STATEMENT OF MEMBERS' RESPONSIBILITIES

The members are responsible for preparing the financial statements in accordance with applicable law and regulations.

Company law, as applied to LLPs, requires the members to prepare financial statements for each financial year. Under that law the members have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law, as applied to LLPs, the members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the LLP and of the profit or loss of the LLP for that period. In preparing these financial statements, the members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the LLP will continue in business;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.

The members are responsible for keeping adequate accounting records that are sufficient to show and explain the LLP's transactions and disclose with reasonable accuracy at any time the financial position of the LLP and enable them to ensure that the financial statements comply with the Companies Act 2006, (as applied to limited liability partnerships by the Limited Liability Partnerships Regulations 2008). They are also responsible for safeguarding the assets of the LLP and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF LANGHAM HALL FUND MANAGEMENT LLP

Opinion

We have audited the financial statements of Langham Hall Fund Management LLP (the 'LLP') for the year ended 31 March 2018 which comprise the Statement of Comprehensive Income, Statement of Financial Position, Statement of Changes in Members' Equity, Statement of Cash Flows and related notes including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the limited liability partnership's affairs as at 31 March 2018 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006 as applied to limited liability partnerships.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the limited liability partnership in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in the circumstances set out in note 2 to the financial statements and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the members use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the members have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the limited liability partnership's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 as applied to limited liability partnerships requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit; or
- the members were not entitled to prepare the financial statements in accordance with the small limited liability partnerships regime.

Responsibilities of members

As explained more fully in the members' responsibilities statement set out on pages 2 to 3 the members are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the members are responsible for assessing the LLP's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the members either intend to liquidate the LLP or to cease operations, or have no realistic alternative but to do so.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF LANGHAM HALL FUND MANAGEMENT
LLP (continued)**

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the limited liability partnership's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006 as applied to limited liability partnerships. Our audit work has been undertaken so that we might state to the limited liability partnership's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the limited liability partnership and the limited liability partnership's members as a body, for our audit work, for this report, or for the opinions we have formed.

LANGHAM HALL FUND MANAGEMENT LLP

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2018

1. LLP INFORMATION

Langham Hall Fund Management LLP is a limited liability partnership incorporated in England and Wales. Its registered office is 5 Old Bailey, London, EC4M 7AB and its registered number is OC402861.

2. ACCOUNTING POLICIES

Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland and the Companies Act 2006 and the requirements of the Statement of Recommended Practice "Accounting by Limited Liability Partnerships".

The financial statements are presented in Sterling (£).

Going concern

After reviewing the LLP's forecasts and projections, the members have reasonable expectation that the LLP has adequate resources to continue in operational existence for the foreseeable future. The LLP therefore continues to adopt the going concern basis in preparing its financial statements.

Turnover

Turnover, which excludes value added tax, represents the invoiced value of services provided, with adjustments made to recognise income earned but not billed and income billed in advance.

Foreign currencies

Assets and liabilities denominated in foreign currencies are translated at exchange rates ruling at the balance sheet date. Monetary assets and liabilities denominated in foreign currencies are translated at the year end rate. Foreign currency gains or losses are taken to the profit and loss account.

Taxation

Members are personally liable for taxation on their share of the LLP profits. Consequently no reserve for taxation is made in these financial statements.

Capital

The capital requirements of the LLP are determined from time to time by the members. Each member is required to subscribe to a proportion of this capital.

Allocation of profits and losses

A member's share in the profit or loss for the year is accounted for as an allocation of profits or losses. Unallocated profits or losses are included within 'other reserves'.

Members from time to time make drawings. The level and timing of these distributions is determined by management taking into account the LLP's cash requirements. Any drawings made in excess of profit allocations are disclosed within debtors.

Members' remuneration and interest

Members' rights to participate in the profits or losses, or asset of an LLP are analysed between those that give rise to, from the LLP's perspective, either a financial liability or equity, in accordance with section 11 of FRS 102.

LANGHAM HALL FUND MANAGEMENT LLP

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2018

Members' remuneration

Non-discretionary amounts becoming due to members in respect of participation rights in the profits of the LLP for an accounting period that give rise to liabilities are presented as an expense within the profit and loss account (within the heading 'Members' remuneration charged as an expense').

Amounts becoming due to members in respect of equity participation rights, following a discretionary division of profits, are debited directly to equity in the accounting period in which the division occurs. Such amounts are not presented as an expense within the profit and loss account.

Financial instruments

Financial assets

Basic financial assets, including trade and other receivables and cash and bank balances are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest.

Such assets are subsequently carried at amortised cost using the effective interest method.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Profit and loss account.

For financial assets measured at amortised cost, the impairment loss is measured as the difference between an asset's carrying amount and the present value of estimated cash flows discounted at the asset's original effective interest rate. If a financial asset has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate determined under the contract.

For financial assets measured at cost less impairment, the impairment loss is measured as the difference between an asset's carrying amount and best estimate, which is an approximation of the amount that the Partnership would receive for the asset if it were to be sold at the reporting date.

Financial liabilities

Basic financial liabilities, including trade and other payables, bank loans and loans from fellow group companies are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest.

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade payables are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

3. SIGNIFICANT JUDGEMENTS AND ESTIMATES

In the process of applying its accounting policies, the LLP is required to make certain estimates, judgements and assumptions that it believes are reasonable based on the information available. These judgments, assumptions affect the amounts of assets and liabilities at the date of the financial statements and the amounts of revenues and expenses recognised during the reporting periods presented.

On an ongoing basis, the LLP evaluates its estimates using historical experience, consultation with experts and other methods considered reasonable in the particular circumstances. Actual results may differ significantly from the estimates, the effect of which is recognised in the period in which the facts that give rise to the revision become known.

The following paragraphs detail the estimates and judgements the company believes to have the most significant impact on the actual results under FRS 102.

Revenue recognition

The LLP recognises revenue generally at the time of delivery and when collection of the resulting receivable is reasonably assured. Payments received in advance of revenue recognition are recorded as deferred income.
