INTEGRATED PLANNING OPPORTUNITIES NO. 6 LLP

NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2015

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements have been prepared in accordance with applicable United Kingdom accounting standards including the Statement of Recommended Practice 'Accounting by Limited Liability Partnerships' (Issued March 2010).

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the requirements of the Statement of Recommended Practice, Accounting by Limited Liability Partnerships.

The accounts have prepared using the going concern basis notwithstanding that the LLP has incurred losses and has net liabilities of £10,879 (2014: £10,159), at the year end.

The LLP is not expected to incur any material expenses in the foreseeable future and the LLP's advisor Paladin Capital Limited has confirmed that it will meet the net liabilities and the cost of future administrative expenses if the LLP does not have sufficient funds available.

On this basis, the members consider it appropriate to prepare the financial statements on the going concern basis.

Long-term contracts

Amounts recoverable on long-term contracts which are included in debtors are stated at the net sales value of the work done less amounts received as progress payments on account. Excess progress payments are included in creditors as payment on account. Cumulative costs incurred net of amounts transferred to cost of sales less provision for contingencies and anticipated future losses on contracts are included as long term contract balances in stock.

Members' capital

All members contribute to the capital of the LLP in accordance with the LLP Partnership Agreement. Members capital may only be withdrawn after 31 March 2016 and then only on a winding up or with a special approval of 75% of the members as detailed in the LLP Partnership Agreement. Members' capital has therefore been treated as equity in these financial statements.

Allocation and distribution of profits and losses

The profits and losses of the LLP are allocated between the members according to the provisions of the LLP Partnership Agreement and are recorded in the current account of each member. Accumulated net losses in the member current accounts are not recoverable from the members and are therefore presented as a component of equity. Accumulated net profits are presented as an amount due to members within 'loans and other debts due to members'.

Allocation of profits are shown in the profit and loss account as 'members remuneration charged as an expense'. Allocation of losses is shown as a movement in reserves.

Distribution of profits are made at the discretion of the members who are required under the LLP Partnership Agreement to consider and provide for the future financing requirements of the LLP in exercising their discretion.

2. ULTIMATE CONTROLLING PARTY

The designated members do not consider the LLP to have a controlling party.
