MEMBERS' REPORT FOR THE YEAR TO 31 DECEMBER 2017

The members present their report and the accounts of Clan Campden Developments LLP ('the LLP') for the year to 31 December 2017.

These financial statements have been prepared in accordance with applicable United Kingdom accounting standards, including Financial Reporting Standard 102 section 1A – 'The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland for smaller entities' ('FRS 102 1A').

The LLP's principal activity is to invest in a limited liability partnership engaged in property development.

Designated members' responsibilities

The designated members are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

The Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008 (the 2008 Regulations) require the members to prepare financial statements for each financial year. Under that law the members have elected to prepare financial statements in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 section 1A, 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. The financial statements are required by law to give a true and fair view of the state of affairs of the LLP and of the profit or loss of the LLP for that period. In preparing these financial statements, the members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the limited liability partnership will continue in business.

The designated members are responsible for keeping adequate accounting records sufficient to show and explain with reasonable accuracy at any time the financial position of the partnership and to enable them to ensure that the financial statements comply with the requirements of the Companies Act 2006 as applicable to limited liability partnerships. The members are also responsible for safeguarding the assets of the partnership and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The designated members confirm that:

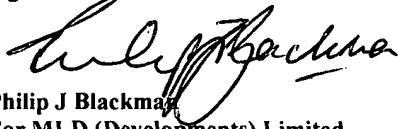

- so far as each designated member is aware, there is no relevant audit information of which the limited liability partnership's auditor is unaware; and
- the designated members have taken all the steps that they ought to have taken as designated members in order to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information

The designated members are responsible for the maintenance and integrity of the corporate and financial information included on the partnership's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Deloitte LLP, will be deemed reappointed for the next financial year in accordance with section 487(2) of the Companies Act 2006 as applied by the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008 unless the partnership receives notice under section 488(1) of the Companies Act 2006.

REPORT OF THE INDEPENDENT AUDITOR TO THE MEMBERS OF CLAN CAMPDEN DEVELOPMENTS LLP

Report on the audit of the financial statements

Opinion

In our opinion the financial statements:

- give a true and fair view of the state of the limited liability partnership's affairs as at 31 December 2017 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been prepared in accordance with the requirements of the Companies Act 2006 as applied to limited liability partnerships.

We have audited the financial statements of Clan Campden Developments LLP (the 'limited liability partnership') which comprise:

- the income statement;
- the statement of financial position;
- the statement of changes in members' interests;
- and the related notes 1 to 12.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the limited liability partnership in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We are required by ISAs (UK) to report in respect of the following matters where:

- the members' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- the members have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the limited liability partnership's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of these matters.

Other information

The members are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in respect of these matters.

REPORT OF THE INDEPENDENT AUDITOR TO THE MEMBERS OF CLAN CAMPDEN DEVELOPMENTS LLP (CONTINUED)

Responsibilities of members

As explained more fully in the members' responsibilities statement, the members are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the members are responsible for assessing the limited liability partnership's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the members either intend to liquidate the limited liability partnership or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Report on other legal and regulatory requirements

Matters on which we are required to report by exception

Under the Companies Act 2006 as applied to limited liability partnerships we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit; or

We have nothing to report in respect of these matters.

Use of our report

This report is made solely to the limited liability partnership's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006 as applied to limited liability partnerships. Our audit work has been undertaken so that we might state to the limited liability partnership's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the limited liability partnership and the limited liability partnership's members as a body, for our audit work, for this report, or for the opinions we have formed.

CLAN CAMPDEN DEVELOPMENTS LLP

NOTES TO THE ACCOUNTS FOR THE YEAR TO 31 DECEMBER 2017

1. ACCOUNTING DEFINITIONS AND POLICIES

Basis of preparation

The entity is an LLP registered in England with the registered office address; 118 Southwark Street, London, SE1 0SW.

The financial statements have been prepared in accordance with applicable United Kingdom accounting standards, including Financial Reporting Standard 102 section 1A – 'The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland for smaller entities' ('FRS 102 1A'), and with the Companies Act 2006 as applied by LLPs and the Statement of Recommended Practice (SORP), Accounting by Limited Liability Partnerships (January 2015).

The preparation of financial statements in compliance with FRS102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the entity's accounting policies.

The functional currency of the LLP is pounds sterling.

In the year ended 31 December 2016 the LLP changed its accounting framework to Financial Reporting Standard 102, as issued by the Financial Reporting Council.

Qualifying entity

The members have taken advantage of the exemption in FRS 102 Section 1A from including a cash flow statement in the financial statements on the grounds that the LLP is a small entity.

Going Concern

The directors have assessed, based on current projections, that the LLP has adequate resources to meet the on-going costs of the business for a minimum of 12 months from the date of signing the financial statements. For this reason, the financial statements have been prepared on a going concern basis which presumes the realisation of assets and liabilities in the normal course of business.

Members' remuneration

Remuneration allocated under the members' agreement is expensed to the income statement and disclosed as "Members' remuneration charged as an expense". Fixed shares of profits or profit-sharing representing a debt arising from a division of profits, are treated as members' remuneration charged as an expense.

All profits and losses of the LLP are treated as members' remuneration charged as an expense, as all profits and losses are automatically allocated as a result of there being no discretionary decisions of the LLP in relation to profit distributions.

Investments

Investments are included at cost less amounts written off. Profits or losses arising from disposals of fixed asset investments are treated as part of the results from ordinary activities.

1. ACCOUNTING DEFINITIONS AND POLICIES (CONTINUED)

In the application of the company's accounting policies, which are described in note 1, the management are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

There were no critical judgements or accounting estimates applied to these financial statements.

The LLP's activities expose it to a variety of financial instrument risks. The risk management policies employed by the LLP to manage these risks are discussed below. The primary objectives of the financial instrument risk management function are to establish risk limits, and then ensure that exposure to risks stay within these limits.

Credit risk

Credit risk refers to the risk that a counter party will default on its contractual obligations resulting in financial loss to the LLP. The LLP has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral where appropriate, as a means of mitigating the risk of financial loss from defaults. The LLP only transacts with entities that are rated the equivalent of investment grade and above. This information is supplied by independent rating agencies where available, and if not available, the LLP uses other publicly available financial information and its own trading records to rate its major customers.

The LLP's exposure and the credit ratings of its counterparties are continuously monitored and the aggregate value of transactions concluded is spread amongst approved counterparties.

Liquidity risk

Liquidity risk is defined as the risk that the LLP does not have sufficient financial resources to meet its commitments when they fall due, or can secure them only at excessive cost. The LLP closely monitors cash flow and anticipates that there are sufficient funds available to meet the operational needs.
