Notes to the abbreviated accounts for the period ended 30 November 2013

1 Accounting policies

a) Basis of accounting

The financial statements are prepared on the historical cost convention and have been prepared in accordance with applicable accounting standards and the Limited Liability Partnership Statement of Recommended Practice 2006.

The limited liability partnership has taken advantage of the exemption, conferred by Financial Reporting Standard 1, from presenting a cash flow statement as it qualifies as a small company.

b) Turnover

Turnover represents net invoiced sales of goods and services, excluding value added tax.

c) Members' remuneration

Remuneration is paid to certain members under a contract of employment and is included as an expense in the profit and loss account within "salaried remuneration of members". This amount also includes fixed amounts payable to the members as determined by the limited liability partnership agreement irrespective of the profits of the limited liability partnership.

A member's share in the profit or loss for the 2013 is accounted for as an allocation of profits. Unallocated profits and losses are included within "other reserves".

2 Tax on profit on ordinary activities

In most locations, including the UK, income tax payable on the allocation of profits to partners is the personal liability of the partners and hence is not shown in these financial statements.

3 Members' interests

	Loans and other debts due (note)		Total
	Members' capital (classified as equity) £	Total £	
Members' interests at 1 December 2012	877,965	877,965	877,965
Members' interests at 30 November 2013	877,965	877,965	877,965

4 Controlling Interests

In the opinion of the members there is no controlling party as defined by Financial Reporting Standard No 8 "Related party disclosures".
