Members' Responsibility Statement for the Year Ended 31 March 2021

The members are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

The legislation applicable to limited liability partnerships (Application of Companies Act 2006) Regulations 2008 requires the members to prepare financial statements for each financial year. Under that law the members have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards), including FRS 102 1A 'The Financial Reporting Standard applicable to the UK and Republic of Ireland' and applicable law. Under this legislation the members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the limited liability partnership and of the profit or loss of the limited liability partnership for that period. In preparing these financial statements, the members are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed within the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the limited liability partnership will continue in business.

The members are responsible for keeping adequate accounting records that are sufficient to show and explain the limited liability partnership's transactions and disclose with reasonable accuracy at any time the financial position of the limited liability partnership and enable them to ensure that the financial statements comply with the Companies Act 2006 (as applied by The Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008). They are also responsible for safeguarding the assets of the limited liability partnership and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

1 General information

Morse Partnership LLP (the "Partnership") is registered in England & Wales and its financial statements have been prepared in accordance with the Financial Reporting Standard 102 ('FRS 102') section 1A and the requirements of the Companies Act 2006 as applied to limited liability partnerships by the Limited Liability Partnerships (Application of Companies Act 2006) Regulations 2008. The address of the registered office is:

Suite 1, 3rd Floor

The principal accounting policies are summarised below. They have all been applied consistently throughout the year and to the preceding year.

The financial statements are prepared in pound sterling (GBP), which is the functional and presentation currency of the limited liability partnership. Monetary amounts in these financial statements are rounded to the nearest £1.

2 Accounting policies

2.1 Going concern

At the time of approving the financial statements, the members have a reasonable expectation that the limited liability partnership has adequate resources to continue in operational existence for the foreseeable future. As the Partnership has net current liabilities at the balance sheet date, the members have confirmed their commitment to the Partnership in enabling it to meet its liabilities as they fall due. Thus the members continue to adopt the going concern basis of accounting in preparing the financial statements.

2.2 Members' participating interests

Members' participation rights are the rights of a member against the LLP that arise under the Partnership Agreement (for example, in respect of amounts subscribed or otherwise contributed remuneration and profits).

Member's participation rights including amounts subscribed or otherwise contributed by members, for example members' capital, are classed as liabilities unless the LLP has an unconditional right to refuse payment to members, in which case they are classified as equity.

Amounts being due to members in respect of members' profit allocation are debited directly to reserves in the year in which the division occurs. Amounts due to members are, where such an amount relates to current year profits, recognised within 'Members remuneration charged as an expense' in arriving at the relevant year's result. Undivided amounts that are classified as equity are shown within 'Members other interests'. Amounts recoverable from members are presented as debtors and shown as amounts due from members within members' interests.

2.5 Taxation

No provision has been made for taxation in the financial statements. Each partner is exclusively liable for a tax liabilities arising out of their interest in the partnership, which will be assessed on the individual partners and not on the partnership.

2.7 Reserves

All amounts credited to each member's capital account shall be immediately and fully available to the partnership for unrestricted use to cover risks and losses as and when they may occur.
