**Members' capital**

All members contribute to the capital of the LLP in accordance with the LLP Partnership Agreement. Members' capital has therefore been treated as equity in these financial statements.

**Members' responsibilities statement**

The members are responsible for preparing the Report to the members and the financial statements in accordance with applicable law and regulations.

The Limited Liability Partnerships (Account and Audit) (Application of Companies Act 2006) Regulations 2008 (the 2008 Regulations) require the members to prepare financial statements for each financial year. Under that law the members have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under Regulation 8 of the 2008 Regulations the members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the LLP for that period.

In preparing these financial statements the members are required to

- select suitable accounting policies and then apply them consistently
- make judgements and accounting estimates that are reasonable and prudent,
- state whether UK Accounting Standards have been followed subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the LLP will continue in business.

Under Regulation 6 of the 2008 Regulations the members are responsible for keeping adequate accounting records that are sufficient to show and explain LLP's transactions and disclose with reasonable accuracy at any time the financial position of the LLP and enable them to ensure that the financial statements comply with those regulations. They are also responsible for safeguarding the assets of the LLP and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The members are responsible for the maintenance and integrity of the corporate and financial information included on the LLP's website. Legislation in the UK governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**Provision of information to Auditor**

In so far as the designated members are aware there is no relevant audit information of which the LLP's auditor is unaware. The designated members have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us or
- the financial statements are not in agreement with the accounting records and returns, or

**NOTES TO THE ACCOUNTS**  
Year ended 31 March 2013

**1 ACCOUNTING POLICIES**

**1.1 Accounting convention**

The financial statements have been prepared in accordance with applicable United Kingdom accounting standards, including the Statement of Recommended Practice 'Accounting by Limited Liability Partnerships' (issued March 2010). They have been prepared under the historical cost convention.

**1.2 Going Concern**

Although the LLP has incurred losses and has net liabilities of £8,400 at the year end, the financial statements have been prepared on a going concern basis as the LLP is not expected to incur any material expenses in the foreseeable future and the LLP's advisor, Paladin Capital Limited, has confirmed that it will meet the net liabilities and the cost of future administrative expenses if the LLP does not have sufficient funds available.

**1.3 Taxation**

The taxable profits of the LLP are assessed on the members personally. The LLP is not therefore liable to tax on trading profits or investment income and no provision is made in the financial statements for the members' personal taxation and deferred taxation liabilities.

**1.4 Turnover**

Turnover is stated net of VAT and trade discounts. Turnover from the supply of services represents the value of services provided under contracts to the extent that there is a right to consideration and is recorded at the value of the consideration due. Where a contract has only been partially completed at the balance sheet date, turnover represents the value of the service provided to date based on a proportion of the total contract value. Where payments are received from customers in advance of services provided, the amounts are recorded as Deferred Income and included as part of Creditors due within one year.

Profit is recognised on long-term contracts if the final outcome can be assessed with reasonable certainty by including in the profit and loss account turnover and related costs as contract activity progresses. Turnover is calculated by reference to the value of work performed to date as a proportion of the total contract value.

Where the right to consideration is uncertain or dependent upon a future uncertain event, no turnover is recognised and the related costs are included in the profit and loss account.

**1.5 Long-term contracts**

Amounts recoverable on long-term contracts, which are included in debtors, are stated at the net sales value of the work done less amounts received as progress payments on account. Excess progress payments are included in creditors as payment on account. Cumulative costs incurred net of amounts transferred to cost of sales less provision for contingencies and anticipated future losses on contracts are included as long-term contract balances in stock.

**1.6 Cash flow statement**

Under Financial Reporting Standard (FRS) 1, the LLP is exempt from the requirement to produce a cash flow statement on the grounds of its size.

**1.7 Members' capital**

All members contribute to the capital of the LLP in accordance with the LLP Partnership Agreement. Members' capital may only be withdrawn after 31 March 2018 and then only on a winding up or with special approval of 75% of the members as detailed in the LLP Partnership Agreement. Members' capital has therefore been treated as equity in these financial statements.

**1.8 Allocation and distribution of profits and losses**

The profits and losses of the LLP are allocated between the members according to the provisions of the LLP Partnership Agreement and are recorded in the current account of each member. Accumulated net losses in the members' current accounts are not recoverable from members and are therefore presented as a component of equity. Accumulated net profits are presented as an amount due to members within "loans and other debts due to members".

Allocation of profits are shown in the profit and loss account as "members' remuneration charged as an expense". Allocation of losses is shown as a movement in reserves.

Distributions of profits are made at the discretion of the members who are required, under the LLP Partnership Agreement, to consider and provide for the future financing requirements of the LLP in exercising their discretion.

**2 OPERATING LOSS**

The operating loss for the year is stated after charging

	Year Ended 31 March 2013 £	Year Ended 31 March 2012 £

Auditor's fees: non-audit remuneration for tax services	600	500
