EMK Capital LLP

Members' Report For the Year Ended 31 March 2020

The members present their annual report together with the audited financial statements of EMK Capital LLP (the "LLP") for the year ended 31 March 2020.

Principal activity

The principal activity of the LLP is to provide investment management advisory services. The LLP is authorised and regulated by the Financial Conduct Authority ("FCA"), pursuant to the Financial Services and Markets Act 2000 as amended by the Financial Services Act 2012 and was in compliance with all capital requirements throughout the year. The LLP has no branches in existence outside the UK.

Designated Members

The designated members of the LLP during the year and to the date of signing the financial statements were:

E A Lazarus
M W Joseph
G I Lunn

Allocation of profits

Any profits are shared among the members as governed by the Limited Liability Partnership Agreement.

These allocations are treated as an expense in the Statement of Comprehensive Income in accordance with the SORP as the profits are automatically divided in accordance with the Limited Liability Partnership Agreement.

To the extent that any allocation is unpaid, it is recognised as a liability in the Balance Sheet as amounts due to members.

Capital

The members may only contribute to the LLP's capital in accordance with the Partnership Agreement.

No member is entitled to interest on their capital.

Members' drawings and the subscription and repayment of members' capital

The Limited Liability Partnership Agreement governs policies for members' drawings, subscriptions and repayment of members' capital.

No drawings or other payments can be made to or on behalf of any members, other than by distribution of profits, without the consent of the members. The LLP will reserve, out of profits before distribution, sufficient funds to provide for the working capital requirements of the business.

Going concern

The members have assessed the impact of COVID-19 on the business of the LLP. The revenues it currently derives are contractually set out in the Limited Partnership Agreements of the fund it manages and are guaranteed until 31/3/2027.

On this basis the members consider that the going concern basis of preparation remains appropriate.

EMK Capital LLP

Members' Report (continued) For the Year Ended 31 March 2020

Statement of members' responsibilities in respect of the financial statements

The members are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulation.

Company law, as applied to LLPs by the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008 (the "Regulations"), requires the members to prepare financial statements for each financial year. Under that law the members have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law). Under company law, as applied to LLPs, the members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the LLP and of the profit or loss of the LLP for that period.

In preparing these financial statements, the members are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 102, have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the LLP will continue in business.

The members are also responsible for safeguarding the assets of the LLP and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The members are responsible for keeping adequate accounting records that are sufficient to show and explain the LLP's transactions and disclose with reasonable accuracy at any time the financial position of the LLP and enable them to ensure that the financial statements comply with the Companies Act 2006 as applied to LLPs by the Regulations.

Disclosure of information to auditors

Each of the persons who are members at the time when this Members' Report is approved has confirmed that:

- so far as that member is aware, there is no relevant audit information of which the LLP's auditors are unaware, and
- that member has taken all the steps that ought to have been taken as a member in order to be aware of any relevant audit information and to establish that the LLP's auditors are aware of that information.

EMK Capital LLP

Members' Report (continued) For the Year Ended 31 March 2020

Independent Auditors

The auditors, PricewaterhouseCoopers LLP, indicated their willingness to continue in office and will be proposed for reappointment at the next members' meeting.

This report was approved by the members and signed on their behalf by:

G I Lunn
Designated Member

Date: 22 June 2020

Independent auditors' report to the members of EMK Capital LLP

Report on the audit of the financial statements

Opinion

In our opinion, EMK Capital LLP's financial statements:

- give a true and fair view of the state of the limited liability partnership's affairs as at 31 March 2020 and of its result and cash flows for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006 as applied to limited liability partnerships by the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008.

We have audited the financial statements, included within the Members' Report and Financial Statements (the "Annual Report"), which comprise: the Balance Sheet as at 31 March 2020; the Statement of Comprehensive Income, the Statement of Cash Flows, the Reconciliation of Members' Interests for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We remained independent of the limited liability partnership in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which ISAs (UK) require us to report to you where:

- the members' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the members have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the limited liability partnership's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the limited liability partnership's ability to continue as a going concern.

Reporting on other information

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The members are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

Responsibilities for the financial statements and the audit

Responsibilities of the members for the financial statements

As explained more fully in the Statement of members' responsibilities in respect of the financial statements set out on page 2, the members are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The members are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the members are responsible for assessing the limited liability partnership's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the members either intend to liquidate the limited liability partnership or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

Use of this report

This report, including the opinion, has been prepared for and only for the members of the partnership as a body in accordance with the Companies Act 2006 as applied to limited liability partnerships by the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008 and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Other required reporting

Companies Act 2006 exception reporting

Under the Companies Act 2006 as applicable to limited liability partnerships we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the limited liability partnership, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

EMK Capital LLP

Notes to the Financial Statements For the Year Ended 31 March 2020

1. Accounting policies

Basis of preparation of financial statements

EMK Capital LLP is a Limited Liability Partnership ("LLP") incorporated and domiciled in England and Wales. The address of the registered office is given on the Partnership Information page. The principal activity of the LLP is set out on page 1 in the Members' Report.

