1 Introduction

Peter Hall and Katie Young of Peter Hall Limited were appointed Joint Liquidators of the LLP on 29 September 2015. Katie Young has since left the firm and as a result was removed as Joint Liquidator on 28 July 2017 by court order.

This report is the Liquidator's Second Progress Report and has been prepared in accordance with insolvency legislation to provide creditors with an update on the progress of the Liquidation of the LLP for the period from 29 September 2016 to 28 September 2017.

This report should be read in conjunction with my previous reports and correspondence to members and creditors.

2 Progress of the Liquidation

2.1 Intercompany Loans

As previously advised, the LLP's management accounts indicted that there were outstanding amounts of approximately £580,000 due from Argentia Management LLP.

Peter Hall and Katie Young were appointed Joint Administrators of Argentia Management LLP on 24 April 2015 and were subsequently appointed Joint Liquidators upon its move from administration to creditors' voluntary liquidation on 29 September 2015.

At present there are no funds available in the liquidation of Argentia Management LLP. However, Argentia Management LLP has a further claim against Wood (SE) Limited ("WSE") in respect of an intercompany loan. WSE was also placed into administration on 24 April 2015 and moved from 29 September 2015 with Peter Hall and Katie Young acting as Joint Administrators and then Joint Liquidators.

There are a number of complex transactions between these companies and connected company, Argentia Limited, which the Liquidator is in the process of unravelling to establish whether recovery action is appropriate.

To avoid prejudicing any recovery action which could be taken, the Liquidator is unable to provide further information to creditors at present. However, an update will be provided to creditors once investigations and any subsequent actions have been completed.

2.2 Removal of Joint Liquidator

Katie Young left the firm and as a result an application was made to court for her removal as Joint Liquidator. An order removing Katie Young as Joint Liquidator of the LLP was made on 28 July 2017, with Peter Hall remaining as sole Liquidator.

During the final period, the Liquidator has taken steps to ensure the relevant notices have been filed with the Registrar, the Secretary of State and that an advert was placed in the London Gazette in accordance with the terms of the order.

3 Creditors' Claims

3.1 Preferential Creditors

There are no known preferential creditors.

3.2 Secured Creditors

There are no known secured creditors

3.3 Prescribed Part

The Liquidator must state the amount of funds made available to unsecured creditors in respect of the prescribed part. This provision applies when a company has granted a floating charge after 15 September 2003.

As there are no creditors who will receive a distribution under a floating charge, the prescribed part provisions will not apply in this case.

3.4 Unsecured Creditors

Unsecured creditor claims totalling £1,645,141 have been received to date.

It is not yet known whether sufficient realisations will be made to enable a distribution to unsecured creditors. Any distribution is dependent on the level of realisations which can be made from the intercompany loans.

For any creditors who have not yet submitted their claim, a proof of debt form is available on this firm's website: www.peterhall.org.uk/notices.

4 Costs of Liquidation

4.1 Administrators' Remuneration

The Joint Administrators' fees were approved on 29 June 2015 by creditors by reference to the time properly given by the Joint Administrators and their staff in attending to matters arising in the Administration on a time cost basis plus disbursements and VAT.

The total time costs incurred in the administration were £6,971, of which £4,900 plus VAT was paid. The balance of the Joint Administrators' time costs remains outstanding.

4.2 Liquidator's Remuneration

Under insolvency legislation, the basis of the Joint Administrators' remuneration is carried forward to the liquidation.

Fees accrued during the period of this report total £2,644.00, being 11.20 hours at an average charge out rate of £236.07. During the Liquidation, total fees of £7,040.50 have been incurred, representing 36.00 hours at an average charge out rate of £195.57. Attached at Appendix 3 is a breakdown of the time costs incurred during the period of this report and a breakdown of the time costs incurred during the whole Liquidation.

Creditors should note that due to the nature of the investigations into intercompany balances, time recorded in dealing with the investigation matters is spread across four cases.

Due to the lack of available funds, no fees have been drawn in the liquidation. Any fees and disbursements drawn would be shown in the receipts and payments account. Please note that the receipts and payments account is shown net of VAT unless otherwise stated.

4.3 Professional Advisors

It has not been necessary to use professional advisors in this matter.

4.4 Expenses and Disbursements

A detailed explanation of category 1 and category 2 disbursements, together with the approved rates for category 2 disbursements, is set out in the Appendices.

Category 1 disbursements are those that are directly attributable to a third party invoice. Category 2 disbursements are those that are based upon an estimate or an internally set rate.

	Rates per he	our (£)
	At commencement	Current rates
Insolvency Practitioner / Director	315	345

Disbursements

Disbursements are categorised as either Category 1 or Category 2.

Category 1

Category 1 disbursements are clearly identifiable third party costs that are directly attributable to the case. Occasionally these disbursements are paid by Peter Hall Limited and then recharged to the case, usually when there are insufficient funds within the case to pay the disbursement at the time it falls due. Specific approval from creditors is not required for Category 1 disbursements.

Typical examples of Category 1 disbursements are:

- External room hire
- Document storage

Category 2

Category 2 disbursements are estimated or shared costs which may include some internal recharges from Peter Hall Limited. It is likely that it is not possible, or too costly, to calculate the exact cost and an estimate is therefore used. These disbursements can be paid from the case if the basis of the charge has been approved by creditors.

- Photocopying
- Internal room hire
- Stationery

The current levels of Category 2 disbursements recovered by Peter Hall Limited are as follows:
