## NOTES TO THE ABBREVIATED ACCOUNTS

**FOR THE YEAR ENDED 31 MARCH 2016**

---

### **1 Accounting policies**

#### **1.1 Accounting convention**

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

The financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP); "Accounting by Limited Liability Partnerships", revised in 2014 and the Companies Act 2006.

#### **1.2 Compliance with accounting standards**

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and the Limited Liability Partnership Statement of Recommended Practice, which have been applied consistently (except as otherwise stated).

#### **1.3 Turnover**

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.

#### **1.4 Tangible fixed assets and depreciation**

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

|                                |                      |
|--------------------------------|----------------------|
| Computer equipment             | 33% straight line    |
| Fixtures, fittings & equipment | 25% reducing balance |

#### **1.5 Leasing**

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

#### **1.6 Revenue recognition**

Fee income represents revenue earned under a wide variety of contracts to provide professional services. Revenue is recognised as earned when, and to the extent that, the firm obtains the right to consideration in exchange for its performance under these contracts. It is measured at the fair value of the right to consideration, which represents amounts chargeable to clients, including expenses and disbursements but excluding value added tax.

Revenue is generally recognised as contract activity progresses so that for incomplete contracts it reflects the partial performance of the contractual obligations. For such contracts the amount of revenue reflects the accrual of the right to consideration by reference to the value of work performed. Revenue not billed to clients is included in debtors and payments on account in excess of the relevant amount of revenue are included in creditors.

Fee income that is contingent on events outside the control of the firm is recognised when the contingent event occurs.

#### **1.7 Financial instruments**

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.