The LLP is registered as authorised and regulated by the FCA, pursuant to the Financial Services and Markets Act 2000 as amended by the Financial Services Act 2012.

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 102 ("FRS 102"), The Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006 and the requirements of the Statement of Recommended Practice "Accounting by Limited Liability Partnerships".

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the LLP's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 2.

These financial statements present separate set of financial statements of the LLP. Group financial statements that include the financial statements of the LLP and its dormant or pass-through subsidiary undertakings (included in Note 7) are not materially different to the separate set of financial statements of the LLP. On that basis Group financial statements are not presented.

Going concern

The members have assessed the impact of COVID-19 on the business of the LLP. The revenues it currently derives are contractually set out in the Limited Partnership Agreements of the fund it manages and are guaranteed until 31/3/2027.

On this basis the members consider that the going concern basis of preparation remains appropriate.

The principal accounting policies applied in the preparation of the financial statements are set out below. These policies have been consistently applied during the year unless otherwise stated.

Turnover

Turnover consists of fees earned for investment management and advisory services which are recognised on an accruals basis, exclusive of value added tax.

Expenses

Administrative expenditure and all staff costs are accounted for on an accruals basis.

EMK Capital LLP

Notes to the Financial Statements For the Year Ended 31 March 2020

1. Accounting policies (continued)

Interest income

Interest income is recognised in the Statement of Comprehensive Income using the effective interest rate method.

Finance costs

Finance costs are charged to the Statement of Comprehensive Income over the term of the debt using the effective interest method so that the amount charged is at a constant rate on the carrying amount. Issue costs are initially recognised as a reduction in the proceeds of the associated capital instrument.

Foreign currencies

The LLP's functional and presentational currency is pounds sterling, the currency underlying its main transactions.

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at rates of exchange at the Balance Sheet date.

Transactions in foreign currencies are translated into sterling at the rate on the date of the transaction.

Exchange gains and losses are recognised in the Statement of Comprehensive Income.

Tax

No provision has been made for taxation in the financial statements. Each member is liable for any tax liabilities arising out of their interest in the LLP. Tax will be assessed on the individual members and not on the LLP.

Members' profit share

Any profits are shared among the members as governed by the Limited Liability Partnership Agreement.

These allocations are treated as an expense in the Statement of Comprehensive Income in accordance with the SORP as the profits are automatically divided in accordance with the Limited Liability Partnership Agreement.

To the extent that any allocation is unpaid, it is recognised as a liability in the Balance Sheet as amounts due to members.

EMK Capital LLP

Notes to the Financial Statements For the Year Ended 31 March 2020

1. Accounting policies (continued)

Members' capital

The capital requirements of the partnership are determined by the members and are reviewed regularly. Each member is required to subscribe a proportion of this capital. The amount of capital subscribed by each member is usually linked to the earnings allocated to that member. No interest is paid on the capital. On leaving the partnership a member's capital is repaid within a timescale set by the other members.

Operating lease agreements

The LLP has no assets which are financed by leasing agreements that give rights approximating to ownership ('finance leases').

As such, all leases are treated as operating leases. Their annual rentals are charged to the Statement of Comprehensive Income on a straight-line basis over the term of the lease.

The benefits of lease incentives received on entering into new leases are spread over the lease term.

Investments in subsidiary undertakings

Investments in subsidiary undertakings are accounted for at cost less impairment.

Tangible fixed assets

Tangible fixed assets are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

Leasehold improvements	Over the life of the lease
Office equipment	3 years
Computer equipment	5 years

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in the Statement of Comprehensive Income.

EMK Capital LLP

Notes to the Financial Statements For the Year Ended 31 March 2020

1. Accounting policies (continued)

Financial instruments

Financial assets, other than investments and derivatives, are initially measured at transaction price (including transaction costs) and subsequently held at cost, less any impairment.

Financial liabilities and equity are classified according to the substance of the financial instrument's contractual obligations, rather than the financial instruments' legal form. Depending on the terms of the members' agreement, members' participation rights may give rise to equity or liabilities or both. Non-discretionary amounts becoming due to members in respect of participation rights in the profits of the LLP for the financial year that give rise to the liabilities are presented as an expense within profit or loss. Amounts becoming due to members in respect of equity participation rights, following a discretionary division of profits, are to be debited directly to equity in the year in which the division occurs. Financial liabilities, excluding convertible debt and derivatives, are initially measured at transaction price (including transaction costs) and subsequently held at amortised cost.

