3. PRINCIPAL ACCOUNTING POLICIES

Fee Income & Revenue Recognition

Fee income represents the fair value of legal services provided during the year net of Value Added Tax. Fair value reflects the amount expected to be recovered from clients and is based on time spent, expertise and skills provided and expenses incurred.

Legal services provided to clients during the year which at the balance sheet date have not been invoiced to clients have been recognised as fee income. Provision is made against unbilled amounts on those engagements where the right to receive income is contingent on factors outside the control of the firm. Contingent fee income is recognised in the period when the contingent event occurs. Unbilled fee income is included as unbilled revenue within debtors.

Taxation

The taxation payable on the profits of limited liability partnerships is the personal liability of the members for the year.

Intangible Fixed Assets

Amortisation is provided at rates calculated to write off the cost of the asset on a straight line basis over their estimated economic life as follows:

Goodwill - 6% of cost

Tangible Fixed Assets

Depreciation is provided at rates estimated to write off the cost, less estimated residual value of each asset over its expected useful life as follows:

Leasehold improvements - 15% reducing balance

NOTES TO THE ACCOUNTS

PRINCIPAL ACCOUNTING POLICIES (continued)

Leasing and hire purchase commitments

Assets held under finance leases, which are those where substantially all of the risks and rewards of ownership of assets have passed to the LLP, and hire purchase contracts are recorded in the balance sheet as assets. Depreciation is provided on these assets over their estimated useful lives.

Future obligations under finance leases and hire purchase contracts are included in creditors, net of finance charges. Payments are apportioned between the finance element, which is charged to the profit and loss account as interest, and the capital element, which reduces the outstanding obligations.

All other leases are accounted for as 'operating leases' and the rentals charged to the Profit & Loss Account on a straight-line basis over the term of the lease.
