognised as earned when, and to the extent that, the firm obtains the right to consideration in exchange for its performance under these contracts. It is measured at the fair value of the right to consideration, which represents amounts chargeable to clients, including expenses and disbursements but excluding value added tax.

For incomplete contracts, an assessment is made of the extent to which the revenue has been earned. This assessment takes into account the nature of the assignment, its stage of completion and the relevant contract terms. Revenue in respect of contingent fee engagements (over and above any agreed minimum fee) is recognised when the contingent event occurs and the recoverability of the fee assured.

Accrued income includes the value of work performed which has not been invoiced at the year end, in accordance with FRS 102.

Commission income is included in the accounts on an accruals basis.

CRITCHLEYS LLP

Accounting Policies for the year ended 31 May 2021

(c) AMORTISATION / INTANGIBLE FIXED ASSETS

Amortisation is calculated to write down the cost less estimated residual value of all intangible fixed assets over their expected useful lives as follows:

Goodwill – acquisitions	10% per annum of cost
Goodwill – purchased from retiring members	10% per annum of cost

(d) DEPRECIATION / PROPERTY, PLANT AND EQUIPMENT

Depreciation is calculated to write down the cost less estimated residual value of all tangible fixed assets over their expected useful lives as follows:

Leasehold improvements	Over period of lease
Fixtures and fittings	10% per annum of cost
Computer equipment	25% per annum of cost
Plant and Machinery	15% per annum of net book value

(e) GOODWILL

Goodwill is the difference between the fair value of consideration paid for an acquired entity and the aggregate of the fair value of that entity's identifiable assets and liabilities.

Positive goodwill is capitalised, classified as an asset on the balance sheet and amortised on a straight line basis over its useful economic life. It is reviewed for impairment at the end of the first full financial year following acquisition and in other periods if events or changes in circumstances indicate that the carrying value may not be recoverable.

(f) INVESTMENTS

Investments in subsidiary undertakings are stated at cost less any amounts written off.

(g) LEASED ASSETS

Where assets are financed by leasing (or hire purchase) agreements that give risks and rewards which approximate to ownership ("finance leases"), they are treated as if they had been purchased outright on credit. They are therefore initially recorded as a fixed asset and a liability at a sum equal to the fair value of the asset.

Leasing payments on such assets are regarded as consisting of a capital element which reduces the outstanding liability, and an interest charge.

Depreciation on such assets is based on the normal depreciation policy as detailed above.

CRITCHLEYS LLP

Accounting Policies for the year ended 31 May 2021 (continued)

All other leases are regarded as operating leases and total payments made under them are charged to the profit and loss account on a straight line basis over the duration of the lease.

(h) PENSION COSTS

The group and LLP operate a defined contribution scheme. The assets of the scheme are held separately from those of the group and LLP in an independent administered fund. The pension cost charge represents contributions payable by the group to the fund in the period.

(i) PROVISIONS FOR LIABILITIES

Dilapidations

Provision is made for any property dilapidation costs that may be incurred in the future, upon termination of a lease, where the cost is likely to be incurred and a reasonable estimate can be made.

Annual leave

Short term benefits including holiday pay and other similar non-monetary benefits, are recognised as an expense in the period in which the service is received. A liability is recognised to the extent of any unused holiday pay entitlement which is accrued at the Statement of financial position date and carried forward to future periods. This is measured at the undiscounted salary cost of the future holiday entitlement so accrued at the Statement of Financial Position date.

(j) FINANCIAL INSTRUMENTS

The group only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities like trade and other accounts receivable and payable, loans from banks and other third parties, and loans to related third parties.

Debt instruments that are payable or receivable within one year, typically trade payables or receivables, are measured initially and subsequently at the undiscounted amount of the cash or other consideration expected to be paid or received.

(k) MEMBERS' DRAWINGS AND THE SUBSCRIPTION AND REPAYMENT OF MEMBERS' CAPITAL

In accordance with the LLP agreement, from time to time the firm determines the amount of profit to be treated as members' fixed remuneration. This profit is treated as allocated. Allocated profit is included within 'loans and other debts due to members'. The remaining profit is allocated on a discretionary basis per the members' agreement and therefore is shown as 'profit available for discretionary division among members' in the profit and loss account and also within an equity reserve, 'other reserves', on the statement of financial position.

CRITCHLEYS LLP

Accounting Policies for the year ended 31 May 2021 (continued)

An individual member's capital requirement is linked to his or her profit share and the financing requirements of the firm. An interest rate of 2% above bank base rate is paid on the Members' Interests as brought forward at the start of the financial reporting period. The repayment of capital to retiring members is made over a period of 24 months, with amounts reclassified as amounts due to retired members.

The firm's drawings policy is determined by the designated members as they arise.

CRITCHLEYS LLP

For the year ending 31 May 2021 the Limited Liability Partnership was entitled to exemption from audit under section 477 of Companies Act 2006 as applied by Limited Liability Partnerships, relating to small LLPs. The members acknowledge their responsibility for complying with the requirements of the Companies Act 2006 (as applied to limited liability partnerships) with respect to accounting records and the preparation of accounts. These accounts have been prepared in accordance with the provisions applicable to LLPs subject to the small LLPs regime.

The financial statements were approved by the Members and authorised for issue on 26 November 2021.
