1 Accounting policies

Limited liability partnership information

Lord Interim Management LLP is a limited liability partnership incorporated in England and Wales. The registered office is Crown House, The Square, Alvechurch, Birmingham, B48 7LA.

The limited liability partnership's principal activities are disclosed in the Members' Report.

1.1 Accounting convention

These financial statements have been prepared in accordance with the Statement of Recommended Practice "Accounting by Limited Liability Partnerships" issued in January 2017, together with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006 as applicable to companies subject to the small companies regime. The disclosure requirements of section 1A of FRS 102 have been applied other than where additional disclosure is required to show a true and fair view.

1.2 Turnover

Turnover represents the amounts recoverable for the services provided to clients, excluding value added tax, under contractual obligations which are performed gradually over time.

If, at the Balance sheet date, completion of contractual obligations is dependent on external factors (and thus outside the control of the Limited Liability Partnership), then revenue is recognised only when the event occurs. In such cases, costs incurred up to the Balance sheet date are carried forward as work in progress.

1.3 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Office equipment	20% on cost
Motor vehicles	25% on reducing balance and 15% on reducing balance
