Statement of directors' responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent auditor's report to the members of Centre Hotels (Cranston) Limited

We have audited the financial statements of Centre Hotels (Cranston) Limited for the year ended 31 December 2010 which comprise the profit and loss account, the balance sheet and the related notes 1 to 12. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2010 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Independent auditor's report to the members of Centre Hotels (Cranston) Limited (continued)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- the directors were not entitled to take advantage of the small companies exemption in preparing the directors' report; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

1. Accounting policies

Basis of preparation

The financial statements are prepared under the historical cost convention. They have been drawn up to comply with applicable UK accounting standards, which have been applied consistently throughout the current and prior period.

Going concern

The Company is part of the LRG Holdings Limited group ("the Group") and the Group's business activities, together with the factors likely to affect its future development, performance and position are set out in the financial statements of LRG Holdings Limited.

The Group meets its day to day working capital requirements from normal trading activities through its 61 hotels.

The current economic conditions create uncertainty over the level of demand for the Group's hotels and as a result the directors have considered the ability of the Group to meet its operational and financing obligations over the next twelve months.

In June 2010 agreement was reached with the Group's lenders to extend the maturity of short term senior loans for two years, to 24 May 2012, with a further twelve month extension at the option of the Group and subject to meeting certain tests. At the same time new interest rate swap and cap agreements were entered into to limit the risk of higher interest rates being payable on the group's loans. At the balance sheet date, 82.9% of the debt was fixed or capped to limit the effects of interest rates above 1.9% (2009: 91.4% of the debt was fixed or capped to limit the effects of interest rates above 5.3%).

The Group's financial forecasts, taking account of the revised loan terms and reasonably possible changes in trading performance, show that the group will be able to operate within the level of its current and future facilities and remain in compliance with the terms of its loan agreements.

The Company is dependent on continuing finance being made available by its parent undertaking to enable it to continue operating and to meet its liabilities as they fall due. The Company is in receipt of a letter from its parent company confirming that it will provide continuing support and the directors have made enquiries to form a reasonable expectation that the parent company has adequate resources to continue in operational existence and provide support for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the accounts.

Consolidation

The Company was, at the end of the year, a wholly-owned subsidiary of another Company incorporated in the EEA and in accordance with Section 400 of the Companies Act 2006, is not required to produce, and has not published, consolidated accounts. These accounts give information about the Company as an individual undertaking and not about its group.

Financial instruments

In preparing the financial statements for the past and current period, the company has adopted the presentation paragraph of FRS, 'Financial Statements'. Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities.

Statement of cash flows

The directors have taken advantage of the exemption in FRS 1 "Cash Flow Statements" (Revised 1996) from including a cash flow statement in the financial statements on the grounds that the company is wholly owned and its ultimate parent publishes consolidated financial statements.

1. Accounting policies (continued)

Taxation

Corporation tax payable is provided on taxable profits at the current rate.

The taxation liabilities of certain group undertakings are reduced wholly or in part by the surrender of losses by fellow group undertakings. The tax benefits arising from group relief are recognised in the financial statements of both the surrendering and recipient companies, being paid at a rate of 28% of the losses surrendered.

Deferred taxation

Deferred taxation is provided in full on timing differences that result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements. Deferred tax is not provided on timing differences arising from the revaluation of fixed assets where there is no binding contract to dispose of these assets. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

2. Costs and overheads, less other income

Directors' emoluments for the current and prior period were £nil.

There were no staff employed by the Company in either the current or prior period.

Auditor's remuneration of £1,600 (2009: £1,600) has been borne by a fellow group undertaking in both the current and prior period.
