NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31 July 2016

## 1. Accounting policies

## **Basis of preparation**

These financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP): Accounting for Further and Higher Education 2015 and in accordance with Financial Reporting Standards (FRS 102). Bath Spa Global is a public benefit entity and therefore has applied the relevant public benefit requirement of FRS 102. The financial statements are prepared in accordance with the historical cost convention.

## Basis of accounting

These financial statements are prepared under the historical cost convention.

## Going concern

The LLP has access to further funding if required and the members therefore consider that there is a reasonable expectation that it has adequate resources to continue in operational existence for the foreseeable future. For this reason, the members continue to adopt the going concern basis in preparing the financial statements.

## Cash flow statement

The members have taken advantage of the exemption in Financial Reporting Standard No 1 (revised) from including a cash flow statement in the financial statements on the grounds that the LLP is small.

## Related party transactions

As the LLP is jointly owned by Shorelight Education LLC and Bath Spa U Limited, the LLP has taken advantage of the exemption contained in FRS 8 and has therefore not disclosed transactions or balances with entities which form part of the group.

### **Turnover**

Fee income is credited to the profit and loss account over the period in which students are studying. Where the amount of the tuition fee is reduced by a scholarship, income is shown net of the discount.

## Accounting for retirement benefits

Retirement benefits to employees of Bath Spa Global are provided through a standalone defined contribution pension scheme.

Employers' pension contributions to the scheme are charge to the profit and loss account in the year to which the salaries on which they are payable relate.

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 July 2016

## 1. Accounting policies (continued)

### **Taxation**

The charge for taxation is based on the result for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. Provision is made for deferred tax only to the extent that it is probable that an actual liability will crystallise.

## 2. Loss on ordinary activities before taxation
