## **NOTES TO THE ABBREVIATED ACCOUNTS**

**FOR THE YEAR ENDED 5 APRIL 2012**

---

### **1 Accounting policies**

#### **1.1 Accounting convention**

The financial statements are prepared under the historical cost convention

The financial statements have been prepared in accordance with the Statement of Recommended Practice, "Accounting by Limited Liability Partnerships", published in 2006 and the Companies Act 2006

#### **1.2 Compliance with accounting standards**

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and the Limited Liability Partnership Statement of Recommended Practice, which have been applied consistently (except as otherwise stated)

#### **1.3 Stock**

Stock is valued at the lower of cost and net realisable value

#### **1.4 Profit and loss allocations and amounts due from members.**

Where drawings and other distributions represent payments on account of profits these are deemed allocated to members to the extent that there are surplus profits available for division. Any over distribution is deemed recoverable from the members and included in debtors.

The division of any residual profit for a financial period is at the discretion of the designated members, and these amounts are classified as equity. Should the LLP make a loss, the members have no obligation to reimburse the LLP, and the loss is therefore shown as a debit balance within other reserves, classified as equity.

#### **1.5 Borrowing costs**

Borrowing costs net of interest received directly attributable to the acquisition and development of the property are capitalised and included within stock.

### **2 Creditors: amounts falling due after more than one year**

The aggregate amount of creditors for which security has been given amounted to £3,103,076 (2011 £1,485,000)