Pensions

Defined contribution pension plan

The LLP operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the LLP pays fixed contributions into a separate entity. Once the contributions have been paid the LLP has no further payment obligations.

The contributions are recognised as an expense in the Statement of Comprehensive Income when they fall due. Amounts not paid are shown in accruals as a liability in the Balance Sheet. The assets of the plan are held separately from the LLP in independently administered funds.

2. Judgements in applying accounting policies and key sources of estimation uncertainty

In the application of the LLP's accounting policies, which are described above, the members are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities at the reporting date and the amounts of revenue and expenses incurred during the period that may not be readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The members exercise a degree of judgement in relation to the basis of consolidation. EMK Capital GP LLP and EMK Capital CI GP LLP act as general partners to EMK Capital Partners LP, EMK Capital Partners GP Co-investment LP ('the Funds') and EMK Capital CI LP (the 'Carry LP') respectively. It may be required under Section 9 of FRS 102 to consolidate the results of the Funds, the Carry LP and its investments into the Group's own financial statements. However, the general partner has no capital in the Funds and only receives a profit share and, as such, the Limited Partnerships are not consolidated. Also the general partner does not hold any interest in the Carry LP and is not subject to any variable returns from that partnership, as such this carried interest vehicle is not consolidated.

EMK Capital LLP

Notes to the Financial Statements For the Year Ended 31 March 2020

3. Turnover

Turnover is wholly attributable to the principal activity of the LLP and arises solely within the United Kingdom.

4. Profit for the year before members' remuneration

Profit for the year before members' remuneration is stated after charging/(crediting):

	2020 £'000	2019 £'000
Fees payable to the LLP's auditors and their associates for the audit of the LLP's annual financial statements	15	17
Fees payable to the LLP's auditors for other services provided pursuant to other legislation	7	7
Taxation services	13	13
Exchange differences	(4)	(38)
Rent - operating leases	395	403
	<u> </u>	<u> </u>

5. Members' remuneration charged as an expense

Profits are shared among the members in accordance with agreed profit sharing arrangements. Members are required to make their own provision for pensions from their profit share.

	2020 £'000	2019 £'000
Profit for the financial year before members' remuneration and profit share	7,076	7,627
Members' remuneration charged as an expense	(7,076)	(7,627)
Profit for the financial year available for discretionary division among members	<u> </u>	<u> </u>

	2020 Number	2019 Number
Average number of members during the year	8	8
	<u> </u>	<u> </u>

The Profit for the financial year is allocated to all Members in accordance with the Limited Liability Partnership Agreement.

EMK Capital LLP

Notes to the Financial Statements For the Year Ended 31 March 2020

6. Employees

Staff costs were as follows:

	2020 £'000	2019 £'000
Wages and salaries	1,266	1,050
Social security costs	208	161
Pension costs	9	9
	<u>1,483</u>	<u>1,220</u>

The average number of employees was made up as follows:

	2020 Number	2019 Number
Administration	4	4
Investment management	6	4
	<u>10</u>	<u>8</u>

A defined contribution pension scheme is operated by the LLP on behalf of the employees. The assets of the scheme are held separately from those of the LLP in an independently administered plan. The pension charge represents contributions payable by the LLP to the plan and amounted to £9,000 (2019 - £9,000). No contributions (2019 - £nil) were payable to the plan at year end.

7. Subsidiaries and Related Undertakings

	Holding		Type	Country of incorporation	Nature of business
	£	%			
EMK Managing Member Limited	1	100	Direct	England	Holding company
EMK Second Member Limited	1	100	Direct	England	Holding company
EMK Capital CI GP LLP*	-	100	Indirect	Scotland	General Partner
EMK Capital GP LLP	200	100	Indirect	England	General Partner

*Registered address is 50 Lothian Road, Festival Square, Edinburgh all others are the same as EMK Capital LLP.

The class of share capital held for all the above undertakings where applicable are ordinary shares.

During the year, EMK Capital (Netherlands) BV was incorporated as a subsidiary of EMK Capital LLP. Prior to the year end, this subsidiary was transferred to be a subsidiary of another group affiliate entity under common control.

EMK Capital LLP

Notes to the Financial Statements For the Year Ended 31 March 2020

8. Tangible assets

	Leasehold improvements £000	Office equipment £000	Computer equipment £000	Total £000
Cost				
At 1 April 2019	-	-	-	-
Additions	3	4	35	42
At 31 March 2020	3	4	35	42
